SECTION 6. In the event that a supervisor has reasonable suspicion that an Employee is either mentally or physically impaired due to the use of illegal drugs, alcohol, chemical or harmful intoxicants, or any other cause, the Employee shall not be allowed to work pending further medical, security, or toxicological investigation pursuant to the Employer's "Drug Testing Policy". An Employee ordered to submit to such testing shall be placed on administrative leave pending the results of the testing. If the test results are negative, the Employee shall be returned to work on his/her regular shift. If the test results are positive, the Employee shall be subject to disciplinary action, up to and including removal. A pre-disciplinary hearing will be held within ten (10) working days of receipt of the test results; the Employee may be continued on administrative leave pending the pre-disciplinary hearing.

"Chemical or harmful intoxicants" shall be defined as substances which are prohibited by the Ohio Revised Code.

SECTION 7. Employees are encouraged to maximize physical and mental health through appropriate life-style routines. Physical or mental disabilities which, in the Employer's opinion, may threaten the safety and security of the work place, or which prevent an Employee from performing job responsibilities in accordance with this Agreement, shall be sufficient cause to prevent and preclude a work assignment by the Employer.

The parties shall form a Labor-Management Committee to address ongoing issues of operational safety and security, with one emphasis being on the use of force. The parties recognize that all Deputy Lieutenants must be physically and mentally fit to

perform their jobs effectively and so that they do not constitute a threat to themselves or others. The County may require that all Deputy Lieutenants take part in reasonable, valid and job-related training to assess an employee's ability to perform the actual or simulated job tasks, such as, but not limited to, use of force, self-defense and other training or testing that is job-related and consistent with the operational needs of the Employer. The County shall offer the Union with an opportunity to provide input regarding the test or assessment measure, as well as, the certified expert selected to certify the validity of the test or assessment measure prior to implementation pursuant to this Article. If an employee does not complete and pass required training and/or assessment, he/she shall be given an opportunity to re-train and/or be re-assessed. If an employee subsequently fails to complete and pass training and/or assessment required by the County pursuant to this Article, he/she shall receive written notification which may be considered for purposes of performance evaluations and promotions.

SECTION 8. The Employer will continue to furnish basic emergency first aid for any work-related injuries occurring during working hours. Any such medical first aid provided by the Employer is intended to stabilize the medical condition of the affected Employee until further treatment is obtained via the Employee's health care provider; or for treatment of a life-threatening emergency condition until outside emergency medical personnel are available.

SECTION 9. The Employer shall provide appropriate policies, procedures and training to all bargaining unit members concerning universal medical precautions and issues concerning communicable and infectious diseases pursuant to OSHA standards.

SECTION 10. All Employees shall be issued a weapon. An Employee with twenty (20) years or more of service, upon retirement, may purchase the Employee's service weapon for One Dollar (\$1.00), provided the weapon has been in service for more than five (5) years.

Article 27. EVALUATION OF DEPUTY SHERIFF LIEUTENANTS

SECTION 1. Written performance evaluations shall be completed on all Employees at a minimum of once each calendar year. The general purpose of such evaluation is to review and assess an Employee's job performance pursuant to the position description of the classification. Such position description shall be on file with the appropriate governmental agency. All completed evaluations shall be maintained by the Human Resources Department and shall be available for review by the Employee upon request.

Article 28. EMPLOYEE DISCIPLINE

SECTION 1. Employees covered by this Agreement shall be disciplined and/or discharged in accordance with the Employer's Standard Schedule of Disciplinary Offenses and Penalties or any successor discipline policy.

SECTION 2. Prior to imposition of discipline involving a suspension without pay or removal, the Employer will provide the Employee and the Union with a written notice of the basis for the discipline (including the specifics of the alleged violation, copies of

documents and a list of witnesses known at the time who may be used to support the charges) and afford the Employee the opportunity to respond. For any discipline greater than a suspension without pay for more than three (3) days, the Employer shall provide a pre-disciplinary conference, which will be conducted within five (5) days following notification to the Employee and Union. The pre-disciplinary conference shall be conducted by a higher ranking law enforcement supervisor and a designee of the Department of Human Resources. The Employee who is alleged to have violated any departmental rule(s) shall be permitted representation by a steward and one Union representative at the pre-disciplinary conference. No steward who is involved in the allegations of misconduct shall be permitted to represent the employee. No recording of the conference shall be made. A report of said conference shall be prepared by the Department of Human Resources.

SECTION 3. If it is determined that disciplinary action is warranted, such action will be applied in a fair and uniform manner, and shall take into account the nature of the violation(s), the Employee's record of discipline, and the Employee's record of performance and conduct. The Employer shall not consider any previous non-attendance related disciplinary action rendered against the Employee which occurred more than twenty-four (24) months preceding the current charge if there has been no other discipline imposed during the preceding twenty-four (24) months; however, any discipline consisting of a verbal or written reprimand which occurred more than twelve (12) months preceding the current charge shall not be considered if there has been no other discipline imposed during the preceding twelve (12) months. Copies of any disciplinary action rendered shall be given to the Employee.

An Employee may appeal any disciplinary action rendered through the Grievance Procedure beginning at Step 3 thereof by filing a written grievance with the Employer within five (5) working days from the date the disciplinary action is imposed.

SECTION 4. Internal investigations of bargaining unit members concerning disciplinary or criminal matters shall be conducted by law enforcement supervisors above the rank of Lieutenant.

SECTION 5. No Employee shall be ordered to submit to a polygraph examination. An Employee may only be subjected to a polygraph examination upon that Employee's consent.

Article 29. GRIEVANCE PROCEDURE

SECTION 1. The term "grievance" shall mean a written allegation that there has been a breach of this Agreement.

SECTION 2. A grievance may be brought by any Employee covered by this Agreement. If a group of bargaining unit Employees desires to file a grievance involving an incident affecting several Employees in the same manner, one Employee shall be selected by the group to process the grievance. Each Employee who desires to be included in such grievance shall be required to sign the grievance. The Union may file a

grievance on behalf of the entire bargaining unit, or an individual member for any breach of this Agreement, except for breaches relating to employee discipline.

SECTION 3. In disciplinary cases, the Employer's designee shall be a different individual than the one that presided over the grievant's pre-disciplinary conference, if such a conference occurred. The written grievance shall be submitted on the grievance form and shall contain the following information:

- b) Aggrieved Employee's assignment;
- c) Name of the Employee's immediate supervisor;
- d) Date and time the grievance was first discussed and with whom;
- e) Date the grievance was filed in writing;
- f) A statement as to the specific section(s) of the Agreement violated;
- g) A brief statement of the facts involved in the grievance; and
- h) The remedy requested to resolve the grievance.

SECTION 4. The time limitations established in this Article may be extended by mutual agreement between the Employer and the Union. Working days, as used in this Article, shall not include Saturdays, Sundays, or holidays. Failure by the Employer to communicate a decision at any step of the formal grievance process within the specified time limit shall permit the grievance to be advanced to the next step of the process.

SECTION 5. An Employee may elect to have a Union steward present at any step of the formal grievance process. It is the responsibility of the Employee to notify the Union steward of each meeting and date and time. No employee who files a grievance shall be subject to reprisal, retaliation or any other negative job consequence.

SECTION 6. Each grievance shall be processed in the following manner:

STEP 1. - Captain

An Employee having a grievance will first bring that complaint in writing to the attention of the Employee's Captain within five (5) working days of the incident giving rise to the grievance. The Captain shall discuss the grievance with the Employee and a Union steward, if requested in accordance with this Article. If the Employee is not satisfied with the response given by the Captain, the Employee may, within fifteen (15) calendar days, advance the grievance to Step 2 of the Procedure by submitting the written grievance to the Employer's administrative designee, who shall only be responsible for intake and processing of the grievance. Grievances concerning disciplinary suspensions or discharges must be commenced by reducing them to writing on the appropriate form and submitting them to the Department of Human Resources within five (5) working days of the imposition of the disciplinary action. Processing of such grievances shall thereafter proceed at Step 3.

STEP 2. - Chief Deputy

The Department of Human Resources shall forward the Employee grievance to the Chief Deputy. The Chief Deputy shall schedule a formal meeting to be held within five (5) working days of the receipt of the grievance with the Employee who filed the grievance and a Union steward, if requested in accordance with this Article. Prior to this meeting taking place, the Chief Deputy shall investigate the allegations contained in the grievance. The Chief Deputy shall provide the Employee with a written response to the grievance within three (3) working days of the above meeting. If the Employee is not satisfied with the written response, he/she may pursue the grievance to Step 3 of the Procedure within five (5) working days.

STEP 3. - Department of Human Resources

Upon receipt of a written grievance that has been processed through both Step 1 and Step 2 of this Procedure, the Department of Human Resources shall schedule a formal meeting with the Employee filing the grievance, the Union Representative, and a Union steward, if requested in accordance with this Article, within seven (7) working days. Prior to this meeting taking place, the Employer's designee shall investigate the allegation(s) contained in the grievance. The designee shall provide the Employee and the Union Representative with a written response to the grievance within ten (10) working days after the above meeting.

STEP 4. - Arbitration

If the grievance is not answered to the Union's satisfaction in Step 3, the Union may make a written request that the grievance be submitted to final and binding arbitration. Individual employees may not submit a grievance to arbitration. Requests for arbitration must be submitted in writing to the County Law Department within thirty (30) calendar days following the date the grievance was answered in Step 3. In the event the grievance is not referred to arbitration within such time limit, the grievance shall be considered resolved based upon the Employer's Step 3 response.

SECTION 7. When a timely request for arbitration is submitted, the parties shall attempt to select an arbitrator by mutual agreement. Within this thirty (30) day period, the parties shall attempt to select an arbitrator from the permanent panel. This panel will be made up four (4) arbitrators selected by the Employer and four (4) selected by the Union. The arbitrators selected will remain for the duration of this contract period. If such agreement is not reached, the panel members' names will be alternately stricken from the seven eligible arbitrators. An arbitrator is not eligible to hear two cases in a row. The arbitrator shall not have the power to add to or subtract from or modify any of the terms of this Agreement, or any supplemental Agreement. The arbitrator's function shall be to determine whether any provision of the Agreement has been violated by an interpretation or application of the Agreement. Back pay awards may not be retroactive to any period preceding the date on which the grievance was submitted to the first applicable step of the grievance procedure. The arbitrator shall render a decision within

thirty (30) days from the last date evidence was submitted, unless additional time is requested by him and mutually agreed to by the parties.

The fees and expenses of the arbitrator shall be paid equally by the Employer and the Union.

Article 30. PROMOTION OUT OF THE UNIT

SECTION 1. An Employee promoted to a position outside of the bargaining unit who is later deprived of that position within their probationary period, and is returned to regular work within the bargaining unit shall have his name immediately restored to the Department seniority list with all seniority held at the time of promotion, but not accumulated. If seniority will not carry, the Employee shall be placed in accordance with the "Layoff and Recall" article of the current Agreement.

SECTION 2. The Employer shall notify the Union of those Employees who are promoted out of the bargaining unit. This notice shall include date of leaving, seniority date, and position to which the Employee has been promoted. If the Employee is returned to the bargaining unit, the Employer shall notify the Union of the date of such return.

Article 31. PERSONNEL RECORDS

SECTION 1. Employees will be permitted to view the contents of their personnel file with a member of the Human Resources Department after first making an appointment to do such with that office. Employees who are on duty during Human Resources' hours of operation must obtain written permission from their immediate supervisor in order to view their file while on duty. Such permission shall not be unreasonably withheld, unless operational and/or staffing needs preclude it.

SECTION 2. Employees may receive copies of any documents in their personnel file at the actual cost of reproduction (e.g. materials, equipment and other items incidental to the reproduction process), based upon the appropriate public records policy.

SECTION 3. Employees will receive prompt notification any time an inquiry is made to view their personnel file, unless the request is made by Deputy Sheriff supervisory personnel, a member of the executive staff of the Sheriff, or other authorized Employer representative.

SECTION 4. At the Employee's request, any discipline in that Employee's personnel file that is beyond any "reckoning period" contained in either this Agreement or the "Standard Schedule of Disciplinary Offenses for Employees of the Cuyahoga County Sheriff's Department" shall contain a notation of that fact.

Article 32. USE OF PERSONAL VEHICLES

SECTION 1. Bargaining unit Employees shall not be required to utilize their personal vehicles during the performance of their duties.

SECTION 2. The Employer shall continue to provide parking arrangements in its current form as it is presently administered for all Sheriff's Department staff.

Article 33. SPECIAL DEPUTIES

SECTION 1. The law enforcement activities of special deputies, Protective Services personnel and/or any other contracted security agency will not result in the displacement from employment of any bargaining unit member.

Article 34. OUTSIDE EMPLOYMENT

SECTION 1. Employees shall apply to the Employer and obtain the Employer's written permission prior to engaging in law enforcement-related employment outside the Sheriff's Department. The granting or denial of such requests shall be governed by the following criteria:

- a) The outside employment may not be such as would in any manner adversely affect or interfere with the Employee's performance of duties for the Sheriff's Department.
- b) The outside employment may not create an actual conflict of interest or the appearance of a conflict of interest with the operations of the Sheriff's Department.
- c) The outside employment may not be such as would create an appearance of impropriety.
- d) The outside employment may not be at a place of business where any principal or officer of the business or the business itself has been convicted of or is under investigation for serious criminal conduct.
- e) The outside employment may not involve more than thirty (30) hours of work per week.
- f) Employees seeking outside employment shall provide the Employer with evidence that liability insurance satisfactory to the Employer or a hold harmless agreement satisfactory to the Employer has been secured which shall hold the Employer, Cuyahoga County and their representatives, harmless from any actions or inactions arising out of the Employee's outside employment.
- g) Upon request, the Employee shall be provided a written explanation for denial and/or rescission of outside employment authorization unless otherwise precluded by law.

SECTION 2. Requests shall be approved by the Employer prior to the commencement of outside employment and such applications shall be renewed annually thereafter. Requests for approval will be acted upon by the Employer as soon as is practicable. The Employer shall have the right to rescind previously granted permission for outside employment upon a change of circumstances and in accordance with the criteria set forth above in this Article.

Article 35. LAYOFF AND RECALL

SECTION 1. When the Employer determines that a layoff or job abolishment is necessary, the Employer shall notify the affected Employee(s) and the Union at least fourteen (14) days in advance of the effective date of such layoff or job abolishment. If the Union requests, the parties shall meet to discuss the Employer's action. Employees whose jobs are abolished shall have the same rights as a laid-off Employee, in accordance with the provisions of this Article.

SECTION 2. Whenever it becomes necessary to reduce the workforce, the Employer shall lay off Employees or abolish their positions only for reasons provided in Section 124.321 of the Ohio Revised Code. The Employer shall determine when a layoff or reduction will occur. The Employer's decision shall be subject to the grievance procedure herein and shall be filed directly to arbitration.

SECTION 3. Bargaining unit Employee(s) with the least time in rank of Lieutenant will be laid off first. In the event that more than one employee has the same date of promotions to Lieutenant, the established seniority list will be used to determine the most senior Employee.

SECTION 4. Laid off Employees shall have the right to displace employees within the classification the Employee held immediately prior to holding the classification from which the Employee was laid off. Employees shall notify the appointing authority of their intention to exercise their displacement rights within five (5) days after receiving notice of layoff. Laid off Employees who have been displaced to a lower classification retain their reinstatement rights for seven (7) years. Employees shall exercise their reinstatement rights in the inverse order of layoff.

SECTION 5. The Employer shall post an up-to-date seniority list annually. Said list shall remain posted for a fourteen (14) day calendar period and shall include Employees' names and initial dates of hire. After posting the list, any errors which are brought to the attention of the Employer within thirty (30) days of posting shall be corrected. It is the Employee's responsibility to check these lists for accuracy and request correction of errors in a timely manner. Otherwise, the Employer may rely upon the information in such lists.

SECTION 6. If a Lieutenant is reduced or the subject of lay-off or job abolishment, he shall be placed in the Deputy Sheriff Sergeant classification. In no situation shall an Employee who took a civil service exam prior to employment or prior to promotion be displaced by an Employee who did not take a valid civil service exam for the position of Lieutenant.

SECTION 7. Notice of recall shall be sent to the Employee by certified or registered mail. The Employer shall be deemed to have fulfilled its obligation by completing each of the following:

- a) Sending the recall notice by certified mail, return receipt requested, to the last mailing address provided by the Employee;
- b) Hand delivery to the President of the Union, or his designated Representative;

c) Posting said notice on the bulletin board.

SECTION 8. The recalled Employee shall have five (5) calendar days, following the date of receipt of the recall notice, to notify the Employer of his intention to return to work and shall have seven (7) calendar days, following the date of receipt of the recall notice, to report for duty, unless a different date for returning to work is specified in the notice.

SECTION 3. With the approval of the Employer, sick leave may be used by the Employee for the following reasons:

- 1) Illness, injury, pregnancy-related condition of the Employee or members of the Employee's immediate family where the Employee's presence is reasonably necessary for the health and welfare of the Employee or affected family member;
- 2) Exposure to contagious disease which could jeopardize the health of other Employees;

Personal time used pursuant to this section shall be subtracted from the available sick days to be converted to vacation days.

SECTION 6. For just cause, the Employer may require that an Employee submit to a medical and/or psychological examination in order to determine the Employee's capability to perform the Employee's position. Such examination shall be conducted by a physician or licensed practitioner designated by the Employer, and the cost of the examination shall be paid by the Employer. If found to be unfit for duty, the Employee may be placed on sick leave, alternative work assignment within the Sheriff's Department, leave of absence without pay, or disability separation.
