ARTICLE 1 -RECOGNITION/PREAMBLE

1.1 By resolution of the City Council of the City of Costa Mesa and pursuant to the provisions of the Meyers-Milias-Brown Act, Section 3500 et. seq. of the California Government Code, the City of Costa Mesa (hereinafter called the "City") has recognized the Costa Mesa Fire Association (hereinafter called the "Association" or "CMFA") as the exclusive representative and agent for collective bargaining of the sworn members of the City of Costa Mesa Fire Department (hereinafter "Department" or "Fire Department") in the unit of representation consisting of the job classifications of Firefighter, Fire Engineer and Fire Captain, excluding all non-sworn Fire Department employees. The Association and the City are the Parties to this agreement and are jointly recognized herein as "The Parties."

1.2 This Memorandum of Understanding (MOU) has been prepared by representatives of the City and representatives of the Association who have met and conferred in good faith, examining a number of proposals and counter proposals concerning wages, hours of employment, fringe benefits and other terms and conditions of employment for the said sworn employees of the Fire Department defined in Section 1.1.

1.3 It is the mutual understanding of the City and Association that this MOU shall be submitted to the Costa Mesa City Council with the joint recommendation of the parties that the terms of this MOU be adopted and that said City Council will take such other action as may be needed to implement its provisions.

1.4 The City and the Association hereby acknowledge that the terms and conditions of this MOU may not cover all of the terms and conditions of employment applicable to a member of the unit of representation covered by this MOU. These parties further acknowledge that any term or condition of employment which is not expressly covered herein, but is covered by existing ordinances, resolutions, policies and regulations of the City, including the Personnel Rules and Regulations presently in effect shall be controlled by the existing provisions of said ordinances, resolutions, policies and regulations to the extent that said policies and regulations do not change, abrogate, modify or amend any express term of this MOU.

1.5 The wages, hours and other terms and conditions of employment currently in effect for the job classifications covered herein shall remain in effect unless modified, amended or deleted by this MOU or subsequent MOUs, or unless a tribunal of competent jurisdiction holds that any part of this MOU is found to be insufficient, in conflict or inconsistent with other laws or contractual obligations of the Parties, or otherwise held to be invalid, unlawful or unenforceable, in which case such part or provision, and only such part or provision, shall be severed from this MOU or shall be suspended or superseded by such applicable laws and regulations. If such legal severance invalidates a benefit defined herein, said benefit shall be replaced by an item or alternative benefit of comparable value to the extent allowed by law. The Parties shall meet and confer in good faith to determine the replacement, or if any replacement is possible.

1.6 The Parties hereby agree that all of the material terms and conditions of previous MOUs are hereby superseded by the adoption of this MOU.

1.7 For the term of this MOU, neither party shall be compelled to meet and confer with the other concerning any issue within the scope of representation of the Association. Each Party to this MOU hereby expressly waives its right to demand that the other Party meet and confer concerning any issue within the scope of representation of the Association. However, nothing in this MOU shall prohibit these Parties from exploring the possibility of amending this agreement over any issue within the scope of representation of the Association, if, and only if, both Parties hereto mutually agree to do so.

1.8 Continuous uninterrupted and efficient service to the community of Costa Mesa by the City and its employees, and orderly employer-employee relations are essential considerations of this MOU. Accordingly, the Association agrees on behalf of itself and its members, individually and collectively, that there shall not be any strikes, non-informational picketing, boycotting, work stoppages, slow-down strikes or any other concerted job actions constituting refusal to render services, including overtime or any other curtailment or restriction of work and services at any time during the term of this MOU.

1.9 The Association recognizes its duty and obligation to comply with the provisions of Section 1.8 of this MOU and to make every reasonable effort to assure that all employees covered by this MOU similarly do so. In the event of any concerted activity by employees in violation of the provisions of Section 1.8, the Association hereby agrees to direct its members to cease said action or conduct forthwith. No employee covered by this MOU shall be entitled to any benefits or wages whatsoever while engaged in activities prohibited by Section 1.8 of this MOU.

1.10 Except as modified by this agreement, all rights to manage, organize, direct and control the City's Fire Department are retained exclusively by the City and its management personnel.

ARTICLE 2 - TERM OF AGREEMENT

2.1 **TERM** - The MOU will commence upon adoption by the City Council in 2017, and will expire on June 30, 2021.

ARTICLE 3 - BASIC SALARIES AND WAGES

3.1 **COMPENSATION** - Employees covered by this Agreement shall be compensated at the established monthly base salary rates under the Basic Pay Schedule for sworn fire personnel. All positions under this Schedule shall be assigned a range number established by the City Council resolution.

3.2 **SALARY ADJUSTMENTS** - Salary adjustments for each classification will be implemented as follows:

Increase of 3% upon adoption of the MOU
Increase of 3% inclusive of the pay period of January 1, 2018
Increase of 3% inclusive of the pay period of July 1, 2018
Increase of 3% inclusive of the pay period of January 1, 2019

3.3 **MANDATORY DIRECT DEPOSIT** - All association employees shall be required to enroll in payroll direct deposit. Paychecks will be electronically paid to an employee's bank account. Upon separation, employees will be paid with a physical paycheck that will be held in the Human Resources Division.

ARTICLE 4 - PROMOTIONS

4.1 **RATE OF PAY** - Current administrative regulations provide that when an employee is promoted that the promotee shall be placed at a step within the appropriate salary range for the new classification that pays at least 5% higher than the rate of pay earned prior to the promotion, provided that the promotee's new rate of compensation does not exceed the top step of the new position's appropriate salary range. In making this determination, "the rate of pay earned prior to the promotion" shall include any paramedic assignment payments to any Firefighter who is receiving such assignment pay and who is promoted to Fire Engineer.

ARTICLE 5 - HEALTH INSURANCE

5.1 **IRS SECTION 125 BENEFIT PLAN** - The City shall provide the amount listed below toward the payment of premiums under an IRS Section 125 Benefit Plan. Core benefits include life and long term disability insurance. Medical insurance is a required core benefit which a City employee is required to carry if a City employee is not covered by another medical insurance plan with comparable coverage at the end of the open enrollment period.

5.2 **PEMHCA** - The City contracts with the California Public Employees' Retirement System ("PERS") for medical insurance. The City will contribute the PERS statutory minimum on behalf of each participant in the program, which is included in the City's Contribution to the flexible benefit account described below. Eligible employees may select any of the medical insurance plans offered by CalPERS.

5.3 **CONTRIBUTION AMOUNT** - The City's contribution towards each employee's flexible benefit account is as follows: Effective on the first day of the month following City Council approval of this MOU – two thousand one hundred and nineteen dollars (\$2,119.00) per month. This amount is inclusive of the CalPERS statutory minimum amount for each year.

5.4 **WAIVER OF INSURANCE/ CASH BACK FROM THE CITY** - An employee who elects to opt out of medical coverage offered by the City must be able to provide proof of minimum essential coverage ("MEC") through another source (other than coverage in the individual market, whether or not obtained through Covered California).

Any employee in the unit who either opts out of health insurance or selects benefits which cost less than the dollars contributed by the City to each employee for flexible benefits as provided in Article 5.3 above (\$2,119 per month) can receive up to a maximum of one thousand and sixty dollars (\$1,060) as cash.

5.5 **QUALIFICATION FOR FLEX CONTRIBUTION** - Employees must receive compensation for the entire pay period to receive the flexible benefit contribution amount. Use of accrued leave qualifies as compensation for this purpose. Employees will be ineligible for the flexible benefit contribution if the employee records absence without pay hours within the pay period. Catastrophic illness leave donations to employees will not meet the qualifications for the flex contribution. Disciplinary actions will not disqualify an employee from receiving the flex contribution. This provision shall not apply to a pay period during which an employee has exhausted all paid leave benefits. Its application shall take effect the following pay period.

ARTICLE 6 - RETIREMENT

6.1 **CALPERS** The City contracts with CalPERS for retirement benefits. The definitions of "new member" and "classic member" are set forth below:

A. For "Classic Member" Employees

For employees hired on or after December 31, 2012 who are classic members as defined, the City contracts with CalPERS to provide the 2% at 50 retirement formula (Tier 2) as set forth in California Government Code Section 21362.
2. Retirement Benefit Calculation Period: The City's contract with CalPERS provides for the "Single Highest Year" retirement benefit for which "classic member" employees hired prior to December 31, 2012 in the unit are included per Government Code section 20042. The retirement benefit is based on the highest annual compensation for the one year during the employee's membership in CalPERS. For employees hired on or after December 31, 2012 who are classic members as defined, final compensation will be based on the highest annual average compensation earnable during the three consecutive years of employment immediately preceding the effective date of his or her retirement or any other three consecutive year period chosen by the employee as set forth in Government Code section 20037.
3. Payment of Employee/Member Contribution:
 - a. Tier 1 Employees Subject to the 3% @50 formula:
 - i. Effective at the beginning of the pay period following City Council approval of this MOU, these employees will pay three percent (3%) compensation earnable towards their CalPERS member contribution. The City pays and reports six percent (6%) as an Employer Paid Member Contribution (EPMC) under Government Code section 20636(c)(4) pursuant to section 20691.

- ii. Effective at the beginning of the pay period which includes January 1, 2018, these employees will pay six percent (6%) compensation earnable towards their CalPERS member contribution. The City pays and reports three percent (3%) as an Employer Paid Member Contribution (EPMC) under Government Code section 20636(c)(4) pursuant to section 20691.
- iii. Effective at the beginning of the pay period which includes July 1, 2018, these employees will pay the full nine percent (9%) CalPERS member contribution as compensation earnable towards their CalPERS member contribution. The City shall pay and report zero percent (0%) as an Employer Paid Member Contribution (EPMC) under Government Code section 20636(c)(4) pursuant to section 20691.

b. Tier 2 Employees Subject to the 2% @50 formula:

- i. These employees pay their 9% CalPERS Member Contribution. The City pays and reports zero percent (0%) as an Employer Paid Member Contribution (EPMC) under Government Code section 20636(c)(4) pursuant to section 20691.

The City has adopted the CalPERS resolution in accordance with IRS Code section 414(h)(2) to ensure that the employee contribution is made on a pre-tax basis.

4. Cost Sharing:

- a. Employees in tier 1 subject to the 3% @50 formula pay an additional five percent for cost sharing into their employee account with PERS in accordance with Government Code section 20516(a).
- b. Employees in tier 2 subject to the 2% @50 formula pay additional retirement contributions into their employee account with PERS as cost sharing as follows:
 - i. Effective at the beginning of the pay period following City Council approval of this MOU, these employees will pay three percent (3%) compensation earnable as cost sharing in accordance with Government Code section 20516(a).
 - ii. Effective at the beginning of the pay period which includes January 1, 2018, these employees will pay an additional two percent (2%) compensation earnable (for a total of five percent (5%)) as cost sharing in accordance with Government Code section 20516(a).

B. For “New Members” (Tier 3) As Defined By the Public Employees’ Pension Reform Act of 2013 (PEPRA)

- 1. Retirement Formula: Unit members who are defined as “new members” under the PEPRA, are covered by the 2.7% @ 57 formula provided for by the Public Employees’ Retirement Law at Government Code section 7522.25(d).
- 2. Retirement Benefit Calculation Period: For unit members defined as “new members” under the PEPRA such employees’ final compensation will be based on the highest annual average compensation earnable during the three consecutive years of employment immediately preceding the effective date of his or her retirement or any other three consecutive year period chosen by the employee as set forth in Government Code section 7522.32(a).
- 3. Payment of Employee/Member Contribution: New member employees are responsible for paying the employee contribution of one-half of the total normal cost of the plan, as defined by CalPERS, through a payroll deduction. This amount will be determined by CalPERS in the future. The City has adopted the CalPERS resolution in accordance with IRS Code section 414(h)(2) to ensure that the employee contribution is made on a pre-tax basis.

4. Cost Sharing:

- a. Employees who are defined as “New Members” by the PEPRA and who subject to the 2.7% @ 57 formula pay additional retirement contributions as cost sharing as follows:
 - i. Effective at the beginning of the pay period following City Council approval of this MOU, these employees will pay one and one quarter percent (1.25%) compensation earnable as cost sharing in accordance with Government Code section 20516(f).
 - ii. Effective at the beginning of the pay period which includes January 1, 2018, these employees will pay an additional one and one quarter percent (1.25%) for a total of two and one half percent (2.50%) compensation earnable as cost sharing in accordance with Government Code section 20516(f).
- b. Notwithstanding subparagraph 4(a) above, subsequent to January 1, 2018, the cost share payment for PEPRA employees will fluctuate if the normal cost rate changes. If the half the normal cost rate reduces below 11.50%, the cost share (per Government Code section 20516(f) will go up so that when combined with the half the normal cost rate, the employee is paying a total of 14% for retirement. If the half the normal cost rate increases above 11.50%, the cost share (per Government Code section 20516(f) will go down so that when combined with the half the normal cost rate, the employee is paying a total of 14% for retirement. If the half the normal cost rate goes above 14%, there will be no cost share payment due from the PEPRA new member (Tier 3) employees. Rather, the employee will just pay the applicable half the normal cost rate as determined by CalPERS.

6.2 CalPERS CONTRACT - The City will continue to provide pension benefits to represented employees in accordance with the CalPERS contract in effect on the effective date of this MOU. The City's contract with CalPERS for fire safety employees includes the following options:

If an employee separates from the service of the City and has been paid for holiday pay in advance of the date(s) or day(s) the holidays actually occurred, the City will deduct the cash value for the holiday benefits paid, but unearned at the time of separation from the employee's final paycheck.

9.2 **SECOND LEVEL OF PROFICIENCY** - There is a second level of proficiency, designed for employees who are capable of "speaking only" and who shall receive 2.5% of top step Fire Engineer salary. Testing procedures will be determined and administered by the City. This level of proficiency is not intended to replace the "higher" 5% level of proficiency or to "demote" employees currently receiving that level of benefit providing they maintain appropriate proficiency.

ARTICLE 10 - LEAVE REPLACEMENT AND OVERTIME PAY

10.1 **FLSA WORK PERIOD** - The parties acknowledge and agree to document that the City has adopted a work period pursuant to 29 U.S.C. section 207(k) and 29 C.F.R. section 553.230(a) for CMFA members and that the work period is 28 days. Members will not be entitled to overtime under the Fair Labor Standards Act until they have worked more than 212 hours in this work period. Firefighters on light duty are not subject to this work period.

10.2 **OVERTIME COMPENSATION** - Neither sick leave, vacation leave nor hours off of work on leave in accordance with Labor Code section 4850 shall be regarded as hours worked for FLSA accounting purposes.

10.3 **OVERTIME IF AN EMPLOYEE IS FORCE HIRED** - Notwithstanding Articles 10.1 and 10.2, the parties agree that an employee who is force hired (i.e., when an employee without availability is required (forced) to work) to work an overtime shift shall be entitled to receive overtime compensation at the regular rate of pay for the force hired hours of the shift subject to the following:

Starting on October 15, 2017 and continuing every three months on the date of the month when scheduling is done for the following month by a Division Chief, the Division Chief will evaluate the overtime shifts worked in the prior three months. First, the Division Chief will determine the number of overtime shifts worked in the previous three months by members of the Association. Second, the Division Chief will determine how many of those overtime shifts were shifts where the employee was force hired. The Division Chief will then determine the percentage of overtime shifts (during that three month period) which were force hired. If the number of force hired shifts was 25% or less for that three month period, for the following three month period from the date calculation is made by the Division Chief, all force hire shifts shall be paid at the overtime rate of time and one half times the regular rate of pay regardless of whether the employee's hours worked exceeded the FLSA overtime threshold set forth in Article 10.1. However, if the number of force hired shifts was more than 25%, during that three month period, for the following three month period from the date calculation is made by the Division Chief, a force hired overtime shift will not cause the employee to receive overtime except if any or all of the hours worked cause the employee's hours worked to exceed the FLSA overtime threshold set forth in Article 10.1. In that case, the hours in excess of the overtime threshold will be paid at the overtime rate of time and one half times the regular rate of pay.

10.4 **CALL-BACK** - Anytime an off duty employee is required to report for duty for staffing level requirements, emergencies, disasters, fire investigation responsibilities, or other department-related needs, that employee shall receive a minimum of two (2) hours at one and a half times the employee's base salary rate. This does not apply to early reporting or "hold-overs".

ARTICLE 11 – UNIFORM MAINTENANCE ALLOWANCE

11.1 The City provides uniforms for employees represented by the Association who are classic members as defined by the Pension Reform Act of 2013 (PEPRA). The City will continue to replace, repair and maintain uniforms worn in the line of duty. The average cost of the uniforms/uniform allowances are reported as special compensation for retirement calculation purposes and is currently reported as \$17 per pay period.

ARTICLE 12 - STAFFING LEVELS AND WORK SCHEDULE

12.1 **STAFFING** - Any and/or all provisions of Appendix E (memo dated July 6, 2012, revised August 10, 2012 entitled Fire Department Operational Restructuring) shall be subject to change based upon concurrence of the Fire Chief and the Chief Executive Officer. Although the Fire Chief and/or Chief Executive Officer shall solicit and consider Association perspectives regarding any such contemplated change, the solicitation and consideration of Association perspectives shall not be governed by the requirements of Government Code § 3500 *et seq.*, the Meyers-Milias-Brown Act. Therefore, the Association clearly, knowingly, and unequivocally waives its rights to engage in the meet and confer process as a condition precedent to any changes to Appendix E.

ARTICLE 13- BENEFIT REVIEW COMMITTEE

13.1 **BENEFIT REVIEW COMMITTEE** - CMFA shall maintain two representatives on the City's Benefit Review Committee. The Committee continually evaluates the City's benefit programs and makes recommendations on plan changes, benefit levels, payroll deductions and the addition or deletion of plans. Participation on the Benefit Review Committee meets the City's obligation to negotiate with CMFA on changes to the City's group benefit plans unless CMFA determines that such changes are detrimental to the interest of its members.

ARTICLE 14 - LABOR/MANAGEMENT MEETINGS

14.1 **TWICE PER YEAR** - The City and CMFA agree to meet as needed not more than twice in a calendar year to discuss issues of mutual interest.

The zeroing of the hours pool shall occur annually from the members' vacation bank hours. This zeroing shall occur at the end of the pay period closest to July 1, in which all three (3) shifts normally reach zero. For "Exchanges of Time"; there will be an upper and lower threshold range of 96 hours up and 96 hours down for "open ended trades." Should an employee be "outside" of this range, their ability to trade will be suspended until their trade status is back within range. Three times per year (one month prior to the zero out dates) there will be a report generated to ensure that no employee is outside of this range. This report will be given to the Battalion Chief or his/her designee to ensure compliance. Open ended is defined as no payback day is scheduled.

ARTICLE 16 - TUITION REIMBURSEMENT

16.1 **PASSING GRADE** - Tuition, certification fees, and textbook costs involved in educational courses which may be taken by an employee and which pertain to his/her City employment, shall be reimbursed to said employee by the City. The employee participating must achieve a passing grade of a "C" or better, Credit/No Credit or a Certificate of Completion and should see that the Human Resources Manager receives a copy, where appropriate, of the employee's grade(s) before any reimbursement.

16.2 **REIMBURSEMENT AMOUNT** - The City will reimburse up to a maximum of \$1,250 per fiscal year (\$1,500.00 effective January 1, 2018) for qualifying expenses.

16.3 **ELIGIBLE CLASSES** - Eligible classes that pertain to an individual's City employment will include those that are job-related or those needed to complete a degree program. All courses or seminars related to any of the approved categories in the Certification Program are eligible for reimbursement.

16.4 **REQUIRED APPROVAL** - All claims for tuition reimbursement require the approval of Fire Administration before receiving the funds.

ARTICLE 17 - SPECIALTY ASSIGNMENT PAY

17.1 **PARAMEDIC PAY** - Applicable to Fire Department personnel when assigned to the Mobile Intensive Care Division as follows:

- 12.50% above the monthly pay step of Firefighter after the second license renewal as a City employee
- 13.75% above the monthly pay step of Firefighter after the third license renewal as a City employee

State Mandated Change - Any employee receiving Paramedic certification pay will not be adversely affected should the State mandate a change in the duration of the license renewal period. Paramedics will receive the same incremental increases for license renewals.

Bonus - The City will pay a \$500 bonus for the fourth and each and every subsequent license renewal.

ARTICLE 18 - FIRE ADMINISTRATION ASSIGNMENT

18.1 **PAY FOR ASSIGNMENT** - Any employees in the job classification of Firefighter, Fire Engineer and Fire Captain shall be entitled to compensation in the amount of 10% over the assigned rate for his or her classification when permanently assigned by the Fire Chief to a 40-hour administrative assignment workweek.

ARTICLE 19 - ASSOCIATION VACATION BANK

19.1 **CMFA HOURS BANK** - The City agrees to maintain a vacation bank to be administered by the CMFA Board of Directors. The bank will be comprised of hours voluntarily donated by Association members. The City will notify CMFA when this bank reaches a positive balance in excess of \$30,000.00 or a negative balance of \$5,000.00 so donations can be appropriately adjusted.

ARTICLE 20 - SICK LEAVE INCENTIVE PROGRAM

20.1 **ACCUMULATION LIMITS** - Employees may accumulate up to a maximum of 672 hours of sick leave credit in a Primary Sick Leave Bank for each employee covered hereunder. Upon reaching this maximum number of accumulated sick leave hours, the employee's biweekly benefit of 6.72 hours will be distributed in the following manner:

The arbitrators shall be registered with the American Arbitration Association, California State Conciliation Service or some other agreed upon source. If a new list of arbitrators is not certified prior to February 28th of each calendar year, then the previous year's list of arbitrators will be carried over.
- c. Within seven (7) calendar days of the employee's request for an arbitration appeals hearing, each party will strike three names from the established list. If a mutual agreement cannot be reached between the parties as to the selection of an arbitrator from the remaining four, the matter will be heard by the first available arbitrator who fits within the time frames of the process. The party to have the first opportunity to strike a name from the list of ten arbitrators shall be determined by lot. The priority of striking names shall alternate from one party to the other each time advisory arbitration is invoked by the same parties.
- d. The selected arbitrator shall serve as the hearing officer.
- e. Where practicable, the date for a hearing shall not be less than 20 calendar days, nor more than 60 calendar days, from the date of the filing of the appeal with the Administrative Services Director. The parties may stipulate to a longer or shorter period in which to hear the appeal. All interested parties shall be notified in writing of the date, time, and place of hearing and the identity of the hearing officer to whom the matter has been assigned.
- f. All hearings shall be private, however, the employee may request to open the hearing to the public.
- g. Subpoenas and subpoenas duces tecums pertaining to a hearing shall be issued at the request of either party to the Hearing Officer, not less than seven (7) calendar days, prior to the commencement of such hearing. After the commencement of such hearing, subpoenas shall be issued only at the discretion of the hearing officer.
- h. The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules that might make improper admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded. The hearing officer shall not be bound by technical rules of evidence. The hearing officer shall rule on the admission or exclusion of evidence.

- i. Each party shall have these rights: To be represented by legal counsel or other person of his/her choice; to call and examine witnesses; to introduce evidence; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him/her to testify; and to rebut the evidence against him/her. If the employee does not testify in his/her own behalf, he/she may be called and examined as if under cross-examination. Oral evidence shall be taken only on oath or affirmation. A court reporter will be engaged to record the hearing, unless the parties (City, hearing officer, employee/employee representative) mutually agree that same is not necessary.
- j. The hearing shall proceed in the following order, unless the hearing officer, for special reason, otherwise directs:
 - 1. The party imposing discipline shall be permitted to make an opening statement;
 - 2. The appealing party shall then be permitted to make an opening statement;
 - 3. The party imposing disciplinary action shall produce the evidence on his/her part; the City bears the burden of proof and burden of producing evidence;
 - 4. The party appealing from such disciplinary action may then open his/her defense and offer his/her evidence in support thereof, the employee bears the burden of producing evidence for any affirmative defenses asserted;
 - 5. The parties may then, in order, respectively offer rebutting evidence only, unless the hearing officer for good reason, permits them to offer evidence upon their original case;
 - 6. Closing arguments shall be permitted and written briefs may be permitted at the discretion of the hearing officer.
- k. The hearing officer shall determine relevancy, weight, and credibility of testimony and evidence. He/she shall base his/her findings on the preponderance of evidence. During the examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing unless the hearing officer, in his/her discretion, for good cause, otherwise directs. No still photographs, moving pictures, or television pictures shall be taken in the hearing chamber during a hearing. The hearing officer, before or during a hearing, may grant a continuance for any reason he/she believes to be important to reaching a fair and proper decision. The hearing officer shall render his/her judgment as soon after the conclusion of the hearing as possible and in no event later than 30 days after conducting the hearing, absent a stipulation from the parties that a longer period of time is warranted. His/her decision shall set forth which charges, if any, are sustained and the reasons therefore. The opinion shall set forth findings of fact and conclusions.
- l. The hearing officer may recommend sustaining or rejecting any or all of the charges filed against the employee. He/she may recommend sustaining, rejecting, or modifying the disciplinary action invoked against the employee. He/she may not recommend discipline more stringent than that issued by the department director.
- m. The record of the administrative hearing and the hearing officer's opinion and recommendation shall be filed with the City Manager or designee, with a copy sent to the charged employee, and the Administrative Services Director and shall set forth his/her findings and recommendations. If it is a dismissal hearing and a dismissal is not the hearing officer's recommendation, the opinion shall set forth the date the employee is recommended to be reinstated and/or other recommended action. The reinstatement date, if appropriate, may be any time on or after the date of disciplinary action.
- n. The City Manager or designee shall read the administrative record of the hearing, review the hearing officer's opinion and recommendation and then render a decision on the appeal within thirty days of the filing of said opinion and recommendation. The decision of the City Manager or designee shall be final

and conclusive. Copies of the City Manager or designee's decision, shall be filed where appropriate, including the employee's personnel file, unless no discipline is upheld by the City Manager or designee.

- o. The City shall bear the cost to the parties for the facilities, fees and expenses of the hearing officer if the hearing officer is not an employee of the City. These fees also include the fee of the court reporter and the costs of preparing the transcripts of the hearing. Each party shall bear its own witness and attorney fees. If either party unilaterally cancels or postpones a scheduled hearing, thereby resulting in a fee charged by the hearing officer or court reporter, then the party responsible for the cancellation or postponement shall be solely responsible for payment of that fee. This process may not apply to mutual settlements by the parties that result in an arbitration fee.
- p. In the case of suspension, demotion, reduction in salary, or dismissal prescribed by the City Manager or designee, the time of such discipline shall relate back to the date the employee was disciplined or after delivery of the City Manager or designee's decision if discipline was stayed pending the arbitration hearing. If the City Manager or designee's decision results in a reduction or elimination of a recommended loss of pay, the pay loss shall be restored to the employee.
- q. In the cases of appeals from suspensions and reductions in pay, the hearing shall be conducted by the City Manager or designee. The employee shall bear none of the costs of the facilities, the hearing officer or other costs incurred by the City.
- r. The provisions of Sections 1094.5 and 1094.6 of the Code of Civil Procedure shall be applicable to proceedings under this section, including the appeal of the City Manager or designee's final determination into the California Court System, which must be made in accordance to the time standards and procedures established by Section 1094.5 and 1094.6 of California's Code of Civil Procedure.

DRUG AND ALCOHOL POLICY PURSUANT TO THE DEPARTMENT OF TRANSPORTATION REGULATIONS

(To be reviewed for compliance with DOT and DMV regulations during the term of the contract)

I. Purpose

Effective January 1, 1996, the City of Costa Mesa must comply with the United States Department of Transportation regulations implementing the Federal Omnibus Transportation Employee Testing Act of 1991. Specifically, the City complied with the regulations of the Federal Highway Administration (FHWA). Adoption of a policy was one of the City's obligations under the regulations.

Though not required by the Federal Omnibus Transportation Employee Testing Act of 1991, the City of Costa Mesa has established a separate policy that sets forth the rights and obligations of employees in the classification of Fire Engineer and all probationary firefighters (covered employees). If you are a Fire Engineer or probationary employee covered by these new requirements, you should familiarize yourself with the provisions of this policy because compliance with this policy is a condition of your employment as a Fire Engineer or probationary employee.

II. Definitions

- A. Controlled Substance – Those drugs that are required by Department of Transportation agency drug testing programs: marijuana, cocaine, opiates, amphetamines and phencyclidine.
- B. Covered Employees-Fire Engineer and Probationary Employees.
- C. Drug Test - The compulsory production and submission of urine or breath by an employee in accordance with departmental procedures, for chemical analysis to detect prohibited drug usage.
- D. Drug Use - Use of controlled substance or alcohol.
- E. Fire Engineer - A person in the classification of Fire Engineer.
- F. Medical Review Officer (MRO) - The Medical Review Officer is a licensed physician who has knowledge of substance abuse disorders and has appropriate medical training to interpret and evaluate an individual's positive test result together with his medical history and other relevant bio-medical information.
- G. New Hire - An employee who has been newly hired and is serving a probationary period.
- H. Probationary Employee - For the purpose of this policy only, a probationary employee shall be considered to be any new hire or transfer employee who is conditionally employed with the Fire Department.

- I. Reasonable Suspicion - A belief, based upon objective facts, sufficient to lead a reasonable prudent supervisor to suspect that an employee is under the influence of alcohol or controlled substances as more fully described below.
- J. Supervisor - Those employees assigned to a position having day-to-day responsibility for supervising subordinates, or who are responsible for commanding a work element.
- K. Transfer Employee - An employee who has been newly hired as a lateral transfer from another agency and is serving a probationary period.

III. Policy

A. Fire Engineers

- 1. Employees in the classification of Fire Engineer are "covered employees" who operate commercial motor vehicles as defined below and thus are subject to all of the provisions of this policy:
 - a. A vehicle with a gross combination weight of at least 26,001 pounds inclusive of a towed unit with a gross vehicle weight rating of more than 10,000 pounds;
 - b. A vehicle with a gross vehicle weight of at least 26,001 pounds;
 - c. A vehicle designed to transport 16 or more passengers, including the driver; or
 - d. A vehicle used to transport those hazardous materials found in the Hazardous Materials Transportation Act.
- 2. Fire Engineers may not be under the influence or in possession of controlled substances or alcohol during work hours. Further, certain conduct is prohibited (See Section 3 below) while performing and before performing safety sensitive functions. The following are safety sensitive functions:
 - a. All time at a fire station, carrier or shipper, plant, terminal, facility, or other property, waiting to be dispatched, unless the driver has been relieved from duty by the employer.
 - b. All time inspecting equipment as required by the Federal Motor Carrier Safety Regulations (FMCSRs), or otherwise inspecting, servicing, or conditioning any commercial motor vehicle at any time.
 - c. All time spent at the driving controls of a commercial motor vehicle.
 - d. All time, other than driving time, spent on or in a commercial motor vehicle.

- f. All time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

3. Prohibitions:

The following conduct is prohibited and may result in discipline, as defined more fully below:

- a. Reporting for duty or remaining on duty requiring the performance of safety sensitive functions while having an alcohol concentration level of 0.04 or greater;
- b. Performing a safety sensitive function while having an alcohol concentration of 0.04 or greater;
- c. Being on duty or operating a vehicle described above, while possessing alcohol;
- d. Using alcohol while performing a safety sensitive function;
- e. Reporting for duty or remaining on duty requiring the performance of safety sensitive functions when the employee used any controlled substances, except if the use is pursuant to the instructions of a physician who has advised the employee that the substance does not adversely affect the employee's ability to safely operate a vehicle;
- f. Reporting for duty or remaining on duty requiring the performance of safety sensitive functions when the employee has used any prescription medicine which adversely affects the employee's ability to safely operate a vehicle;
- g. Reporting for duty or remaining on duty requiring the performance of safety sensitive functions if the employee tests positive for controlled substances;
- h. Refusing to submit to any alcohol or controlled substances test required by this policy. A covered employee who refuses to submit to a required drug/alcohol test will be treated in the same manner as an employee who tested 0.04 or greater on an alcohol test or tested positively on a controlled substances test.

A refusal to submit to an alcohol or controlled substances test required by this policy includes, but is not limited to:

- (1) A refusal to provide a urine sample for a drug test;
- (2) An inability to provide a urine sample without a valid medical explanation;
- (3) A refusal to complete and sign the breath alcohol testing form, or otherwise to cooperate with the testing process in a way that prevents the completion of the test;
- (4) An inability to provide breath or to provide an adequate amount of breath without a valid medical explanation;
- (5) Tampering with or attempting to adulterate the urine specimen or collection procedure;

- (6) Not reporting to the collection site in the time allotted by the supervisor or manager who directs the employee to be tested;
 - (7) Leaving the scene of an accident without a valid reason as to why authorization to do so was not obtained from a supervisor or manager who shall make a determination whether to send the employee for a post-accident drug and/or alcohol test based upon reasonable suspicion.
- i. Consuming alcohol during the eight hours immediately following an accident; or until the employee undergoes a post-accident alcohol test, whichever occurs first, if ordered to undergo a post-accident drug and/or alcohol test on the basis of reasonable suspicion.

In addition to the above prohibitions, employees are reminded of similar obligations under the Federal Drug Free Workplace Act of 1988. All employees covered by this Policy have been provided with a copy of the City's Drug Free Workplace Statement in the Employee Handbook.

- 4. Fire Engineers whose alcohol test indicates an alcohol concentration level between 0.02 and 0.04 will be removed from his or her safety sensitive position for at least 24 hours.
- 5. Reasonable Suspicion Testing: Fire Engineers are required to submit to an alcohol or drug test only when a trained supervisor has reasonable suspicion to believe the employee is under the influence of alcohol or controlled substances. The observation must be based on short-term indicators, such as blurry eyes, slurring, or alcohol on the breath. The supervisor may not rely on long-term signs, such as absenteeism or tardiness, to support the need for a reasonable suspicion test.

The reasonable suspicion alcohol test will be administered within two hours of the observation. If not, the employer must provide written documentation as to why the test was not promptly conducted. No test may be administered after eight hours following the observation.

To ensure that supervisors are trained to make reasonable suspicion determinations, supervisors vested with the authority to demand a reasonable suspicion drug and alcohol test will attend at least two hours of training on controlled substances use. The training will cover the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances. The training will be conducted at a facility or given by a person authorized by the Department of Transportation (DOT) to conduct such training in reasonable suspicion determinations.

B. Probationary Employees:

- 1. Random Testing. Probationary employees will be subject to mandatory random alcohol and drug testing a maximum of three times during their probationary periods at the discretion of the Fire Department.
- 2. On the date a probationary employee is selected for random drug testing, his/her supervisor will ensure his/her duties are covered. The employee will receive a written

notice in the morning indicating the time he/she is to report to the lab for testing.

C. Reporting requirement for all covered employees:

1. Covered employees who notify their immediate supervisors when required to use prescription medicine which they have been informed by a licensed physician has the potential to impair job performance shall be immune from discipline for reporting to duty in that condition and may be subject to temporary reassignment to other duties, where appropriate, with no loss of pay or benefits or relief from duty with pay, only until the licensed physician has determined that the prescription medication does not impair job performance or is no longer needed. The employee shall advise the supervisor of the known side effects of such medication and the prescribed period of use, if possible.
2. Any employee who intentionally ingests, or is made to ingest, a controlled substance shall immediately report the incident to his/her supervisor so that appropriate medical steps may be taken to ensure the employee's health and safety.

D. Procedures to be used for detection of drugs and alcohol for all covered employees:

The City will designate an off-site collection facility and laboratory licensed by Substance Abuse and Mental Health Services Administration (SAMHSA) will ensure that the supervisor ordering the test gives the employee a reasonable amount of time to report to the site and will provide transportation to and from the site.

1. Alcohol Testing

Alcohol testing will be conducted by using an evidential breath testing device (EBT) approved by the National Highway Traffic Safety Administration. Non-EBT devices may be used for initial screening tests.

A screening test will be conducted first. If the result is an alcohol concentration level of less than 0.02, the test is considered a negative test. If the alcohol concentration level is 0.02 or more, a second confirmation test will be conducted. Levels of .04 or greater on the confirmation test will be considered positive.

2. Drug Testing:

Drug testing will be conducted pursuant to the procedures attached to this policy (Attached Procedure) which follow the requirements of Department of Transportation Regulations. Proper immunoassay tests will be used which meet the requirements of the Food and Drug Administration for commercial distribution as provided by the DOT Regulations.

- a. The urine specimen will be split into two bottles labeled as "primary" and "split" specimen. Both bottles will be sent to the lab.
- b. If the urinalysis of the primary specimen tests positive for the presence of illegal, controlled substances, the employee has 72 hours from the time he/she is so notified by the MRO to request that the split specimen be analyzed by a different certified lab. The cost and reanalysis of the specimen must be paid in advance by the employee and will be reimbursed by the Fire Department if the retest does not

confirm the positive result. If the retest does not confirm the positive result, the MRO will report the test as negative to the Fire Department.

- c. The urine sample will be tested for the following: marijuana, cocaine, opiates, amphetamines, and phencyclidine. The levels for screening and confirmation testing will be those in the Attached Procedure and as modified from time to time by the Department of Health and Human Services for the DOT Regulations.
- d. If the test is positive for one or more of the drugs, a confirmation test will be performed using gas chromatography/mass spectrometry analysis as described more fully below.
- e. All drug test results will be reviewed and interpreted by the MRO before they are reported to the employee and then to the City as described more fully below.
- f. With all positive drug tests, the MRO will first contact the employee to determine if there is a valid explanation for the positive test result. If the MRO determines that there was a valid explanation for the positive test result, the test result shall be reported to the City as "negative."

E. Refusal to submit to an alcohol and/or drug test:

A covered employee who refuses to submit to any required drug/alcohol testing will be treated in the same manner as an employee who tested 0.04 or greater on an alcohol test or tested positively on a controlled substances test.

F. Consequences of failing an alcohol and/or drug test:

A positive result from a drug or alcohol test reported by the MRO may result in disciplinary action, up to and including termination.

Pending disciplinary action, the covered employee may be removed from performing any safety-sensitive function and may be temporarily reassigned to other duties where appropriate with no loss of pay or benefits. Discipline of employees for violation of this policy shall be in accordance with the due process rights provided in the Department's discipline and grievance procedures and by law and will be under procedures used for all other disciplines. The principles of progressive discipline will be employed. Disciplinary action may include rehabilitation and mandatory random testing. Each employee is an entity upon himself or herself and action will be taken consistent with the work history background of the employee.

At the Department's discretion, those employees who have a positive result reported by the MRO for the first time in his or her tenure with Costa Mesa may have the option of entering a rehabilitation program approved by the City in lieu of discipline. This program will be at his or her expense unless the City's Employee Assistance Program provides adequate rehabilitation satisfactory to the City. Upon proof of satisfactory completion of the program, the employee will resume work and submit to a maximum of three random drug tests per year at his or her expense for two years.

G. Information concerning the effects of alcohol and controlled substances and available methods of intervention.

Attached to this policy are fact sheets, addressing the effects of alcohol and the various

controlled substances that are tested for under this policy.

You should also be aware that the City has established an Employee Assistance Program, *Value Options* to help employees who need assistance with alcohol and controlled substance abuse. (See attached page for specific information regarding the EAP).

IV. *Employee Questions:*

Employees shall refer any questions regarding his/her rights and obligations under this policy or under new regulations when enacted to the Human Resources Division/Designated Employer Representative (DER) at Ext. 5350.

V. Effective Date:

The effective date of this policy for covered employees is July 1, 2000.

1. Personnel authorized to administer drug tests shall require positive identification from each employee to be tested before they enter the testing area.
 - a. Each employee shall provide positive identification to testing personnel.
 2. A pre-test interview shall be conducted by testing personnel with each employee in order to ascertain and document the recent use of any prescription or non-prescription drugs, or any indirect exposure to drugs that may result in a false positive test result.
 3. Specimen Collection:
 - a. The testing facility area should be private and secure and procedures shall allow individual privacy .
 - b. Testing personnel must positively identify the employee providing the sample.
 - c. Testing personnel should search the area in which the sample is to be produced and verify it is free of potential contaminants.
 - d. Testing personnel shall require the employee being tested to remove any unnecessary outer garments (i.e., coats, jackets, etc.) and shall visually check for signs of concealed items that might be used to adulterate or substitute a sample. Personal belongings such as briefcases, and purses, etc., must remain with the employee's outer garments.
 - e. Any urinal or toilet should be filled with blue-colored water.
 - f. The employee being tested will wash his hands with soap and water.
 - g. The employee will urinate into one container which will then be split according to DOT regulations. The containers will be sealed in the presence of the employee and the employee's identifying mark will be placed on the containers.
 - h. Immediately after obtaining the sample, it shall be tested for appropriate temperature and the actual temperature recorded.
 - i. The sample containers must be immediately sealed, appropriately labeled, and the number rechecked to ensure it is referenced to the employee providing the sample.
 - j. The sample should be stored in a secure area in accordance with laboratory procedures until delivery to the contracting laboratory if necessary.

- k. Personnel utilized for testing will be certified as qualified to collect urine samples or adequately trained in collection procedures as required by DOT Regulations.
- 4. Where the employee appears unable, or unwilling to give a specimen at the time of the test, testing personnel shall document the circumstances on the drug test report form. The employee shall be permitted no more than four (4) hours to give a sample, during which time he or she shall remain in the testing area, under observation. Reasonable amounts of water may be given to the employee to encourage urination. Failure to submit a sample shall be considered a refusal to submit to a drug test unless there is a valid medical explanation as determined by the MRO.

B. Drug Testing Methodology:

- 1. The testing or processing phase shall consist of a two-step procedure:
 - a. Initial screening test, and
 - b. Confirmation test.
- 2. The urine sample is first tested using the initial drug screening procedure. An initial positive test result will not be considered conclusive; rather, it will be classified as "confirmation pending." Notification of test results to the Deputy Chief shall be held until the confirmation test results are obtained.
- 3. A specimen testing positive will undergo an additional confirmatory test. The confirmation procedure shall be technologically different and more sensitive than the initial screening test and shall be performed using gas chromatography/mass spectrometry analysis.
- 4. The drug screening tests selected shall be capable of identifying marijuana, cocaine, and every major drug of abuse including heroin, amphetamine and barbiturates.
- 5. Concentrations of a drug at or above the following levels shall be considered a positive test result when using the initial immunoassay drug screening test:

	Initial Test Level (ng/ml)
Marijuana metabolite.....	100
Cocaine metabolite	300
Opiate metabolite	2,000
Phencyclidine	25
Amphetamines	1,000

Concentrations of a drug at or above the following levels shall be considered a positive test result when performing a confirmation GC/MS test on a urine specimen that tested positive using a technologically different initial screening method:

	Confirmatory Test Level (ng/ml)
Marijuana metabolite	15 (1)
Cocaine metabolite	150 (2)
Opiates:	

Morphine	2,000
Codeine	2,000
Phencyclidine	25
6-Acetylmorphine	10 (4)
Amphetamines:	
Amphetamine	500
Methamphetamine	500 (3)

- (1) Delta-9-tetrahydrocannabinol-9-carboxylic acid
- (2) Benzoyllecgonine
- (3) Specimen must also contain amphetamine at a concentration greater than or equal to 200 ng/ml.
- (4) Test for 6-Acetylmorphine when the morphine concentration exceeds 2,000 ng/ml.

6. The laboratory selected to conduct the analysis shall be experienced and capable of quality control, documentation, chain-of-custody, technical expertise, and demonstrate proficiency in urinalysis. It shall be licensed by SAMHSA.
7. Employees having negative drug test results shall receive a memorandum from the lab stating that no illegal drugs were found. If the employee so requests, a copy of the memorandum will be placed in the employee's personnel file.

C. Chain of Evidence-Storage:

1. Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and the chain of custody.
2. Where a positive result is confirmed, urine specimens shall be maintained in secured, refrigerated storage for an indefinite period.
3. In the event of a positive confirmatory test, the employee may utilize testing of the split sample as provided by DOT Regulations.

D. Drug Test Results:

1. All records pertaining to Fire Department-required drug tests shall remain confidential and shall not be provided to other employers or agencies without the written permission of the person whose records are sought.
2. Drug test results and records shall be stored and retained in compliance with state law by the Deputy Chief, or for an indefinite period in a secured area where there is no applicable state law. These results and records shall be kept separate and apart from the covered employee's personnel file(s). The personnel file shall not contain any reference to the employee's being sent for drug testing.
3. Positive drug test results will be sent directly to the Deputy Chief as described in Section E.6. below. A negative reading on the initial or confirmatory test or on the split sample test will be reported as negative with no retesting.

E. Medical Review Officer:

1. The City shall contract for a Medical Review Officer (MRO), who will be responsible for the determination of positive drug tests.
2. The laboratory shall report all drug test results to the MRO. The MRO shall review all positive drug tests against the information provided by the employee (prior to the drug test being administered) on the questionnaire and will contact the employee to determine if there is a valid explanation for the positive test result.
3. If the MRO determines there is a valid explanation for the positive drug test, the test shall be reported as negative.
4. If no valid explanation is determined for the positive test results, then the test shall be reported as positive. However, should the employee exercise his or her option to have the split sample tested and the result does not confirm the positive result, the test shall be reported as negative.
5. The MRO shall examine all employees, prior to submission to a drug test, who have been sent for a drug test based upon reasonable suspicion. The purpose of the examination is to determine if there is in fact reasonable suspicion to test the employee. If the MRO determines that there is no reasonable suspicion for testing, based upon physical symptomology, that employee is then returned to the supervisor for action.
6. When the MRO reports a positive result to the Fire Department, it shall be given in writing directly to the Deputy Chief who shall keep the result confidential and shall not share it with anyone except the Fire Chief and the Administrative Services Director when making a decision as to action to be taken based upon the positive result. Privacy rights of the employee and the employee's right to inspect his own drug test report will follow DOT guidelines and federal and California law.

TEMPORARY LIMITED/MODIFIED DUTY

I. Purpose

The purpose of this *Administrative* Regulation is to establish a uniform procedure for utilizing employees who have been released to return to work with temporary work limitations or restrictions by a licensed physician due to occupational or non-occupational injuries or illnesses; to promote effective use of valuable employee resources to maintain departmental productivity at the highest levels possible and to reduce the cost of employee absences.

II. Policy

Departments are encouraged to provide suitable temporary modified duty assignments in accordance with a doctor's work release instructions, whenever meaningful and/or needed work can be performed by the recuperating employee.

III. Procedures

- A. An employee, who is off work on personal leave, or industrial accident leave, is to notify his/her department immediately when any type of limited/modified duty work release has been obtained from his/her doctor. A sample "Medical/Return to Work Release" form is attached and may be considered for use by departments. Fire Department employees will use the form only to verify that the job description was reviewed by the treating physician.
- B. The department should evaluate the nature of the work limitations or restrictions imposed, review the work needs of the department, and identify a suitable assignment. The temporary assignment may be in the same, equal, or lower job classification. Risk Management should be consulted on all cases involving work-related injuries or illnesses before instituting the modified duty assignment.
- C. In cases of industrial accident leave, if the employee's own department does not have suitable modified duty to offer, Risk Management may arrange for a temporary alternate assignment to be provided within another City department. *Sworn Police Officers will not be placed in a temporary alternate assignment outside of the Police Department.*
- D. A temporary limited/modified duty assignment should not be altered, nor an employee returned to full and unrestricted duty, without the appropriate written medical clearance to do so.
- E. Employees off work on industrial accident leave who fail to notify their departments when given any type of a work release, may be subject to disciplinary action.

IV. Effective Date

The effective date of this revised Administrative Regulation is September 3, 1971 and subsequently revised on July 30, 2000.

 - (c) Immediately commence receiving a retirement allowance from the Public Employees' Retirement System (PERS) upon separation from City employment.

2. City Council Members are eligible to participate on the same basis as full-time employees, with the following exceptions:
 - (a) City Council Members must have sufficient service time vested with PERS to be eligible for a monthly retirement benefit under the system (five (5) years of service time or more), and shall retire and commence receipt of a monthly retirement allowance within 30 days following their separation from office.
 - (b) Council Members shall be enrolled in the medical plan immediately prior to retirement.

3. Retirees:
 - (a) All Retirees who are currently participating in the City's medical plan; and
 - (b) Who have previously met the eligibility requirements of this Policy; and
 - (c) Who continue to receive monthly benefits from the retirement system.

B. Participation Requirements and Contributions

1. The City contribution rate is based upon the following criteria:
 - (a) The effective date of retirement.
 - (b) The number of years the employee/retiree has spent with the City as a full-time employee, with a minimum of 10 years of service required for eligibility for a contribution.

**CITY OF COSTA MESA, CALIFORNIA
COUNCIL POLICY**

SUBJECT	POLICY NUMBER	EFFECTIVE DATE	PAGE
Retired Employees' Medical Program	300-1	8-19-2003	2 of 3

- (c) The maximum contribution is for the “employee only” premium of the plan selected by the majority of active employees, as determined by the City, to a maximum of \$500 per month.
 - (d) The contribution may be 100% of the rate for the Medicare-qualified Retiree, where the Supplement to Medicare premium is lower than the dollar contribution that the Retiree would otherwise qualify for.
2. The City's monthly contributions will be calculated as follows:
- (a) Retirees who have retired from City service on or before July 19, 1993:
 - 10 to 19 years of service 50%, not to exceed \$250
 - 20 to 29 years of service 75%, not to exceed \$375
 - 30 years of service or more 100%, not to exceed \$500
 - (b) Retirees who have retired from City service July 20, 1993 through August 18, 2003:
 The contribution rates are based upon the actual years of service (rounded to the nearest full year) beginning with 10 years of service at 50%, and progressing in 2½% increments to 100% at 30 years of service or more. The maximum monthly contribution at the 100% benefit level is \$500. The maximum monthly contribution at benefit levels less than 100% is the dollar amount resulting from the applicable % rate applied to \$500.
 EXAMPLE: Retiree is eligible for a 70% contribution
 $\$500 \times 70\% = \350 maximum monthly contribution
 - (c) Employees who retire effective August 19, 2003 and thereafter:
 The contribution rates are based upon the actual years of service (rounded to the nearest full year) beginning with 10 years of service at 50%, and progressing in 3 1/3% increments to 100% at 25 years of service or more. The maximum monthly contribution at the 100% benefit level is \$500. The maximum monthly contribution at benefit levels less than 100% is the dollar amount resulting from the applicable % rate applied to \$500. (See example above.)
 - (d) Employees hired after January 1, 2004 will participate in the mandatory defined contribution plan and are not eligible for the Retired Employees' Medical Program.
3. The Retiree will pay the remaining premium, if any, based upon the above schedules, in excess of the City contribution for the coverage selected. The Retiree will also pay all premiums for any eligible dependents enrolled on the Retiree's coverage.

4. Premium remittance by the Retiree shall be in the method prescribed by the City and medical plan requirements, and may be subject to change from time to time. Premium payment may be facilitated through deductions from the Retiree's monthly PERS retirement allowance, or, may require direct payment to the City. By whatever method of payment used, the City shall have the right to cancel coverage if payment is not received in accordance with City requirements. This cancellation will only take place after the City notifies the participant of their rights of continuation under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).
5. There is a forfeiture of contribution provision for the Retired Employees' Medical Program. Should a Retiree elect to cancel enrollment in the City Medical Plan, they may be eligible to re-enroll at a future Open Enrollment Period, subject to applicable plan rules. However, any premium contribution from the City previously received is forfeited and will not resume, and the Retiree will be solely responsible for payment of the full premium for the new coverage selected.
