ARTICLE 1: RIGHTS

Section 1 – 1: Purpose / Gender

It is the purpose of this Memorandum to continue and maintain harmonious relations, cooperation, and understanding between the City and its unit members; and to set forth the full and entire understanding of the parties reached as a result of a good faith meeting and conferring regarding wages, hours, benefits, terms and other conditions of employment of the unit members covered hereby, which understanding the parties intend jointly to submit and recommend for approval and implementation to the Mayor and City Council.

Whenever any words used herein are in the masculine, feminine, or neuter, they shall be construed as though they were also used in another gender in all cases where they would so apply.

Section 1 – 2: City and Management Rights

The City and the City Manager's rights are not subjugated or diminished in any way by any expressed or implied duty or obligation to meet and confer. Retained management rights are not subject to the grievance procedure contained in any memorandum of understanding, nor are they subject to any other appeal or complaint process.

The exclusive rights of the City shall include, but not be limited to, the right to determine the organization of City government, the purpose of each of its departments, and the purpose and mission of its constituent agencies, boards and commissions, to set standards of service to be offered to the public, and through its management officials to exercise control and discretion over its organization and operations, to establish rules and practices governing the conduct of unit members, to direct and supervise its unit members and their work, to take disciplinary action, to relieve its unit members from duty because of lack of work or for other legitimate reasons, to determine whether goods and or services shall be made, to determine the methods, means and personnel by which the City's services are to be provided, including the right to schedule, and assign work and overtime, to hire, transfer and reassign unit members and to otherwise act in the interests of efficient service to the community. The City reserves the right to establish and revise work schedules and work locations; to establish, revise and implement standards for hiring and promoting unit members; to determine the need for additional positions and the qualifications of new unit members and to determine the qualifications for and/or the qualifications of unit members considered for transfer and/or promotion; to evaluate and judge the skill, ability and efficiency and general work performance of unit members; to adopt and to manage its budget, provide for the funding of certain levels of service, to add, delete, modify, or suspend certain programs, functions, divisions, and departments as the City Council in the exercise of its legislative authority to create and manage the City's budget and to determine whatever action to be necessary and appropriate. Section 1 – 5: Prohibition of Strike and Lockouts

- A. The Employee Organization and the unit members covered by this Memorandum recognize and agree that rendering of services to the community cannot under any circumstances or conditions be withheld, interrupted, or discontinued, and to do so would endanger the health, safety and welfare of the citizens of the City of Chandler.
- B. The Employee Organization pledges to maintain unimpaired municipal services as directed by the City. - G. Nothing contained herein shall preclude the City from obtaining judicial restraint or from seeking damages from the Employee Organization, in the event of a violation of this Section.

ARTICLE 2: GRIEVANCE / ARBITRATION / LABOR MANAGEMENT

Section 2 – 1: Grievance Procedure

A. Informal Resolution

- 1) As a matter of good labor-management relations the parties encourage a unit member who believes that he has a bona fide grievance to discuss and attempt to resolve it with his immediate non-unit supervisor as designated by the City.
- 2) If the above informal discussion is held and does not resolve the grievance, the unit member may file a formal grievance in accordance with the following procedure.

B. Definition of Grievance

- 1) A grievance is a written allegation by a unit member, submitted as herein specified, claiming violation(s) of the specific express terms of this Memorandum for which there is no Merit Board appeal or other specific method of review provided by State or City law.

C. Procedure

1) Step 1

- a) The unit member shall reduce his grievance to writing by signing and completing all parts of the grievance form provided by the City and submit it to his immediate non-unit supervisor within fifteen (15) workdays days of the initial commencement of the occurrence being grieved. The supervisor shall further consider and discuss the grievance with the grievant and the grievant's representative, if any, as he deems appropriate, and shall, within five (5) workdays of having received the written grievance, submit his response thereto in writing to the grievant. The parties by written agreement may move the grievance to Step II of the grievance procedure.

2) Step II

- a) If the written response of the immediate non-unit supervisor does not result in a resolution of the grievance, the grievant may appeal the grievance by signing and completing the City form and presenting it to his Battalion Chief within five (5) workdays of the grievant's receipt of the supervisor's response. The Battalion Chief may investigate the grievance and may set a meeting with the grievant, and the grievant's designated representative, if any, and such other personnel as he deems appropriate to consider the grievance. Within five (5) workdays of receipt of the grievance, or after the grievance meeting, the Battalion Chief shall submit his written response to the grievance to the grievant and the grievant's representative, if any.

3) Step III

- a) If the response of the second level of review does not result in resolution of the grievance, the grievant may appeal the grievance by signing and completing the City form and presenting it to the Fire Chief within five (5) workdays of the grievant's receipt of the Step II response.
- b) The Fire Chief shall hold a meeting within five (5) workdays of receipt of the grievance regarding the grievance at which the grievant shall be afforded the opportunity to fully present his position and to be represented. Within five (5) workdays of the hearing, the Fire Chief or his designee shall submit his written response to the grievant and the grievant's representative, if any.
- c) By mutual agreement, the parties may combine steps 3 and 3.5.

4) Step 3.5

- a) After the Fire Chief's decision, but prior to review by the Grievance Committee or the arbitrator, the parties involved may mutually agree to submit the grievance to the HR Director or designee. The grievance, as originally written and the attached response from the Fire Chief must be submitted to the HR Director or designee within five (5) workdays of receipt of the Fire Chief's answer. The HR Director or designee shall within ten (10) workdays of the receipt of the grievance, meet with the Fire Chief or his designee and the unit member and his representative in an attempt to resolve the grievance. The HR Director or designee shall then submit written recommendations for resolution to the unit member and Fire Chief within five (5) workdays of the meeting.

5) Step IV

- a) If the response of the Fire Chief does not result in resolution of the grievance, the grievant may, within five (5) workdays of the Step III response, appeal the grievance by signing and completing the City form and presenting it to the Grievance Committee. The Grievance Committee shall be composed of:

Chairman – A member designated by the City Manager.

Secretary – HR Director or designee.

Member – Employee Organization President or his designee.

- b) The Grievance Committee shall schedule a hearing regarding the grievance at which the grievant shall be afforded the opportunity to fully present his position and to be represented.
- c) If the grievant and the Employee Organization jointly so elect, in writing, within the above time limit, in lieu of such hearing the grievance may be reviewed by an arbitrator. The parties, or their designated representatives, shall agree on an arbitrator, and if they are unable to agree on an arbitrator within a reasonable time, either party may request the Federal Mediation and Conciliation Service to submit to them a list of seven (7) arbitrators who have had experience in the public sector. The parties shall, within five (5) workdays of the receipt of said list, select the arbitrator by alternately striking names from said list until one name remains. Such person shall then become the arbitrator. The arbitrator so selected shall hold a hearing as expeditiously as possible at a time and place convenient to the parties, and shall be bound by the following:
 - i. The arbitrator shall be bound by the language of the Memorandum and departmental rules and regulations consistent therewith in considering any issue properly before him.
 - ii. The arbitrator shall expressly confine himself to the precise issue submitted to him and shall have no authority to consider any other issue not so submitted to him.
 - iii. The arbitrator shall be bound by applicable State and City law.
 - iv. The Grievance Committee or the arbitrator shall submit findings and advisory recommendations to the grievant and to the City Manager. The cost of the arbitrator and any other mutually incurred costs shall be borne equally by the parties.
 - v. The City Manager shall, within ten (10) workdays of the receipt of the written findings and recommendations, make the final determination of the grievance and submit it in writing to the grievant and his designated representative.

D. Time Limits

- 1) Failure of City Management representatives to comply with time limits specified in Paragraph C shall entitle the grievant to appeal to the next level of review; and failure of the grievant to comply with said time limits shall constitute abandonment of the grievance; except however, that the parties may extend time limits by mutual written agreement in advance.
- E. The Employee Organization may, in its own name, file a grievance that alleges violation by the City of the rights accorded to the Employee Organization by the specific terms of Article 1 – 3 of the Memorandum. The Employee Organization shall file such grievance at Step III of the Procedure. All other grievances must be filed and signed by a unit member, subject to the provisions of this Article.
- F. Employer grievances, should they occur as a result of official Employee Organization activities or actions, including the failure to act as required under this agreement, will be presented directly to the Employee Organization President within ten (10) days of the

occurrence prompting the grievance. The President shall in each case provide a written answer within five (5) days from receipt of the grievance.

Section 2 – 2: Labor-Management Committee

It is understood by the parties that the benefits granted by this Article shall not be interpreted or applied as requiring the employer to count as time worked, any hours or fractions of hours spent outside the unit member's work shift in pursuit of benefits provided by this Article. The employer shall count as time worked any hours or fractions of hours spent within the unit member's regular work shift in pursuit of benefits provided by this Article.

- A. There shall be a Labor-Management Committee consisting of two (2) representatives of the Employee Organization and two (2) representatives of the City and the City's HR Director or designee who shall be the Chairperson. The purpose of the Committee is to facilitate improved labor-management relationships by providing a forum for free and informal discussion of mutual concerns and problems.
- B. The Committee shall meet, when necessary, at mutually agreed upon times.
- C. If the representative of the Employee Organization is a unit member, such representative shall not lose pay or benefits for meetings mutually scheduled during duty time.

ARTICLE 3: COMPENSATION AND WAGES

Section 3 - 1: Wages

A. Pay Schedule

- 1) Engineer salary range shall start at five percent (5%) over a top of the range Firefighter.
- 2) Captain salary range shall start at five percent (5%) over a top of the range Engineer.
- 3) Unit members assigned as Paramedics shall receive compensation of fifteen percent (15%) of base Firefighter.
- 4) Unit members assigned as Special Operations shall receive compensation of seven and one-half percent (7.5%) of base Firefighter.
- 5) Unit members, eligible for Bilingual Pay in accordance with the City's Bilingual Pay Policy Program, shall continue to receive a pay incentive of \$1,200 annually (paid in 26 equal installments) for proficiency at least at an "Intermediate high" level or \$600 annually (paid in 26 equal installments) for proficiency at least at an "Intermediate low" level.

B. Merit

The City will continue the current practice of annually awarding on-going merit increases of up to 5% merit increase, effective on the first day of the pay period in which the date of the unit member's current job classification falls, until the unit member is at the top of his pay grade.

The City made funds available to fund merit increases of up to 4.0% for eligible unit members during FY 11/12. Any merit increase will become effective the first day of the pay period which includes the date of the eligible unit member's current job classification.

C. Special Merit Pay

In recognition of continuous service and overall performance, the City agrees to the following performance pay formula for unit members:

- 1) On the unit member's date of classification (classification date) a unit member who is at the top of the pay range of his/her classification and who meets the additional qualifications specified in this article shall receive a two (2%) percent special merit pay adjustment to be paid in two (2) equal installments with the unit member being eligible for the first installment during the pay period of the date of classification and the second installment during the pay period six (6) months after the initial payment.
- 2) Qualifications:
 - a. A unit member must have completed at least one (1) year of continuous full-time service at the top step in his/her classification.
 - b. A unit member must have achieved the overall performance rating as satisfactory or better on his/her latest scheduled performance evaluation on file in the Human Resources Department.
 - c. A unit member must have performed an "added value" agreed to by the Labor/Management Committee.

Section 3 - 2: Overtime

- A. A regularly recurring 24-day FLSA work period shall be established and will apply to unit members assigned to Operations and employed in fire protection activities (excluding those on a 40-hour per week staff assignments).
- B. The parties understand that the work period and the pay period do not coincide. They anticipate that the hours worked each 24-day work period will be stable but the hours worked in each pay period will fluctuate. Unit members' preference is to have their pay be as consistent as possible each pay period. Accordingly, unit members covered by the 24-day work period shall receive a fixed bi-weekly "salary" equivalent to [112.31] hours at the member's adjusted hourly rate of pay. The fixed salary is intended to compensate each unit member for all hours worked during each pay period. If a member does not work all of his or her scheduled duty hours during the pay period, the time scheduled but not worked shall be deducted from the member's available banks of accrued leave or compensatory time, as appropriate.
- C. Unit members shall receive additional overtime premium at the rate of one-half (1/2) of the unit member's regular rate of pay for all time worked in accordance with the established work schedule in excess of 182 hours during each 24-day work period ("Scheduled FLSA Overtime"). Members are paid an overtime premium of one-half the regular rate of pay for working the Scheduled FLSA Overtime hours because members have already received compensation for the hours at the straight time hourly rate under the fixed salary described under B, above, and 29 C.F.R. § 778.114.
- D. Unit members will be paid their overtime premium for Scheduled FLSA Overtime worked in each 24-day work period in the paycheck associated with the end of that 24-day work period.

- E. Unit members who are assigned to be and are on duty beyond their scheduled standard work shifts shall be compensated for such additional assigned overtime work at one and one-half (1 ½) times their adjusted hourly rate (“Additional Overtime”). Unit members on either the 24-day work period or the standard 40-hour workweek shall be compensated after the first seven (7) minutes of assigned and worked Additional Overtime calculated to the nearest one-quarter (1/4) hour. Additional Overtime is a bargained-for benefit under this MOU and exceeds any overtime obligation imposed by the FLSA. Additional Overtime hours and pay are not included in the computation of the regular rate or the overtime threshold for purposes of Scheduled FLSA Overtime. Unit members will be paid for Additional Overtime in the paycheck associated with the pay period in which the Additional Overtime was worked.
- F. Paid vacation, paid sick leave, paid military leave, paid bereavement leave, holiday leave and safety day leave shall be counted as hours worked for credit toward overtime calculations.

Section 3 - 3: Call Back Pay

- A. Call back time shall be at a minimum of one (1) hour at one and one-half (1 ½) times the unit member’s regular rate of pay after the first seven (7) minutes calculated to the nearest one-quarter (1/4) hour.

Section 3 - 4: Day Positions

- A. Unit members assigned by the Fire Chief to staff assignments in authorized staff positions (40 hours) will be entitled to 5% assignment pay if such assignment is to exceed two consecutive pay periods, and shall continue to receive such assignment pay for the duration of such assignment. This provision shall not apply to unit members assigned to restricted duty. Unit members assigned to authorized forty (40 hour) staff assignments and who are receiving assignment pay in their regular assignment shall be eligible for Paramedic assignment pay or Special Operations assignment pay depending on assignment. Members assigned to restricted duty shall continue to receive holiday pay and FLSA for the duration of their limited duty assignment, irrespective of their actual work hours.

Section 3 - 5: Working Out-of-Classification

- A. Unit members assigned to work out of classification for two (2) pay periods shall be paid in accordance with Personnel Rule 3, Section 5 (temporary detail).
- B. Unit members who are assigned to work as a move up Engineer or move up Captain shall be assigned an out of class assignment pay if the assignment is for 4 hours or greater.
- C. Move up Engineers assignment pay shall be five percent (5%) of the top of range Firefighter base salary. (Engineer base – top of range Firefighter pay = Engineer move up pay).
- D. Move up Captains assignment pay shall be five percent (5%) of the top of range Engineer base salary. (Captain base – top of range Engineer = Captain move up pay).

Section 3 - 6: Deferred Compensation

- A. The City shall contribute 2% of each unit members bi-weekly gross pay per pay period to the City's deferred compensation plan when the unit member contributes a minimum of \$10 per pay period into the City's deferred compensation plan.

ARTICLE 4: HOURS OF WORK / WORKING CONDITIONS

Section 4 - 1: Hours of Work

- A. For unit members assigned to Operations and employed in fire protection activities (excluding those on 40-hour per week staff assignments):
- 1) Duty shifts shall continue to be 24 consecutive hours in duration. Each duty shift shall commence at 0800 hours and continue until 0759 hours the following day.
 - 2) The standard duty schedule shall consist of two consecutive 24-hour shifts (48 hours) on duty followed by four consecutive 24-hour shifts (96 hours) off duty ("48/96 work schedule"). Unit members on the 48/96 work schedule work an average of 56 hours per week or 112 hours per two-week pay period. The 48/96 work schedule results in 10 hour of scheduled overtime per 24-day work period. Changes to a unit member's duty schedule are within the discretion of the Fire Chief or designee.

The work hours and schedule of unit members assigned to the 40-hour schedules shall be at the discretion of the Fire Chief.

ARTICLE 5: BENEFITS

Section 5 – 1: Health Insurance

- A. Beginning with the medical plan year of January 1, 2011, the City will pay 85% and the employee will pay 15% of the cost of the monthly premium of the City's medical insurance benefit.
- B. Beginning with the medical plan year of January 1, 2012, the City will pay 82% and the employee will pay 18% of the cost of the monthly premium of the City's medical insurance benefit.

Section 5 – 2: Dental Insurance

- A. For the term of this Memorandum the City will pay 100% of the dental insurance premium for employee only coverage; 70% for employee plus one and 50% for employee plus two coverage.

Section 5 – 3: Health Insurance Trust Fund

- A. The City will contribute twenty-five dollars (\$25) per unit member, per pay period, into a fund for the purpose of providing a monthly stipend for retirees to apply to the costs of their health and/or dental insurance, medical and dental co-pays, prescriptions, cancer benefits for active members not covered by the Public Safety Retirement System's cancer insurance and other benefits as the Trustees may determine. This contribution will be matched by a twenty-five dollars (\$25) per pay period contribution to the same fund by each unit member.

- B. The trust fund shall be managed and administered by a board to be mutually agreed upon by both parties.
- C. The fund shall be invested in prudent, protected investments in compliance with applicable State and Federal laws. The Fund Managers may seek such outside advice and consultation, as they deem appropriate.
- D. The Fund Managers may adopt such rules and regulations as they deem appropriate and are authorized to secure a formal trust instrument. The City Manager and the Employee Organization must specifically approve the trust instrument, and any amendments there to before they can become effective.
- E. Sums contributed to the trust shall be divided into two (2) equal parts.
- 1) The members contribution, together with all of the interest received from the entire fund, shall be considered the first part and shall be available for distribution as follows:
 - All retired members shall be eligible to receive an amount to be determined by an actuarial analysis on a monthly basis to assist them with their insurance premiums.
 - In each month any sums remaining in the first part, after the distributions, along with another twenty five dollars (\$25) per member per pay period, shall pour-over into the second part and be treated as hereinafter specified for "second part funds." Second part funds other than interest generated from the funds, shall be for investment purposes only and are not to be used to provide direct benefits to active or retired members.
 - A member who separates from the bargaining unit and then returns as a bargaining unit member may apply to the fund managers for membership as a fund participant. To become eligible, the member must pay to the fund an amount equal to his contributions and the City's contributions for the entire period, which he was out of the bargaining unit, but not for any time prior to the start up for the fund. This amount is in addition to regular bi-weekly contributions by the member and the City.
 - In addition to health insurance premiums, the monthly stipend may also be used to pay for co-payments for doctor visits and hospital stays, dental expenses, prescriptions and eye care.
 - 2) The second part shall be the main corpus of the trust and shall be invested and managed as specified in Section B of this Article.
- F.
