2100 N. Florida Mango Road
West Palm Beach, Florida 33409
Attention: General Counsel

ARTICLE 2

NO STRIKE OR LOCK-OUT

Section 1. "Strike" means the concerted failure to report for duty, the concerted absence of Sergeants from their positions, the concerted stoppage of work, the concerted submission of resignations, the concerted abstinence in whole or in part by any group of Sergeants from the full and faithful performance of their duties of employment with the City, participation in a deliberate and concerted course of conduct which adversely affects the services of the City, picketing or demonstrating in furtherance of a work stoppage, either during the term of or after the expiration of a collective bargaining agreement.

Section 2. Neither the Union, nor any of its officers, agents and members, nor any employee organization members, covered by this Agreement, will instigate, promote, sponsor, engage in, or condone any strike, sympathy strike, slowdown, sick-out, concerted stoppage of work, illegal picketing, or any other interruption of the operations of the City.

Section 3. Each Sergeant who holds a position with the City occupies a position of special trust and responsibility in maintaining and bring about compliance with this Article and the strike prohibition in Florida Statutes 447.505 and the Constitution of the State of Florida, Article 1, Section 6. Accordingly, the Union, its officers, stewards and other representatives agree that it is their continuing obligation and responsibility to maintain compliance with this Article and the law, including their responsibility to abide by the provisions of this Article and the law by remaining at work during any interruption which may be initiated by others; and their responsibility, in event of breach of this Article or the law by other employees and upon the request of the City, to encourage and direct employees violating this Article or the law to return to work, and to disavow the strike publicly.

Section 4. Any or all Sergeants who violate any provisions of the law prohibiting strikes or of this Article may be dismissed or otherwise disciplined by the City.

ARTICLE 3

NON-DISCRIMINATION

The City will not interfere with the rights of sergeants to become members of the PBA, and there shall be no discrimination, interference, restraint or coercion by the City, or any City representative, against any sergeant because of membership or because of any activity in any official capacity on behalf of the PBA. The PBA shall not discriminate against any bargaining unit member who fails to join the PBA, as provided by law.

The City and the PBA oppose discriminatory behavior of any nature. The City and the PBA shall work jointly to eradicate discriminatory conduct in the work place. To that end, the City and the PBA agree that bargaining unit members have an affirmative duty to act against discriminatory behavior when it occurs in their presence or comes to their attention. Discriminatory conduct by an employee can result in disciplinary action up to and including termination. Section 3. When acting in their capacity as PBA representatives within the Department and not on behalf of themselves, employees shall not be obligated to observe the Departmental chain of command. A representative may not refer an issue outside of the department without first presenting it to a senior staff officer. This shall not relieve employees from observing the Departmental chain of command except for receiving approval of release time with regard to their duty-related activities, notwithstanding their position as a PBA Representative.

ARTICLE 6

BULLETIN BOARDS

Section 1. The PBA shall be provided with the use of a Sergeant's PBA bulletin board space at one (1) location in the police building.

Section 2. The pay plan will be implemented as follows starting on Oct 1 2007. Each SGT's base wage will be adjusted according to the column labeled "adjustment." The "step" they fall into will be determined by how many years in rank they have completed as of Oct. 1, 2007. Thus if a SGT has completed 3 years in rank as a SGT he/she will be adjusted to STEP 3 starting pay and continue through the plan using their date of promotion as opposed to date of hire to determine when a year has been completed. The pay plan is based on COLA raises on Oct 1st 2008 & 2009, as well as a pay-per-performance raises on April 1st 2008,2009,2010. Should a SGT be already making a base wage above that step they fall into they will proceed to the first step that affords them a raise to their base wage and proceed though the scale from there. Therefore, a SGT promoted 10-20-03 would be raised to STEP 5 and proceed through the plan as a 5 yr SGT from Oct. 1, 2007 on. This will occur for SGT's promoted 10-20-03 (adjusted to step 5), SGT promoted 5-3-04 (adjusted to step 5), SGT promoted 1-17-06 (adjusted to step 5), SGT promoted 1-17-06 (adjusted to step 4), and SGT promoted 4-18-06 (adjusted to step 4). SGT promoted 10-20-03 would then be paid as follows assuming he had satisfactory or higher evaluations along the way: October-1-2007 he would be adjusted to \$80,857,15. On April-1-2008 he would go to \$84,984.51; October-1-2008 = \$86,684.20; April-1-2009 = \$91,450.13; October-1-2009 = \$93,279.13; April-1-2010 = \$95,144.72.

See Appendix A for Examples 1 through 5

Section 3. In the event of the passage of a State Constitutional Amendment or State Legislative Enactment which will alter or affect the flow of revenue to the City during the term of this Agreement, the wage/rate of pay articles of the Agreement may, at the written request of the City, be reopened for negotiations.

Reopened negotiations shall commence and be concluded within forty-five (45) calendar days of the date the City gives written notice to the PBA of the City's request to reopen negotiations. If an agreement is not reached within forty-five (45) calendar days, the negotiations shall be deemed at impasse and the impasse issue shall be submitted to the City Commission at the second City Commission meeting following the expiration of the forty-five (45) days. The City and the PBA waive the appointment of a special magistrate to resolve the impasse issues in accordance with the provisions of 447.403, Florida Statutes.

During the negotiations and the impasse process, if any, the base wages of bargaining unit members will be frozen at the levels in place at the time the City requests to reopen negotiations and no subsequent base wage increases will occur except as thereafter negotiated by the City and the PBA, or, in the event the reopened negotiations do not result in a ratified agreement, as imposed by the City Commission through the impasse process.

Section 4. All citizen complaint files and Internal Affairs investigations will be governed by Florida State Statutes and the Public Records destruction guidelines.

Time and one-half shall be paid for all hours worked above forty (40) hours per week except as provided below.

For those members assigned to an 11.5-hour day, the normal work period is a twenty-eight day, one-hundred-seventy one hour work cycle. Time-and-one-half shall be paid for all hours actually worked above 171 hours in that cycle.

For the purpose of calculating hours worked for overtime purposes, only the following categories of leave shall be treated as hours worked:

Section 2. No work schedule, days off, hours of work, etc., shall be changed primarily for the purpose of avoiding the payment of overtime.

Section 3. No person shall be required to work more than sixteen (16) hours at one (1) time, except in a declared emergency. For the purposes of this section and this Agreement, an emergency shall be a natural disaster, (flood, hurricane, etc.) or man-made disaster (riot, mass civil unrest, etc.) or other incident which directly threatens the health and safety of the citizens of Boynton Beach.

Section 4. One Sergeant per uniform services platoon per day will serve in the capacity of Administrative Sergeant and shall be entitled to receive 30 minutes of overtime pay for performance of tasks generic to their position such as organization, shift preparation and review of subordinates' work.

This will be applied retroactively to all employees for the purposes of pay scale calculations.

Example: A sergeant with five (5) years in rank is demoted to police officer. After three (3) years as a police officer, the former sergeant is promoted again to sergeant. Upon completion of his or her probationary period, the subject sergeant is a six-year sergeant; that is, he or she has six (6) years seniority in rank for purposes of the pay scale only and will not apply to call signs in rank.

Section 6. It is understood and agreed that bargaining unit members who separate from employment with the Boynton Beach Police Department and thereafter return to employment shall not be permitted to bridge seniority.

ARTICLE 27

TRANSFERS AND SHIFT CHANGES

Section 1. No member shall be transferred nor have his/her shift or schedule changed, including days off, except in time of emergency, as elsewhere defined in this Agreement. If a member suffers a transfer or shift change, as defined in this Agreement, without the consent of the employee, all time worked on the first newly assigned shift or workday shall be at the overtime rate.

Section 2. Members may request to exchange shifts, provided that the exchange is approved by the member's supervisor. Such approval shall not be unreasonably withheld. The City shall not be obligated to pay overtime to accommodate the exchange.

However in the event the City can provide for alternative benefits options for employees then the health insurance coverage for the employee and their dependents may be amended from time to time. In this connection, should the employees' cost to provide dependant coverage for their dependants increase more than 15% during any fiscal year, the City agrees to open this Article for the purpose of impact bargaining. The review and selection of insurance coverage shall be made on an annual basis by the City. To that end, the City will form an insurance advisory committee to be comprised of an equal number of non-represented members who are appointed by the City Manager and two members from each of the City's bargaining units. Bargaining unit representatives shall be designated by the PBA. The final decision regarding selection of insurers is reserved to the City, but the City shall strongly consider input and recommendations from the insurance advisory committee.

A. The City will provide for those members who attend colleges and/or universities an incentive of paid tuition and books based upon the grade received for that class. The member is to pay for the tuition and books and be reimbursed, at state college/university rates. Employees who were already in the college tuition reimbursement program as of April 1, 2005 who are attending private schools are grandfathered in at private school rates. Reimbursement rate percentages are as follows:

"A" equals 100% of tuition and books
"B" equals 100% of tuition and books
"C" equals 50% of tuition and books

College and/or university programs must be initially approved by the City Manager and must be a part of a program leading to an acceptable Associates, Bachelor or Master degree with a curriculum directly related to the Police profession.

The Chief will make a recommendation to the City Manager who will have final approval for the courses, degree program and payment.

B. The City shall pay tuition and books reimbursement even if a course is not part of a program leading to a degree providing that the course is job related and approved by the City Manager prior to registration for said course.

STEP 2

If the Chief of Police replies and the aggrieved party or the PBA is dissatisfied, then the grievance may be submitted to the City Manager within ten (10) working days (Monday through Friday) of receipt of the Chief of Police's reply or when a reply was due, if none is submitted. Section 6. The PBA and the City shall each bear its own expense in the arbitration proceedings, except that both Parties shall share equally the fee and other expenses of the arbitrator.

Section 7. Settlement of grievances prior to the issuance of an arbitration award shall not constitute a precedent nor shall it constitute an admission that the Agreement has been violated.

Section 8. Whenever a grievance is general in nature, in that it applies to two (2) or more bargaining unit members, or if the grievance is directly between the PBA and the City, the grievance may be presented in writing directly at Step 2 of the Grievance Procedure within fifteen (15) working days of the occurrence or knowledge of the occurrence or matter giving rise to the grievance. Date

Appendix “A”

Example 1: SGT “A” will have completed 2 years as a SGT as he was promoted on 2-28-05. Sgt. “A’s” base wage would be adjusted to 72,242.86 as he would be proceed through the plan as follows. On 4-1-08 he will go to 76,241.00, on 10-1-09 77,765.82, on 4-1-09 82,353.39, on 10-1-09 84,000.46, and on 4-1-2010 88,835.22.

Example 2: If a member of the Patrolman’s / Detectives union is promoted into this union it will happen as follows. A promotion will consist of a 10% increase to the employee’s current rate of pay. This will increase the employee’s rate of pay to a number that will inevitably fall between two steps of the plan’s designated pay rates for that date. To ensure the integrity of the plan no one will make a wage other then specified by the plan’s pay scale. This newly promoted employee will be placed into the higher of the two rates they fall between. Should a 10% increase leave that employee below the “starting” rate for that rank on that date, they will be brought to the starting salary for that rank and proceed through the plan accordingly. Two actual examples of this is would be: If Officer “J” was promoted on 6-1-08, his rate of pay would be 54,404.00 as he would be a patrolman with 4 years of complete service as of 6-1-08. He would receive a 10% increase to his base, making it 59,844.40. This would place him still below the starting SGT’s salary of 67,497.50 as of 4-1-08. He would then be placed into the SGT’s pay scale as a starting SGT as of 6-1-08 and that would be his date of hire or entry for calculations through his progression through the SGT’s pay scale. He would then proceed through the SGT’s scale as follows. 10-1-08 = 68,847.45, 4-1-09 = 70,224.40, 10-1-09 = 74,721.78, and 4-1-2010 = 76,216.21.

In turn if Officer “D” gets promoted on 2-1-08 his current rate of pay at that moment would be 66,800.00 as an officer. A 10% increase to his base would bring his base to 73,480.00, placing him between the two pay rates in the SGT’s scale of 72,242.86 & 75,114.29. He would therefore be placed at the higher of the two, 75,114.29 upon promotion and enter the SGT’s scale in STEP 3 on 2-1-08. The date of 2-1-08 would then be “D’s” date of hire/entry into the SGT’s scale and he would proceed through the contract as follows. On 4-1-08 = 76,241.00, 10-1-08 = 77,765.82, 4-1-09 = 82,353.39, 10-1-09 = 84,000.46, 4-1-2010 = 88,835.22

Example 3: If a SGT is promoted to the rank of LT it will occur as follows. A promotion will consist of a 10% increase to the SGT’s current rate of pay. This will increase the SGT’s rate of pay to a number that will inevitably fall between two steps of the LT’s plan’s designated pay rates for that date. The new LT will then be placed into the higher of the two rates and will now become a salaried exempt employee and follow the LT’s pay scale through the contract or time in that rank. If this 10% increase results in that SGT not obtaining the “starting” pay for LT on that date he/she will be brought up to the starting rate of a LT. In turn should a demotion occur from the rank of LT to the rank of SGT or from the rank of SGT to either Detective or Patrolman the employee would lose 10% of their base wage. This will then again place them between two rates of pay in the appropriate scale they are entering and they will be placed into the higher of

the two rates. Should a 10% decrease result in that employee being over the max of the rank they are going back into, they will go to the max pay rate for that rank at that date in the plan.

Example 4: If SGT "B" were to get promoted to LT on 6-1-08 it would go as follows. On 6-1-08 SGT "B's" base would be 76,241.00 so a 10% increase would take him to 83,865.10. This wage would not meet or exceed the min starting LT's pay for that date so he would be brought to 95,481.00 and become a salaried employee at that point. He would then proceed through the LT's scale using 6-1-08 as his promotion date to calculate his progression through the steps and years completed as a LT. Therefore on 10-1-08 he would go to 98,345.43, April-1-2009 = 101,295.79, October-1-2009 = 107,812.49, and April-1-2010 = 111,046.86.

Example 5: If SGT "W" were to get promoted on 6-1-08 it would go as follows. On 6-1-08 SGT "W's" base wage would be 87,899.01 so a 10% increase would take him to 96,688.91. This would bring SGT "W" into the LT's scale between the wages of 95,481.00 and 98,663.70, therefore he would be placed at the higher of the two and enter the LT's scale as a STEP 1 LT with a date of promotion on 6-1-08. He would then proceed through the scale as follows. On October-1-2008 he would go to 101,623.61, April-1-2009 = 104,672.32, October-1-2009 = 111,290.31, and April-1-2010 = 114,629.02.

MEMORANDUM OF UNDERSTANDING

WHEREAS, THE CITY OF BOYNTON BEACH, FLORIDA (hereinafter referred to as "the CITY") and THE PALM BEACH COUNTY POLICE BENEVOLENT ASSOCIATION, INC. (hereinafter referred to as "the PBA") entered into a Collective Bargaining Agreement ("CBA") for the term October 1, 2007 to September 30, 2010 which covers the bargaining unit comprised of Police Sergeants (PERC Certification 728); and

WHEREAS, during the term of the CBA the CITY requested and the PBA agreed to defer a bargained for October 1, 2009 wage increase until September 29, 2010. The parties agreement was memorialized in a Memorandum of Understanding ratified by the City on September 22, 2009; and

WHEREAS, the economic conditions that precipitated the wage deferral MOU have not subsided, thereby necessitating further extension of the wage freeze; and

WHEREAS, the CITY and the PBA have re-opened negotiations at the CITY's request; and

WHEREAS, the PBA has cooperatively agreed to the CITY'S proposal that the employee step and corresponding compensation levels be frozen at the September 30, 2009 level to address the CITY'S fiscal needs resulting from the current economic down turn.

NOW, THEREFORE, the CITY and PBA agree:

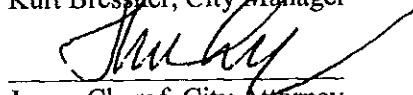

1. The October 1, 2009 Cost of Living Increase and April 1, 2010 Merit Raise increases referred to in Article 12, Wages of the CBA will not take effect. The increases set forth in the Collective Bargaining Agreement are not deferred, but eliminated.
2. All bargaining unit employees' step and rate of pay are frozen for the period from October 1, 2009 until otherwise negotiated by the CITY and the PBA for fiscal year 2010/2011 & 2011/2012.
3. All wages, hours, terms and conditions of employment currently in effect and as modified by this MOU, shall continue in full force and effect until September 30, 2012 or until a successor Agreement is ratified whichever is later. The CITY and the PBA agree to resume negotiation in April 2012.
4. The City may modify the City's insurance plan (medical, dental) for cost control purposes during the term of this Agreement without the requirement of pre-implementation or impact bargaining. Increases to employee out of pocket expense for dependant coverage costs (premiums, co-pays, deductible levels, etc.) will be paid by the employee as long as the cost increase remains less than 15%. Should the cost of dependent coverage increase 15%, the agreement for Insurance will be reopened for collective bargaining for this article only. Should dependent coverage costs increase by more than 15%, the additional amount of the increase shall be divided equally between the City and the employee. The City will continue to pay the employee share of the City's insurance plan (medical, dental) until a successor Agreement is ratified as outlined in Paragraph 3 of this MOU.
5. That this Memorandum of Understanding shall be effective upon ratification by the Parties; and,
6. That the Parties have full legal authority to enter into this Memorandum of Understanding.
