LABOR AGREEMENT

Between

CITY OF MINNEAPOLIS

and

MINNEAPOLIS ASSOCIATION OF FIRE CHIEFS

THIS AGREEMENT (hereinafter referred to as the Labor Agreement or the Agreement) is made and entered into by and between the City of Minneapolis, a municipal corporation incorporated under the laws of the State of Minnesota (hereinafter referred to as the **City**), and Minneapolis Association of Fire Chiefs (hereinafter referred to as the **Union**). The Parties hereto agree as follows:

It is the purpose and intent of this Agreement to achieve and maintain sound, harmonious and mutually beneficial working and economic relations between the Parties hereto; to provide an orderly and peaceful means of resolving differences or misunderstandings which may arise under this Agreement; and to set forth herein the complete and full agreement between the Parties regarding terms and conditions of employment.

Additionally, and in recognition of the unique circumstances under which Fire Personnel work, the Parties pledge to eliminate hostility and harassment in the workplace. The employer shall take disciplinary action and the Union shall impose sanction on any employee who, through objective means, is found to have committed such acts of hostility or harassment. Discipline and/or sanction for hostility or harassment shall not be subject to the Grievance Procedure contained in Article 5 of this Agreement. "Objective means" shall mean "determined by a body independent of the Fire Department administration." Nothing herein shall preclude an employee from exercising a right to Independent Review under Minnesota Statutes Section 179A.25 conducted pursuant to the procedures set forth in Minnesota Rules Parts 5510.5110 to 5510.5190.

ARTICLE 1- RECOGNITION

The City recognizes the Minneapolis Association of Fire Chiefs as the certified exclusive representative for the unit consisting of all sworn supervisory employees of the Minneapolis Fire Department above the rank of Fire Staff Captain who are employed for more than fourteen (14) hours per week or thirty-five percent (35 %) of the normal work week and more than sixty-seven (67) work days per year, excluding confidential employees, the Chief and the Assistant Chiefs of the Minneapolis Fire Department.

ARTICLE 2- NON-DISCRIMINATION

In the application of this Agreement's terms and provisions, no bargaining unit employee shall be discriminated against in an unlawful manner as defined by applicable city, state and/or federal law or because of an employee's political affiliation or membership in the Union.

ARTICLE 3- STRIKES AND LOCKOUTS

Section 3.1

The Union, its officers or agents, or any of the employees covered by this Agreement shall not cause, instigate, encourage, condone, engage in or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment, regardless of the reason for so doing.

Section 3.2

In the event the City notifies the Union that an employee may be violating this article, the Union shall immediately notify such employee in writing of the City's assertion and the provisions of this article.

Section 3.3

Any employee who violates any provision of this article may be subject to disciplinary action or discharge pursuant to the Minneapolis City Charter, Chapter 19.

Section 3.4

The City will not lock out any employee during the term of this Agreement as a result of a labor dispute with the Union.

ARTICLE 4- MANAGEMENT RIGHTS

The Union recognizes the right of the City to operate and manage its affairs in all respects in accordance with applicable law and regulations of appropriate authorities. All rights and authority, which the City has not officially abridged, delegated or modified by this Agreement, are retained by the City.

ARTICLE 5- SETTLEMENT OF DISPUTES

Section 5.1 - Scope

This article shall apply to all members of the bargaining unit, but only as to resolution of grievances and not to interest arbitration.

Section 5.2 - Letter of inquiry

Any employee may initiate a "letter of inquiry" for the purpose of requesting from the City or the Union information on salary, working conditions and/or benefits. The request shall be presented to the Union in writing. A Union representative shall process the letter of inquiry. Where the Union representative believes it necessary, he/she may request in writing from the Director, Employee Services such information or interpretation necessary to enable the Union to prepare a response to the inquiry. The Director, Employee Services shall respond to such request by the Union within ten (10) days of receipt. The Union will then respond to its member.

Section 5.3 - Informal problem resolution

From time to time, concerns regarding possible violations of this agreement may arise. Many of these concerns can be resolved informally. A concern that cannot be resolved informally and which is subsequently presented to the Employer formally pursuant to the procedures set forth in this Article is called a grievance.

Section 5.4 - Grievance Procedure

A grievance is any matter concerning the interpretation, application, or alleged violation of any currently effective agreement between the City and the bargaining unit. Grievances shall be resolved in the manner set out below. The City will cooperate with the Union to expedite the grievance procedure to the maximum extent practical.

Subd. 1 - Step one

To initiate a grievance, a Union representative acting on behalf of an employee shall file a written statement of the type specified in Section 5.8 with the Assistant Chief or his/her designee within the time period specified below. If the employee or the Union expressly requests a discussion with the Assistant Chief or his/her designee concerning the written grievance, such discussion shall take place promptly after filing the grievance, unless the time is mutually extended. The discussion with the Assistant Chief or his/her designee shall be held with one of the following:

- The employee accompanied by a Union representative;
- The Union representative alone if the employee so requests;

Within ten (10) days after the grievance is filed or the discussion meeting concludes, whichever is later, the Assistant Chief or his/her designee shall state his/her decision in writing, together with the supporting reasons, and shall furnish one (1) copy to the employee, one (1)

copy to the Union, and one (1) copy to the Director, Employee Services. Each step one decision shall be clearly identified as a “step one decision.”

A grievance must be commenced at step one no later than twenty (20) calendar days from the discovery of the grievable event(s) or from when the event(s) reasonably should have been discovered, or twenty (20) calendar days from the receipt of the Employer’s response to a related letter of inquiry, whichever is earlier.

Subd. 2 - Step two

If the step one decision is not satisfactory, a written appeal may be filed by the Union with the Fire Chief, within ten (10) days of the date of the step one decision. Upon request of the Union, a meeting shall be held between the Fire Chief, and a representative of the Union. The meeting shall be scheduled by the Fire Chief, and held within twenty (20) days after receipt of the written appeal.

The Fire Chief shall have the full authority of the City Council to resolve the grievance.

Within twenty (20) days after the step two meeting or receipt of the step two appeal, whichever is later, the Fire Chief shall send a written response to the Union. The step two decision shall clearly identify that answer as a “step two decision.”

Subd. 3 - Step three - Regular Arbitration

Within twenty (20) days of the date of the step two decision the Union shall have the right to submit the matter to arbitration by informing the Director, Employee Services that the matter is to be arbitrated.

If the matter is to be arbitrated, a single arbitrator shall be selected from the panel of mutually agreed upon arbitrators. The initial panel of arbitrators and the process for removing, replacing and renewing the arbitrators on the panel shall be established by the mutual written agreement of the parties within thirty (30) days of the ratification of this Agreement or as soon thereafter as the parties are able to do so. Arbitrators shall be selected from the panel on a rotating basis. If a grievance is referred to arbitration before the parties are able to agree on the selection of a panel of arbitrators, the party referring the grievance to arbitration shall petition the Bureau of Mediation Services to provide a list of nine (9) qualified arbitrators from which the parties may select an arbitrator to hear the grievance. The Employer and Union shall select an arbitrator using the alternate strike method with the party exercising the first strike selected by coin flip.

One representative of the Union, the Grievant and all necessary employee witnesses shall receive their regular salary and wages for the time spent in the arbitration proceeding, if during regular work hours.

The arbitrator shall render a written decision and the reasons, therefore resolving the grievance, and order any appropriate relief within thirty (30) days following the close of the

hearing or the submission of briefs by the parties. The decision and award of the arbitrator shall be final and binding upon the City, the Union and the affected employee(s).

The arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this agreement. The arbitrator is also prohibited from making any decision that is contrary to law or to public policy.

Section 5.5 - Mediation

The City and the Union, by mutual agreement, may utilize the grievance mediation process in an attempt to resolve a grievance before going to arbitration.

The objective of mediation is to find a mutually satisfactory resolution to the dispute. The parties shall mutually choose a mediator or have a mediator assigned by the Bureau of Mediation Services.

One representative of the Union, the Grievant and all necessary employee witnesses shall receive their regular salaries or wages for the time spent in the grievance mediation proceeding, if during regular working hours.

The following procedures shall apply to mediations conducted under this Section:

Arbitration time frames shall be tolled during the mediation procedure; however, there shall be no additional extensions without written mutual agreement.

Grievances that have been appealed to arbitration may be referred to mediation if both the Union and the City agree.

Mediation conferences shall be scheduled in the order in which the grievance is appealed to mediation with the exception of suspension or discharge grievances, which shall have priority.

Promptly after both parties have agreed to mediate, the parties shall notify the Bureau of Mediation Services. The Bureau of Mediation Services shall arrange for the conference.

The mediation proceedings shall be informal in nature, and the goal will be to mediate up to three (3) grievances per day.

Each party shall have one (1) principal spokesperson that will have the authority to agree upon a remedy of the grievance at the mediation conference.

One (1) Grievant will have the right to be present for each grievance.

The issue mediated will be the same as the issue the parties have failed to resolve through the grievance process. The rules of evidence will not apply, and no transcript of the mediation conference shall be made.

The mediator may meet separately with the parties during the mediation conference. The mediator will not have the authority to compel the resolution of a grievance.

Written material presented to the mediator or to the other party shall be returned to the party presenting the material at the termination of the mediation conference, except that the mediator may retain on (1) copy of the written grievance to be used solely for the purposes of statistical analysis.

If no settlement is reached during the mediation conference, the mediator shall provide the parties with an immediate oral advisory opinion. The opinion will involve the interpretation or application of the collective bargaining agreement and the reasons for his/her opinion. The parties may agree that no opinion shall be provided.

The advisory opinion of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree.

If no settlement is reached as a result of the mediation conference, the grievance may be scheduled for arbitration in accordance with "Step Three" of the grievance procedure.

In the event a grievance that has been mediated is subsequently arbitrated, no person who served as the mediator may serve as the arbitrator. In the arbitration hearing, no reference to the mediator's advice or ruling may be entered as testimony nor may either party advise the arbitrator of the mediator's advice or ruling or refer at arbitration to any admissions or offers of the settlement made by the other party at mediation.

By agreeing to schedule a mediation conference, the City does not acknowledge that the case is properly subject to arbitration and reserves the right to raise this issue notwithstanding its agreement to schedule such a conference.

The fees and expenses of the mediator and mediation office, if any, shall be shared equally by the parties.

Section 5.6 - Expedited Arbitration

Upon the mutual agreement of the Parties, any grievance to be arbitrated may be referred to expedited arbitration where the time frame for effective resolution is so short that the normal arbitration procedure would be untimely. Upon such referral, the Union and the City will make immediate (within twenty-four (24) hours) arrangements with the panel selected by the parties, or if none has been selected, with the Bureau of Mediation Services. The expedited arbitration procedure shall begin as soon as the Parties and the arbitrator can initiate a hearing. It shall be the specific request of both the Union and the City to have a decision within seven (7) days of the hearing, and that no briefs will be filed.

Section 5.7 - Time Limits

Time limits, specified in this procedure may be extended by written mutual agreement of the parties. The failure of the City to comply with any time limit herein means that the Union may

automatically process the grievance to the next step of the grievance procedure. Failure of the Union or its employees to comply with any time limit herein renders the alleged violation untimely and no longer subject to the grievance procedure.

Section 5.8 - Grievance Forms

A grievance may be commenced by any written statement that describes or identifies: the factual basis of the dispute; the contract provisions at issue; and the name of the grievant.

Section 5.9 - Arbitration Expenses

The fees and expenses of the Arbitrator shall be divided equally between the Employer and the Association provided, however, that each Party shall be responsible for compensating its own representatives and witnesses. If either Party desires a verbatim record of the proceedings, it may cause such record to be made provided it pays for the cost of preparing the record. Further, if the party requesting the record requests submitting post-hearing briefs, such party shall at its cost provide a copy of the record to the other Party and to the Arbitrator.

Section 5.10 - Election of Remedy

Employees covered by Civil Service systems created under Chapters 43A, 44, 375, 387, 419, or 420 of Minnesota Statutes, by a home rule charter under Chapter 410 of Minnesota Statutes, or under Laws of Minnesota, 1941, Chapter 423, may pursue a grievance through the procedure established under this section. When a grievance is also within the jurisdiction of appeals boards or appeals procedures created by Chapters 43A, 44, 375, 387, 419, or 420 of Minnesota Statutes, by a home rule charter under Chapter 410 of Minnesota Statutes, or under Laws of Minnesota, 1941, Chapter 423, the employee may proceed through the grievance procedure of the Civil Service appeals procedure, but once a written grievance or appeal has been properly filed or submitted by the employee or on the employee's behalf with the employee's consent, the employee may not proceed in the alternative manner.

Nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a charge of discrimination brought under Title VII, The Americans with Disabilities Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

ARTICLE 6- PAYROLL DEDUCTION FOR DUES

Section 6.1 - Dues Deductions

The City shall, upon request of any employee in the unit, deduct such sum as the Union may specify for the purpose of regular dues to the Union. The City shall remit monthly such deduction to the appropriate designated officer of the Union.

Section 6.2 - Fair Share Fee Deductions

In accordance with Minnesota Statutes § 179A. 06, Subd. 3, the City agrees that upon notification by the Union it shall deduct a fair share fee from all certified employees who are not members of the Union. This fee shall be an amount equal to the regular membership dues of the Union, less the cost of benefits financed through the dues and available only to members of the Union, but in no event shall the fee exceed eighty-five percent (85 %) of the regular membership dues. The Union shall certify to the City, in writing, the current amount of the fair share fee to be deducted as well as the names of bargaining unit employees required by the Union to pay the fee.

Section 6.3 – Administration

- A. The City shall annually select a single payroll period each month in which all membership dues and fair share fees shall be deducted. In the event an employee covered by the provisions of this Article has insufficient pay due to cover the required deduction, the City shall have no further obligations to effect subsequent deductions for the involved month.

All certifications from the Union as to the amounts of deductions to be made as well as notifications by the Union and/or bargaining unit employees as to changes in deductions must be received by the City at least fourteen (14) calendar days in advance of the date upon which the deduction is scheduled to be made in order for any change to be effected.

The City shall remit such membership dues and fair share fee deductions made pursuant to the provisions of this article for the appropriate designated officer of the Union within fifteen (15) calendar days of the date of the deduction along with a list of the names of the employees from whose wages deductions were made.

Section 6.4 – Time Off For Union Business

There shall be no deduction from pay when it is necessary, as determined by the union, for designated representatives of the Union to do any of the following during the representative's regularly scheduled work shift: represent members of the bargaining unit in disciplinary or grievance proceedings (excluding arbitration) under the Agreement; or meet with representatives of the City in collective bargaining or labor-management committee meetings. Union representatives are not entitled to be paid for time spent doing any of the forgoing union activities while working hours that are compensated at the overtime rate, except in the case of unscheduled grievance or disciplinary meetings or when management has agreed in advance that the representative(s) may be compensated at the overtime rate.

“Meeting with the City representatives” shall include reasonable preparation time. No more than one representative shall be on released from duty for grievance or disciplinary proceedings and no more than five (5) representatives shall be released from duty for contract negotiations or labor management committee meetings. The Union President shall from time to time identify to the Employer in writing the names of a reasonable number of Union members who are designated to: represent employees in disciplinary or grievance proceedings; serve as members of the Union's Negotiation Team; or serve as Union representatives on the Labor Management

Committee. All other necessary and reasonable time off for Union business shall be without pay under the provisions of Minnesota Statutes §179A.07, Subd. 6 (Rights and Obligations of Employers; Time Off) unless the Union furnishes a qualified replacement employee for the bargaining unit employee who is absent on Union business to work in the absent employee's place. In such cases, the City shall not be required to pay the replacement employee and shall observe the applicable "trade" provisions of the Fair Labor Standards Act, as amended. Except for leaves of absences granted under Minnesota Statutes §179A.07, Subd. 6, time off granted for Union business purposes shall not operate to interrupt an employee's health insurance or other benefits and, in no case shall seniority be adversely affected. The provisions of Section 8.6 of this Agreement shall apply.

The representatives of the Parties shall meet and confer at the request of either of them over any concerns or problems associated with these provisions.

Section 6.5 - Hold Harmless Provision

The Union will indemnify, defend and hold the City harmless against any claims made and against any suits instituted against the City, its officers or employees, by reason of deductions under this article.

ARTICLE 7- SALARIES

Section 7.1 Pay Frequency

All salaries shall be computed and paid on a biweekly basis. The regular amount of pay shall be the biweekly rate regardless of the number of hours on duty for that period, provided that the employee is on duty as scheduled or is on authorized paid leave.

Section 7.2 Salary Schedule Attached

Appendix "A," which is attached hereto and incorporated herein, shall be the schedule of biweekly salaries for employees during the period January 1, 20087 through December 31, 2010.

Section 7.3 – Performance Premium

Commencing October 15, 2003 and continuing thereafter, performance pay that existed under previous agreements will be eliminated from the compensation plan payable to employees in this bargaining unit.

Section 7.4 – Pay Progressions

Employees shall be eligible to be considered for advancement to the next higher step within the pay range for their classification, if applicable, upon the completion of each twelve (12) months of actual paid service in such classification. Such increases may be withheld or delayed in cases where the employee's job performance has been of a less than satisfactory level in which case the employee shall be notified that the increase is being withheld or delayed and of the specific

reasons therefore. All such denials or delays shall be subject to review under the provisions of Article 5 (Settlement of Disputes) of this Agreement. All increases approved pursuant to this section shall be made effective on the first day of the pay period which includes the date of eligibility.

Section 7.5 – Pay Upon Promotion/Demotion

Subd.1. Pay Upon Promotion.

The salary of an employee who advances from one grade to a higher grade shall be set at the salary step of the schedule for the new job classification that is the closest to representing a pay increase of 5% over the salary last received by such employee in the lower classification. The provisions of this subdivision shall also be applicable whenever an employee is detailed to perform all or substantially all of the duties of a higher-paid classification. In the event that the employee becomes eligible for a step increase while serving in a detail capacity, the employee's pay will be recomputed based upon their new wage in their permanently certified title.

Subd.2. Pay Upon Demotion.

The salary of an employee who voluntarily demotes or who is demoted for disciplinary reasons shall be at the salary step at which he/she would have been in the lower job classification if he/she had been serving in such lower classification during the period he/she served in the higher classification.

ARTICLE 8- HOURS, OVERTIME

Section 8.1 Scope

This article is intended to define the normal hours of work and to provide the basis for the calculation of overtime pay. While nothing herein shall be construed as a guarantee of hours of work per day or per week, employees may be required by the City to work a reasonable amount of overtime.

Section 8.2 Work Schedules

The normal work shift shall be twenty-four (24) hours of duty, and the normal workweek shall consist of an average of 54.6 hours of work. At the discretion of the City, selected employees shall have a normal work week of forty (40) hours and a normal work day of either eight (8) hours [five (5) day per week] or ten (10) hours [four (4) days per week] with the actual schedule determined by the Chief.

Section 8.3—Overtime Pay Defined

Overtime pay shall be calculated in accordance with the applicable provisions of the FLSA, i.e., a nonexempt employee shall be paid at the rate of one and one-half (1½) times his/her regular

hourly rate of pay for all hours actually worked which exceed the Act's straight-time hours maximum during any established work period.

Fire Marshals, Assistant Chiefs of Training, Engineering Officers and Deputy Fire Chiefs shall be paid overtime at the rate of one and one-half (1 1/2) times the employee's regular hourly rate as indicated in Appendix 'A' which shall be calculated on the basis of the involved employee's normal work period.

Section 8.4 Overtime Pay Provisions

In addition to the requirements of Section 8.4 of this article, an employee shall be paid at the overtime rate (one and one-half (1½) times his/her regular hourly rate of pay) under the following circumstances.

Subd 1. Overtime for Hold Over.

An employee who is held over beyond the end of his/her regularly scheduled work shift shall be paid at the overtime rate for a minimum of one (1) hour. If the hold-over lasts longer than one hour, the employee shall be paid at the overtime rate for all such excess time in minimum increments of fifteen (15) minutes for all or any portion of such quarter-hour thereafter. The City shall use its best efforts under the circumstances to relieve the held over employee as soon as possible.

Subd 2. Overtime for Early Report.

An employee who is required to report in early for his/her regularly scheduled work shift shall be compensated at the overtime rate for such additional early work period calculated from the time work commences through the start time of his/her scheduled shift.

Subd. 3. Overtime for Work Other Than A Hold Over or Early Report.

An employee who is called in to work at a time not immediately preceding or following his/her regularly scheduled work shift shall be compensated at the overtime rate for the greater of: such time actually worked; or four (4) hours.

Section 8.5 Duplication of Pay Prohibited

Compensation shall not be paid more than once for the same hours under any provision of this Agreement.

Section 8.6 FLSA Hours

In the event the applicable FLSA straight-time hours maximums which were in effect at the time of this Agreement was made are diminished or increased during the life of this Agreement, this Agreement shall automatically be adjusted to accommodate the change. At the request of the City or the Union, any adverse impact shall be negotiated. In the event such negotiations fail to

produce an agreement, the matter may be submitted to binding interest arbitration under the provisions of Minnesota Statutes, 179A.16, Subds. 2 through 8.

Section 8.7 – Overtime pay on Holidays

Employees eligible to receive overtime compensation shall be compensated at the overtime rate for all hours worked during any shift which begins on Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day.

ARTICLE 9- UNIFORM ALLOWANCE

Effective January 1, 2008: the uniform allowance previously payable under this Article 9 shall cease to exist as a separate component of compensation; and, in lieu of the uniform allowance, the sum of \$37.00 shall be added to the bi-weekly wages for all steps of all job titles on the salary schedule appended to this Agreement. Notwithstanding the elimination of the separate uniform allowance, all personnel are still expected to be professionally dressed and groomed while on duty.

ARTICLE 10- VACATION, SICK LEAVE AND HOLIDAY TIME OFF, AND RELATED COMPENSATION PLANS

Definitions:

A “sick leave day” is equivalent to 12 hours for sworn employees assigned to a 24-hour shift. Sworn employees normally work an average of 109.2 hours every two weeks when assigned to a 24-hour shift.

A “sick leave day” is equivalent to 8 hours for sworn employees assigned to an 8-hour shift. Sworn employees normally work 80 hours every two weeks when assigned to an 8-hour shift.

The “daily rate of pay” is one-tenth (1/10) of the bi-weekly rate.

If a sworn employee on the 24-hour shift is assigned to an 8-hour position, their accumulated sick leave hours shall be divided by 1.5 to convert to the 8-hour position accumulation.

If a sworn employee on the 8-hour shift is assigned to a 24-hour position, their accumulated sick leave hours shall be multiplied by 1.5 to convert to the 24-hour position accumulation.

Section 10.1 – Sick Leave Accumulation and Conversion

Sworn members of the Minneapolis Fire Department who are assigned to the 24-hour shift shall receive 144 hours of sick leave annually (6 24-hour shifts). These hours will be accrued by 24-hour shift employees on a bi-weekly basis.

Sworn members of the Minneapolis Fire Department who are assigned to an 8-hour shift shall receive 96 hours of sick leave annually (12 8-hour shifts). These hours will be accrued by 8-hour shift employees on a bi-weekly basis.

Section 10.2 – Annual Sick Leave Credit Pay Plan

An employee who satisfies the eligibility requirements of this Section, shall be entitled to make an election to receive payment for sick leave under the terms and conditions set forth below.

- a) **Eligibility.** An employee who has an accumulation of sick leave of sixty (60) days or more on December 1 of each year (hereafter an “Eligible Employee”) shall be eligible to make the election described below.

- b) **Election.** On or before December 10 of each year, the Employer shall provide to each Eligible Employee a written election form on which the Eligible Employee may elect to receive cash payment for all or any portion of his/her sick leave that will be accrued during the calendar year immediately following the election (the “Accrual Year”). The employee shall deliver the election form to the Employer on or before December 31. Such election is irrevocable. Therefore, once an Eligible Employee transmits his/her election form to the Employer, the employee may not revoke the decision to receive cash payment for sick leave. If an Eligible Employee does not transmit an election form to the employer on or before December 31, he/she shall be considered to have directed the Employer to NOT make a cash payment for sick leave accrued during the Accrual Year.

- c) **Payment.** Within sixty (60) days after the end of the Accrual Year, an Eligible Employee who has elected to receive cash payment shall be paid as follows:
 - i. *At Least Sixty (60) Days, But Less Than Ninety (90) Days.* With regard to an Eligible Employee who, as of the date of election, accumulated at least sixty days but less than ninety days of sick leave, payment shall be made for the number of days of sick leave indicated by the employee on his/her election form based on fifty percent (50%) of the employee’s regular rate of pay in effect on December 31 of the Accrual Year.

- ii. *At Least Ninety (90) Days, But Less Than One Hundred Twenty (120) Days.* With regard to an Eligible Employee who, as of the date of the election, has accumulated at least ninety days but less than one hundred twenty days of sick leave, payment shall be made for the number of days indicated by the employee on his/her election form based on seventy-five percent (75%) of the employee's regular rate of pay in effect on December 31 of the Accrual Year.
- iii. *At Least One Hundred Twenty (120) Days.* With regard to an Eligible Employee who, as of the date of the election, has accumulated at least one hundred twenty days of sick leave, payment shall be made for the number of days indicated by the employee on his/her election form based on one hundred percent (100%) of the employee's regular rate of pay in effect on December 31 of the Accrual Year.

Notwithstanding the forgoing, payment shall not be made in an amount greater than the value (as determined under this section) of the sick days left in the employee's bank as of December 31 of the Accrual Year.

- d) Adjustment of Sick Leave Bank. The number of hours for which payment is made shall be deducted from the Eligible Employee's sick leave bank at the time payment is made.
- e) Deferred Compensation. Employees, at their sole option, may authorize and direct the Employer to deposit sick leave credit pay under paragraph (c) to a deferred compensation plan or other tax qualified plan administered by the Employer provided such option is elected at the same time as the election referenced in Section 10.2(b).

Section 10.3 – Sick Leave Separation Pay Plan

Employees who retire from positions in the qualified service and who meet the requirements set forth in this article shall be paid in the manner and amount set forth herein.

- (c) The amount payable to each employee qualified hereunder shall be one-half (½) the daily rate of pay for the position held by the employee on the day of retirement, notwithstanding subsequent retroactive pay increases, for each day of accrued sick leave subject to a minimum of 48 hours and a maximum of two hundred forty (240) days.
- (d) Such severance pay shall be paid in a lump sum following separation from employment but not more than sixty (60) days after the date of the employee's separation.
- (e) Effective April 12, 2003 and thereafter, 100% of the amount payable under this Section shall be deposited into the Health Care Savings Account (MSRS). This deposit shall occur within thirty (30) days of the date of retirement.

- (f) If an employee entitled to payment under this Section dies prior to receiving the full amount of such benefit, the remaining payments shall be made to the beneficiary entitled to the proceeds of his or her Minneapolis group life insurance policy or to the employee's estate if no beneficiary is listed.

For purposes of this article, continuous years of service shall be determined in accordance with the following:

- (a) Credit During Authorized Leaves of Absence. Time on authorized leave of absence without pay, except to serve in an unclassified position, shall not be credited toward years of service, but neither shall it be considered to interrupt the periods of employment before and after leave of absence, provided an employee has accepted employment to the first available position upon expiration of the authorized leave of absence.
- (b) Credit During Involuntary Layoffs. Employees who have been involuntarily laid off shall be considered to have been continuously employed if they accept employment to the first available position. Any absence of twelve (12) consecutive months will not be counted toward years of service for vacation entitlement.
- (c) Credit During Periods on Disability Pension. Upon return to work, employees shall be credited for time served on workers' compensation (those returning to active employment after January 1, 1996) or disability pension as the result of disability incurred on the job. Such time shall be used for the purpose of determining the amount of vacation to which they are entitled each year thereafter.
- (d) Credit During Military Leaves of Absence. Employees returning from approved military leaves of absence shall be entitled to vacation credit as provided in applicable Minnesota statutes.

Subd. 2. - Vacation Benefit Levels.

Eligible employees shall earn vacations with pay in accordance with the following schedule:

The Plan Document shall control all questions of eligibility, enrollment, claims and benefits.

ARTICLE 12- BULLETIN BOARDS

The City shall provide reasonable bulletin board space at work locations for use by the Union in posting notices of Union business and activities. The Union may communicate with its members regarding union business and activities via reasonable use of the City's email system. The Union shall work with the City to minimize the disruption to the City's information technology systems that may be caused by such email communications. The parties agree that the purpose of providing the Union with bulletin board space and access to the email system is to foster

effective communication relating to union business and is not to serve as a soap box to air complaints, offer political commentary or exchange personal messages among co-workers. Therefore, such union communications shall not contain anything that is political, offensive, obscene or that otherwise violates the City's Employee Policy on Electronic Communication.

ARTICLE 13- RULES AND REGULATIONS

It is understood that the City, through its Fire Department, has the right to establish reasonable rules and regulations. The Department agrees to enter into discussion with the Union on additions to or changes in the existing rules and regulations prior to their implementation.

ARTICLE 15- WORK ASSIGNMENTS

With regard to work assignments effective after December 31, 2008, and for each calendar year thereafter, bargaining unit employees shall be entitled to bid for assignments within their job classification on the following terms. Prior to the bid, the Employer will post a list of the available work assignments (ie., primary geographical location and work shift) at least two weeks prior to the commencement of the bid. The number and nature of the assignments shall be established by the Employer at its sole discretion. Employees shall be given the opportunity to select an available work assignment within their job classification in the order of their relative classification seniority. The bid shall be completed not less than two months prior to the beginning of the calendar year. Employees who miss their scheduled bidding time shall immediately be permitted to select an available assignment after contacting the Administration. Employees shall be allowed to make reasonable arrangements acceptable to the Employer to participate in the bid on an absentee basis such as, for example, by written proxy filed with the Department's Assistant Chief during the two (2) week notice period referenced above. Scheduling of days off pursuant to the provisions of Section 10.5 of this Agreement shall not begin until at least one (1) calendar week after the end of the published redraw schedule.

Although the parties desire to provide bargaining unit employees with a consistent work schedule and duties and an opportunity to work in assignments preferred by the employee; nothing herein shall limit the Employer's right or ability to reassign an employee after the bid when necessary to meet the legitimate business needs of the Department. To mitigate the impact on an employee, the Employer agrees that it will:

- when appropriate, try to meet its needs by seeking volunteers to change work assignments;

- give an employee at least 14 days' advance notice of an involuntary change in assignment; and
- upon the request of the employee, provide the employee with a statement of the business reason necessitating an involuntary change.

Section 15.1 – Staffing and Supervision Guidelines

The City recognizes the need to maintain adequate staffing and supervisory levels. To this end, the City will make reasonable efforts to assure that properly qualified supervisory staff are assigned to all shifts, balanced by the need to respect the employee's need to be away from the job and the organizational need to provide growth and development opportunities for the purpose of succession.

Section 15.2 – Hire Backs and Working Out Of Grade

.When the department does not hire back in grade and instead assigns employees to work out of grade, such employees will be paid out of grade pay for all out of grade assignments twelve (12) hours in duration or greater. Section 16.1

The City will discipline employees who have completed the required probationary period only for just cause.

Disciplinary suspensions in excess of 59 consecutive calendar days will be deducted in their entirety from an employee's total time served for any class of seniority. Suspensions of less than 60 consecutive calendar days will have no effect on the seniority of the involved employee.

Section 16.2

A suspension, written reprimand, demotion or discharge of an employee who has completed the required probationary period may be appealed through the grievance procedure as contained in Article 5 (*Grievance and Arbitration*) of this Agreement.

Section 16.3 – Investigative Procedure

Interviews of personnel will, to the extent possible, be conducted in the following manner:

- Advance notification of the interview will be given to the employee. This notice will generally be at least 2 hours. This time may be less if Union representation is working the same shift.
- Individuals notified for an investigative interview will be notified whether they are the subject of the investigation or a witness.

- All individuals will be afforded the ability to have Union representation regardless if they are the subject of the investigation or a witness.
- Interviews will be conducted, to the extent feasible, during shifts that the individuals being interviewed are working.
- Just prior to the interview, a brief description of the issue(s) will be given to the employee to be interviewed. A short period of time (10-15 minutes) will be granted to the employee to confer with Union representation if they so desire.
- Subjects of investigations or witnesses shall not discuss the investigation with anyone other than Union or Legal representatives. Retaliation against any witness or person making allegations is prohibited and may subject the violator to additional disciplinary action.
- The Investigator may tape record the interview but will do so if the employee requests. If the interview is to be tape recorded, a transcript will be prepared and the employee will be given an opportunity to review the transcript and make any corrections. At the employee's request he/she will be given a copy of the final signed transcript.

ARTICLE 17- CIVIL SERVICE RULES

Section 17.1 – General

The City and the Union agree that they will actively support, for the term of this Agreement, before the Minneapolis Civil Service Commission and otherwise, existing Civil Service Rules relating to affirmative action and other matters covered by the Rules, except to the extent such rules are contrary to the terms of this Agreement.

Section 17.2 - Selection of Certified Eligibles: District Chiefs

When the Department requests a list of certified eligibles to fill a vacant position covered by this Agreement, the three (3) highest ranking eligibles on the list of eligibles, shall be certified to the appointing authority for selection. However, if State Law establishes a different number to be certified, the number established by the State Law shall be used. Any of the eligibles certified to the appointing authority may be selected to fill the involved vacant position.

Section 17.3 – Probationary Periods

Notwithstanding the provisions of the Minneapolis Civil Service Rules, employees promoted to Battalion Chief shall serve a probationary period of six months of active payroll status, excluding sick leave and/or time spent on Workers Compensation. At the discretion of the Fire Chief, an employee's probationary period may be extended for 3-months with prior notification, including reasons, to the employee and the Union. If a Battalion Chief is removed from such position during the probationary period, the employee may not grieve removal from the position of Battalion Chief but shall be returned to his/her last held Civil Service position. If discipline is imposed in addition to removal from the position, such discipline is grievable.

ARTICLE 18- LABOR-MANAGEMENT COMMITTEE

During the life of this Agreement, the Parties shall periodically meet through their Joint Labor-Management Committee to discuss matters of mutual interest and concern. Said committee shall adopt bylaws to effectuate the purposes of: a) improving the relationship between and among the City, the Union and Fire Department personnel, b) increasing the quality of service provided to the citizens of the City of Minneapolis by Department personnel, and c) improving the efficiency with which such service is provided.

ARTICLE 19- SAVINGS CLAUSE

The Parties agree to abide by all Federal laws, the laws of the State of Minnesota, the Minneapolis City Charter, and the rules and regulations of the Minneapolis Civil Service Commission. Any provisions of this Agreement held to be contrary to law by a court of competent jurisdiction from which final judgment or decree no appeal has been taken within the time provided by law shall be void. All other provisions shall continue in full force and effect.

ARTICLE 20- WORK PLACE ENVIRONMENT

The Employer and the Union reaffirm their commitment to encourage and maintain a work environment which is hospitable to all employees, managers and supervisors. To that end, the Employer and the Union shall continue to refine a formal *alternative dispute resolution* (ADR) system for the purpose of managing conflict resolution systems and/or to provide coaching and training to employees, managers, and supervisors in conflict resolution techniques.

ARTICLE 21-TOBACCO USE PROHIBITED

The City and Union acknowledge that the use of tobacco products poses a significant health risk to employees, substantially increases the cost of health care and reduces the quality of life and productivity of employees. Therefore, the City and Union have agreed on the following measures to limit tobacco use by employees in addition to existing work rules.

The following provisions shall apply to employees hired after January 1, 2008:

- The use of tobacco products shall be prohibited while an employee is on-duty.
- An employee who uses tobacco while on-duty shall be subject to appropriate discipline to correct the behavior and, in the event of multiple violations of the prohibition of on-duty tobacco use, consistent with principles of progressive discipline as set forth in the Department's disciplinary grid.
- Before discipline is imposed, an employee shall be offered an opportunity to complete a tobacco cessation program in lieu of discipline.

- For subsequent violations of the prohibition of on-duty tobacco use, the Chief, in his/her sole discretion, may mitigate the discipline if the employee successfully completes a smoking cessation program.

The following provisions shall apply to employees hired prior to January 1, 2008:

- The City and Union shall identify and promote tobacco cessation programs to tobacco-using employees.
- The City and Union shall explore appropriate incentives and work rules to assist employees in becoming and remaining tobacco-free.

ARTICLE 22 - HEALTH CLUB MEMBERSHIP ELIGIBILITY

Section 22.1 – Eligibility.

All bargaining unit employees, except those whose eligibility is revoked, are eligible for a single membership at the facility selected pursuant to the terms of this Article. The club membership dues for all eligible employees shall be paid by the Employer. For the purposes of this provision, eligibility is limited to only those employees listed as “active”, e.g. receiving wage compensation or accrued sick/vacation payment, on the first of each month. Employees who separate from service with the Department during a calendar year by reason of retirement shall continue to be eligible for membership for the remainder of the calendar year in which such retirement becomes effective. The Employer and the Union shall use their best and reasonable efforts to select a Primary Facility that is mutually agreeable to both Parties. In order to control its costs, the Employer may solicit bids or proposals from potential providers. The selection of the successful bid or proposal shall be made by the Employer after conferring with the Union.

Section 22.2. - Periodic Medical Examinations.

Medical examinations of bargaining unit employees will be performed as per OSHA requirements. Whether or not participating in the fitness evaluation under Section 22.3, employees will fill out a medical questionnaire for review by the City Physician. This questionnaire is required to be cleared to wear an S.C.B.A. Follow up with the Physician could be necessary based on the answers given on the questionnaire. This program will meet the OSHA medical requirements that Firefighters demonstrate each year that they can perform the duties of interior structural fire fighting.

Section 22.3. - Physical Fitness Evaluation

Subd. (a) – General Evaluation Protocol.

All employees promoted into the bargaining unit after December 31, 2007 will complete a fitness evaluation every two (2) years in the same years as the promoted employees covered under the Labor Agreement between the City and Local 82 for the Fire Fighters Unit. Employees promoted into the bargaining unit prior to January 1, 2008, may, but shall not be

required to, take the fitness evaluation when offered to promoted members of the Firefighters bargaining unit.

The fitness evaluation will consist of a measure of the employee's muscle strength (e.g., arms, legs, and hands), muscle power (e.g., vertical jump), muscle endurance (e.g., push up/pull up/sit up/wall sit or squat test), flexibility (e.g., sit & reach) and cardiovascular or aerobic capacity.

Prior to the employee's scheduled evaluation, he/she will be required to complete a risk assessment questionnaire (PAR-Q). This questionnaire will initially be reviewed by the exercise physiologist who will determine the appropriate evaluation protocol.

When the employee is determined fit to undergo the evaluation, such evaluation will be conducted in private while the employee is on duty at predetermined dates identified by the Employer. Employees will follow the instructions given to them regarding the evaluation.

An employee may be excused from taking the evaluation on the scheduled date if it falls on the date of the employee's scheduled vacation or if the employee requests to be excused due to an existing illness or injury. In cases where such existing illness or injury is not incurred in the line of duty, the limited duty and administrative leave provisions set forth below shall not be applicable. The evaluation shall be rescheduled as soon as possible by the Employer after the employee's illness or injury has healed.

The evaluation will result in the preparation of a report to the employee of his/her fitness level relative to fire fighters of like age and gender from a national test sample and, where appropriate, the preparation of a recommended regimen by an exercise physiologist for the purpose of assisting the employee in improving his/her fitness. The Employer will receive an aggregate summary of the fitness level of all employees relative to Firefighters of like age and gender from a national test sample. Data from employees who participate in an alternative method of evaluation (e.g. step-test or predicted formula) will result in the preparation of a report to the Employer describing the total number of employees evaluated by each alternative method. No individual data, such as the employee's name, age, gender and evaluation outcome will be provided or made accessible to the Employer.

Subd. (b) –Fitness to Undergo Evaluation

If the employee cannot complete the evaluation or if the exercise physiologist or other person administering the evaluation (collectively the "Evaluation Administrator") determines prior to or during the evaluation that proceeding with or completing the evaluation could pose a risk to the health of the employee, the employee will be notified that he/she should be examined by a doctor. Such notification shall be in writing and shall contain a description of the condition to be evaluated by the doctor and the physical requirements of the position. The Employer will not be notified of the referral to the doctor or the underlying reasons for the referral provided that the employee submits to the Evaluation Administrator within thirty (30) days of the referral notice documentation from a physician that he/she is cleared to proceed with the evaluation. After the employee provides documentation from a physician that he/she is cleared to take the evaluation, the Evaluation Administrator will then reschedule the evaluation as soon thereafter as is practical.

If the employee chooses, he/she may obtain such medical clearance at no cost by seeking reimbursement from the Fire Department for the out-of-pocket expenses (those not covered by insurance) from his/her own physician or by being examined by the City's physician. The Employer will obviously learn of the existence of the referral (but not of the details of the medical exam) if the employee is seeking to have the Employer pay for the exam, however there will be no adverse consequences to the employee if he/she is cleared to take the evaluation. The employee may also report the condition to the Employer at any time before the expiration of the thirty (30) day period if the employee becomes concerned that the condition puts him/her at risk in performing his/her regular duties, thereby invoking the provisions of Subd. (c), below.

Subd. (c) –Fitness for Duty

If the employee does not submit to the Evaluation Administrator within thirty (30) days of the referral notice documentation that he/she is cleared by a physician to take the evaluation, the Evaluation Administrator will notify the Employer that the employee was unable to take or complete the evaluation for medical reasons. If the Evaluation Administrator or the employee notifies the Employer of a condition that is of a nature that would put the employee at risk if he/she were performing his/her regular duties, the employee may be restricted from returning to full-duty and, if so restricted, shall be placed, at the discretion of the Chief, on a limited duty assignment or paid administrative leave pending examination of the employee. The employee shall be examined by a physician of his/her choice for a determination as to the employee's fitness for full duty. The employee may also choose to be examined by the City's physician at no cost to the employee. If the employee is examined by his/her own physician, the Employer will reimburse the employee for any out-of-pocket expenses incurred as a result of the initial fitness evaluation, to the extent not covered by the employee's health insurance. Subsequent out-of-pocket medical expenses, if any, relating to the treatment of any condition identified by the employee's physician or the City's physician shall be borne by the employee. If the employee does not submit to an initial examination within fourteen (14) days of the date he/she is relieved of full-duty or if the employee fails to cooperate in submitting to any necessary subsequent examinations in a timely manner, the Chief may terminate the limited duty or administrative leave status and place the employee on unpaid leave, subject to the ability of the employee to use accrued time banks (sick leave or vacation). In order to return to full duty, the employee must produce documentation from his/her physician in a form acceptable to the Employer that the employee is cleared to resume full-duties. The Employer reserves the right to require an evaluation by the City's physician before allowing the employee to return to full duty.

If the employee becomes subject to work restrictions that prevent him/her from performing normal fire fighting duties, and if such employee is not ready to return to normal fire fighting duties within six months after such restrictions were imposed, the Department may terminate the limited duty assignment and designate the employee for placement on a medical layoff. If an employee is designated for placement on a medical layoff, the employee shall be entitled to exhaust his/her sick leave, vacation or other paid-time bank before the layoff becomes effective and may seek other employment within the City.

Subd. (d) – No Conflict With Workers’ Compensation Laws

Nothing in this Section 22.3 shall be construed to be in conflict with any rights or obligations of the Employer or employee under applicable Workers Compensation laws or regulations. If such conflict arises, the Workers Compensation laws and regulations shall prevail.

When an employee has been placed on a medical layoff, the employee’s recall from layoff shall be governed by Rule 12 of the Minneapolis Civil Service Rules; subject to the employee establishing his/her ability to return to normal fire fighting duties. Generally, if the period of time an employee is reasonably expected to be off the job is less than six months, a leave without pay may be more appropriate

Section 22.4 - Health Club Memberships.

Subd. (a) ***Eligibility***. All employees covered by this agreement are eligible for a single membership at the facility selected pursuant to the terms of this Agreement (the "Primary Facility"). The club membership dues for all eligible employees shall be paid by the City.

Subd. (b) ***Club Usage***. Employees who do not use the Primary Facility or an Alternate Facility may request that the City cancel their health club membership. An employee who requests cancellation of his/her membership shall be entitled to a one time payment of \$100. Such payment shall be made within thirty (30) days after the effective date of the cancellation of the membership.

Subd. (c) ***Reinstatement*** After an employee’s membership to the Primary Facility or to an Alternate Facility has been cancelled pursuant to Paragraph (b), above, he/she may be reinstated by requesting reinstatement in writing on a form to be supplied by the Department and, for employees who received the cancellation stipend referenced in subd. (b), by reimbursement of the \$100 cancellation stipend. Reimbursement shall be effective upon the next Entry Date as referenced in Section 22.4, subd.(g).

Subd. (d) ***Membership Upgrades***. Any employee who is eligible for a single membership may upgrade his/her membership to a family membership (or other type of upgraded membership) at the employee's option. The employee shall bear the additional cost of any such upgrade.

Subd. (e) ***Selection of Primary Facility***. The Primary Facility shall be one that is mutually agreeable to the City and the Union. In order to control its costs, the City may solicit bids or proposals from potential providers of the Primary Facility upon first obtaining the Union's approval as to the specifications of the solicitation for bids or the request for proposals, however, the selection of the successful bid/proposal shall be made jointly by the City and the Union.

Subd. (f) *Alternate Facilities*. The City and Union shall, by mutual agreement, establish and maintain a list of participating health club facilities (the "Approved List"). An employee may elect to opt out of the membership to the Primary Facility and instead maintain a membership at any facility on the Approved List (the "Alternate Facility"). Such an election shall become effective on the next Entry Date after the election and continue in effect until the next Effective Date after the employee revokes such election or ceases to be eligible for the benefit. All elections and revocations may be made only once per year, must be made in writing and must be delivered to the Department not less than one month before the applicable Effective Date (or as soon thereafter as practical for employees who become eligible in June or December). An employee who elects to maintain a membership at an Alternate Facility shall be entitled to reimbursement from the City in an amount up to the annual cost of a single membership to his/her choice of Alternate Facility. The reimbursement shall be funded as follows: solely by the City to the extent of the amount paid by the City per employee for a single membership to the Primary Facility; and the balance, if any, from any Sick Leave Credit Pay designated by the Employee pursuant to Section 11.2.

Subd. (g) No employee may use the Primary Facility or alternate facility while on duty.

ARTICLE 23—FITNESS FOR DUTY

Section 23.1 - Statement of Policy and Purpose.

The Minneapolis Fire Department and its employees know that the performance of fire suppression and life safety duties is inherently demanding and that such duties are sometimes performed under dangerous conditions and/or in a stressful environment. It is, therefore, important to the Department for the safety of its employees and the public to ensure that all personnel in the service of the Department are medically, psychologically and emotionally fit for duty. It shall be the policy of the Minneapolis Fire Department to require fitness for duty examinations in accordance with the provisions set forth herein.

It is the purpose of this policy to establish basic procedures for identifying members of the bargaining unit who may suffer from medical, psychological or emotional conditions which impair their ability to perform their job duties satisfactorily. This policy shall be administered in a manner which is consistent with the Department's desire to treat affected employees with dignity and respect under such circumstances and to provide information and assistance to them concerning their fitness for duty.

It is the goal of the City of Minneapolis to have healthy and productive employees and to facilitate successful treatment for those employees experiencing debilitating health problems. In furtherance of this goal, the Department is committed to applying this Policy to promote rehabilitation, rather than discipline, while minimizing the interruption to the employee's life and career and to the employer's operations.

Section 23.2 - Circumstances Requiring Fitness For Duty Examinations.

The Chief or Assistant Chief of the Fire Department may require an employee to be examined under this policy in the circumstances described below:

- (a) Where there exists a reasonable cause to believe, based upon specific observations and facts that an employee may not be medically, psychologically or emotionally fit to perform the essential functions of the position to which he or she is assigned. Such reasonable suspicion must be based upon information provided to a supervisor that the employee is currently exhibiting conduct which reasonably demonstrates that the employee may be suffering from a physical or psychological condition which prevents the employee from effectively performing his/her duties and upon a reasonable assessment or investigation by the Chief or his/her designee as to the reliability and/or legitimacy of such information;
- (b) Where an employee is returning to active service after a leave of absence without pay or similar absence or where the employee has been outside of the Department's observation or control for a period longer than six (6) calendar months.
- (c) Where an employee is returning to active service after a serious illness, injury or medical condition whether or not the employee's personal physician has placed restrictions on the employee's job-related activities.
- (d) Where an employee has been involved in an incident where the potential for physical or psychological trauma to the employee was significant.
- (e) Where the employee contends he/she is not medically, psychologically or emotionally fit for duty.

The provisions set forth in paragraphs (b) and (c) above shall not apply to psychological evaluations. A physician evaluating the physical fitness for duty may refer an employee for a psychological evaluation pursuant to the provisions of Section 23.4 below.

Section 23.3 - Directives To Be Examined; Notice.

At the time an employee is required by the Department to undergo a fitness for duty examination, the Chief or Assistant Chief shall inform the employee of the reason(s) for the examination and shall provide the employee with a detailed summary of the information provided by the Department to the examining physician or other licensed medical provider. Except as described below in cases involving psychological examinations, refusal to submit to a required fitness for duty examination shall subject the employee to disciplinary action. In such cases, the employee shall not be permitted to work until the fitness for duty examination has been conducted and a fitness for duty finding has been made.

Section 23.4 - Psychological Evaluations; Reasonable Basis; Appeals.

In accordance with the holding of the Minnesota Court of Appeals in *Hill v. City of Winona*, an employee may challenge the basis upon which the Chief or Assistant Chief relied in making the referral for the psychological evaluation before the employee shall be required to submit to a psychological fitness for duty evaluation pursuant to Section 23.2(a). Such a dispute shall not be subject to the grievance procedures set forth in Article 5 of this Agreement, but instead shall be resolved by the procedure set forth herein. The dispute shall be referred to an appeal committee consisting of the President of the Union plus two persons designated by him/her and the Chief of the Department and two persons designated by him/her. The Committee shall review all the information available to the Chief regarding the referral for the evaluation for the purpose of determining whether the factual basis for the referral is accurate and whether the referral is necessary. The Committee may seek additional information or refer the matter back to the Chief for further investigation. The Committee shall have the authority to make a final determination regarding the underlying facts upon which the referral was based and regarding whether the referral is necessary. Decisions of the Committee shall be by consensus. The Committee may seek outside assistance in the event it is having difficulty reaching a consensus. If a consensus cannot be reached on the issue of the underlying facts, the decision of the Union President, after seeking and considering input from the Committee members, shall be final and binding. If a consensus cannot be reached on the issue of whether the fitness for duty exam is necessary, the decision of the Fire Chief, after seeking and considering input from the Committee members, shall be final and binding.

Section 23.5 - Examining Physicians; Costs.

The physicians and/or other licensed medical providers relied upon by the Department in the administration of this policy shall be selected and employed by the Department. To minimize the delay in evaluating the employee, the Department shall have more than one physician and/or licensed medical personnel to conduct fitness for duty evaluations.

The Department shall bear all costs associated with fitness for duty examinations required under this policy and all time required by such examinations shall be regarded as "work time" under the Fair Labor Standards Act and the provisions of this Collective Bargaining Agreement.

Notwithstanding the fact that the Employer is paying for the cost of the exam, the relationship between the employee and the doctor shall be that of "doctor and patient" and shall be subject to all applicable federal and state laws governing the confidentiality of medical information.

Section 23.6 - Adverse Findings; Appeals.

Where it is determined that an employee is not fit for duty, the examining physician shall prepare a written report which includes the following:

- (a) A specific diagnosis of the employee's condition and the reasons why such problem renders the employee unfit for duty;

- (b) A statement as to whether the employee, with reasonable accommodation, is able to perform the essential functions of the job;
- (c) A specific treatment plan, if any; and
- (d) A prognosis for recovery and a schedule concerning re-examination.

The employee shall sign an appropriate release, if deemed necessary by the examining physician, in order to authorize the doctor to disclose to the Chief the forgoing information. A copy of the examining physician's written report shall be provided to the Chief of the Department and to the employee unless the examining physician or other licensed medical provider documents with reasonable specificity that disclosure of the information in the report is likely to cause harm to the employee or to others. In such cases, the information shall be handled and/or disclosed in a manner consistent with prevailing medical and/or legal authority.

In the event the employee disagrees with the determination of the examining physician or other licensed medical provider that he/she is not medically, psychologically, or emotionally fit for duty, the employee may submit medical information from a physician or other licensed medical provider of his/her own choosing. The employee shall be responsible for all costs associated with the second opinion that are not otherwise covered by the employee's medical insurance. Where the employee's physician and the Department's physician have issued conflicting opinions concerning the employee's fitness for duty, the Department and Union shall encourage the two physicians to confer with one another in an effort to resolve their conflicting medical opinions. If they are unable to do so within fifteen (15) calendar days after the date of the second opinion, the dispute concerning the employee's fitness for duty may be submitted by the Union to a neutral examining physician or other licensed medical provider (the "Neutral Examiner")

The Union and the Department shall establish one list of not less than three qualified Neutral Examiners who shall all have expertise regarding psychological or emotional disorders and one list of not less than three qualified Neutral Examiners who shall all have expertise regarding physical illnesses or injuries. All Neutral Examiners shall be qualified to opine as to the employee's fitness to engage in fire suppression and life safety duties. When the services of a Neutral Examiner become necessary, the referral to the Neutral Examiner must be made within thirty (30) calendar days after the date of the opinion from the employee's physician or licensed medical provider and the employee shall select the Neutral examiner from the established list. If no such referral is timely made, the determination by the City doctor shall be final and binding. Further, if the employee timely makes the referral but fails to make the selection of the Neutral Examiner within five (5) business days after the services of the Neutral Examiner are deemed necessary, the Employer may select the Neutral Examiner from the panel.

The Neutral Examiner may make a determination based on the files and records of the City's and Employee's respective doctors. In addition, if the Neutral Examiner determines it necessary, the employee shall be directed to submit to an evaluation by the Neutral Examiner. The decision of the Neutral Examiner shall be final and binding on the parties. If the Neutral Examiner determines that the employee is not fit for duty, he/she shall issue a written report to the parties which includes the information specified above. To the extent not covered by insurance, the cost

of the Neutral Examiner shall be split equally between the City and the Union. The dispute resolution procedures outlined herein shall not apply to Workers' Compensation cases

At such time as the Department determines that an employee shall be required to submit to a fitness for duty evaluation and/or during the time any controversy concerning the employee's fitness for duty is being resolved, the Department may reassign the employee to other duties or relieve the employee from duty in its sole discretion. In the latter event, the employee shall be placed on paid leave of absence status which may be revoked if the employee fails to fully cooperate with the Department or its examining physicians and/or other licensed medical providers.

Section 23.7 – Layoff for Medical Reasons.

When an employee who has been found to be not fit for duty has exhausted his/her sick leave, vacation, and compensatory time banks, the employee may be laid off for medical reasons until he/she is again capable of resuming the duties. The employee's recall from layoff shall be governed by Section 16.4; however, the Department may require a satisfactory medical report from the City's health services provider before re-employment. Generally, if the period of time an employee is expected to be off the job is less than six months, a leave without pay may be more appropriate.

ARTICLE 24- BUDGETARY LEAVE

Notwithstanding any provision of the Labor Agreement, Civil Service Rules, or the policies of the Employer to the contrary, so long as this Agreement remains in effect, an employee may request an unpaid leave of absence under the terms of this Section. The request shall be granted unless the Chief, in his/her discretion, determines that such leave would be contrary to the legitimate business needs of the Department. Reasons for any denial shall be provided to the employee. Additionally, leaves may be cancelled upon an Emergency declaration by the Chief, but shall be sensitive to circumstances of the employee.

An employee may request a leave of absence for a continuous period of not less than four weeks and not more than 12 months. Such leave shall be taken in increments of not less than one week. To be eligible for the leave, the employee must notify the Employer in writing on or before September 1 of the year prior to the calendar year in which the leave is to occur. Such written notice shall include the requested starting and ending date of the leave. Once granted by the Employer, the employee must take such leave during the period requested and may not return to work unless the Employer, in its sole discretion agrees.

During such budgetary leave of absence, an employee shall continue to accrue vacation, sick leave and seniority and the Employer shall continue to pay the Employer's portion of any health or life insurance premiums in effect with regard to such employee immediately prior to the commencement of such leave. Similarly, the employee shall continue to pay any monthly employee portions in order to maintain benefit levels.

ARTICLE 25 - FUNERAL LEAVE

A leave of absence of three calendar days shall be granted in the event of the death of an employee's spouse, registered domestic partner within the meaning of Minneapolis Code of Ordinances Chapter 142, child, stepchild, son-in-law, daughter-in-law, parent, stepparent, father-in-law, mother-in-law, brother, sister, stepbrother or stepsister, grandparent or grandchild, or members of employees' households. For purposes of this section, these terms shall be applied as if the employee's registered domestic partner were his/her spouse. The leave shall be taken for any one of the following scenarios at the discretion of the employee: the day of the funeral and the two days preceding the funeral; the day of the funeral and the day before and the day after the funeral; or the day of the funeral and two days after the funeral. The leave of absence shall be paid leave with regard to any scheduled work days missed as a result of the leave.

Additional time off without pay, or vacation, if available and requested may be granted as may be granted as may reasonably be required under individual circumstances.

ARTICLE 26 – TUITION REIMBURSEMENT

The Employer shall reimburse an employee for the cost of tuition paid to a post-secondary institution that is incurred for class credits toward a degree that is required by the employer as a condition to: retain a position held by the employee; or be eligible to take an exam or be selected for promotion to a position within the bargaining unit. The Employer may, in its sole discretion, reimburse employees for the cost of tuition paid to a post-secondary institution for class credits toward degrees other than those required by the Employer provided such reimbursement decisions are made fairly based on written criteria promulgated by the Employer. No reimbursement shall be made under this Article for any class unless the employee attains at least a "C," or equivalent passing grade, in the class.

ARTICLE 27- DURATION AND EFFECTIVE DATE

Section 27.1

This Agreement shall be effective as of January 1, 2008 and shall remain in full force and effect to and including December 31, 2010, subject to the right on the part of the City or the Union to open this Agreement by written notice to the other Party not later than May 15, 2010. Failure to give such notice shall cause this Agreement to be renewed automatically for a period of twelve (12) months from year to year.

Section 27.2

In the event such written notice is given and a new Agreement is not signed before the expiration date of the old Agreement, then said Agreement is to continue in force until a new Agreement is signed.

**CITY OF MINNEAPOLIS
DRUG AND ALCOHOL TESTING POLICY
*Fire Service Employees***

Abuse of drugs and alcohol is a nationwide problem. It affects persons of every age, race, sex and ethnic group. It poses risks to the health and safety of employees of the City of Minneapolis and to the public. To reduce those risks, the City and the Unions who represent its employees, have jointly, by collective bargaining, adopted this policy concerning drugs and alcohol in the workplace. This policy establishes standards concerning drugs and alcohol which all employees must meet and it establishes a testing procedure to ensure that those standards are met.

This drug and alcohol testing policy is intended to conform to the provisions of the Minnesota *Drug and Alcohol Testing in the Workplace Act* (Minnesota Statutes §181.950 to 181.957), as well as the requirements of the federal *Drug-Free Workplace Act of 1988* (Public Law 100-690, Title V, Subtitle D) and related federal regulations.

The Employer will request or require an individual to undergo drug or alcohol testing only under the circumstances described in this policy.

4. CIRCUMSTANCES FOR DRUG OR ALCOHOL TESTING

The Employer may request or require an employee to undergo drug and alcohol testing if the Employer or any supervisor of the employee has a reasonable suspicion related to the performance of the job that the employee:

The Employer shall not request an employee to submit a drug or alcohol test unless two (2) agents of the Employer have confirmed the existence of *reasonable suspicion* within the meaning of this Policy.

5. REFUSAL TO UNDERGO TESTING

- A. **Right to Refuse** - Employees have the right to refuse to undergo drug and alcohol testing. If an employee refuses to undergo drug or alcohol testing requested or required by the Employer, no such test shall be given.
- B. **Consequences of Refusal** - If any employee refuses to undergo drug or alcohol testing requested or required by the Employer, the Employer may recommend to the Civil Service Commission that the employee may be discharged from employment on ground of insubordination and any other appropriate grounds.

6. PROCEDURE FOR TESTING

- A. **Notification Form** - Before requesting an employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to (1) acknowledge that the individual has seen a copy of the Employer's *Drug and Alcohol Testing Policy*, and (2) indicate any over-the-counter or prescription medications that the individual is currently taking or has recently (within the last month) taken, and any other information relevant to the reliability of, or explanation for, a positive test result, and (3) indicate consent to undergo the drug and alcohol testing.
- B. **Test Sample** - The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent practicable, consistent with preventing tampering with the sample. 7. RIGHTS OF EMPLOYEES

Within three (3) working days after receipt of the test result report from the testing laboratory, the Employer shall inform in writing an employee who has undergone drug or alcohol testing of:

- A. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;
- B. The right to request and receive from the Employer a copy of the test result report;
- C. The right to request within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee's expense at the original testing laboratory or another licensed testing laboratory;
- D. The right to submit information to the employer within three (3) working days after notice of a positive test result to explain that result;
- E. The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;

- F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;
- G. The right, if suspended without pay, to be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative;
- H. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;
- I. The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;
- J. The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.
- K. The right to have no entry made in any personnel file respecting the circumstances surrounding a requested test, the administration of the test or the results thereof if the results are negative.

8. ACTION AFTER TEST

The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test. Where there has been a positive test result in a confirmatory test and in any confirmatory retest, the Employer will do the following unless the employee has furnished a valid medical reason for the positive test result:

- A. **First Offense** - The employee will be referred for an evaluation by a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency. If the employee either refuses to participate in the counseling or rehabilitation program or fails to successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, and alcohol or drug abuse prevents the employee from performing the essential functions of the job in question or constitutes a direct threat to property or the safety of others or otherwise constitutes a bona fide occupational qualification, the Employer may discharge the employee from employment.

- B. **Second Offense** - Where alcohol or drug abuse prevents the employee from performing the essential functions of the job in question or constitutes a direct threat to property or the safety of others or otherwise constitutes a bona fide occupational qualification, and the employee has previously received one program of treatment required by the Employer within the last five (5) years while an employee of the Employer, the Employer may recommend to the Minneapolis Civil Service Commission that the employee be discharged from employment.
- C. **Suspensions and Transfers** - Notwithstanding any other provisions herein, the Employer may temporarily suspend the tested employee or transfer that employee to another position at the same rate of pay pending the outcome of the confirmatory test and, if requested, the confirmatory retest, provided the Employer believes that it is reasonably necessary to protect the health or safety of the employee, co-employees, or the public.
- D. **Other Misconduct** - Nothing in this policy limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay for a period not to exceed ninety (90) calendar days, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.

9. DATA PRIVACY

The purpose of collecting a body component sample of blood, breath, or urine is to test that sample for the presence of drugs or alcohol. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result is requested to ensure that the test is reliable and to determine whether there is a valid medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The Employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to another employer or to a third party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order.

10. APPEALS PROCEDURES

- A. Concerning disciplinary actions taken pursuant to this drug and alcohol testing policy, available appeal procedures are as follows:

- 1) Non-Veterans on Probation: An employee who has not completed the probationary period and who is not a Veteran has no right of appeal to the Civil Service Commission.
 - 2) Non-Veterans After Probation: An employee who has completed the probationary period and who is not a Veteran has a right to appeal to the Civil Service Commission only a suspension of over thirty (30) days, a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action.
 - 3) Veterans: An employee who is a Veteran has a right to appeal to the Civil Service Commission a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within sixty (60) calendar days of the date of mailing by the Employer of notice of the disciplinary action, regardless of status with respect to the probationary period. An employee who is a Veteran has a right to appeal to the Civil Service Commission a suspension of over thirty (30) days if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action. An employee who is a Veteran may have additional rights under the Veterans Preference Act, *Minnesota Statutes* §197.46.
- B. All notices of appeal must be submitted in writing to the Minneapolis Civil Service Commission, Room #100 Public Service Center, 250 South 4th Street, Minneapolis, MN 55415-1339.
- C. An employee who is covered by a collective bargaining agreement may elect to seek relief under the terms of that agreement by contacting the appropriate Union and initiating grievance procedures in lieu of taking an appeal to the Civil Service Commission.

11. EMPLOYEE ASSISTANCE

Drug and alcohol counseling, rehabilitation, and employee assistance are available from or through the City's employee assistance program provider.

12. DISTRIBUTION

**MEMORANDUM OF AGREEMENT ON
SICK LEAVE AND EMERGENCY TIME OFF**

RECITALS

A. The City of Minneapolis ("Employer") and the Minneapolis Association of Fire Chiefs ("Union") are parties to a collective bargaining agreement that expired December 31, 2006, but which remains in full force and effect (the "CBA").

B. Consistent with Rule 15 of the Minneapolis Civil Service Rules, sick leave is to be used only when the employee or a family member dependent upon the employee for care is suffering from an illness or injury that precludes the employee from being able to work. Use of sick leave under any other circumstances is not acceptable and contributes to staffing and/or financial problems that adversely impact all employees, the Department and the citizens of Minneapolis.

C. The Employer and Union acknowledge that various unforeseen situations can arise in an employee's life which may require his/her absence from work under circumstances that are not adequately covered by existing types of paid-leave benefits. In the past, the lack of a means to accommodate such occurrences has caused employees to report off on sick leave to attend to such matters even though the use of sick leave is not appropriate.

D. During the course of negotiations for the successor to the CBA, the Employer and Union reached an agreement to try a new form of paid time off on the terms and conditions set forth below in order to accommodate certain emergencies and allow employees to be honest about the reason(s) they need to be excused from work.

NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

AGREEMENT

1. Notwithstanding the provisions of Section 10.1 of the CBA, effective as of the first day of the 2008 payroll year, sworn members of the Minneapolis Fire Department who are assigned to the 24-hour shift shall receive 120 hours of sick leave annually (5 24-hour shifts) and 24 hours of Emergency Time Off.

2. Emergency Time Off ("ETO") may be requested by an employee as a means for obtaining paid time off for an event that:

- a. was unforeseen at the time of the bid for scheduled time off (vacation, holidays and work reduction days); and
- b. either prevents the employee from being able to report for or remain at work, or reasonably requires the presence of the employee.

ETO is created only for the purpose of accommodating these unforeseen events and does not constitute additional vacation or any other means for an employee to take additional discretionary time off without cause.

3. Requests for ETO shall be made to the employee's immediate supervisor as soon as the circumstance is known to the employee and in no event, other than the involuntary incapacitation of the employee, after the commencement of the employee's scheduled shift. ETO may not be used retroactively to cover for an employee who is AWOL. A supervisor may deny a request for ETO or require verification of the circumstances if the supervisor reasonably believes that the conditions specified in paragraph 2, above, are not satisfied.

4. An employee may use ETO for up to 24 hours per year. However, regardless of the time absent, an employee may not use ETO more than four times per year.

5. ETO is not intended to supplant voluntary trades among employees or arrangements with the Employer to reschedule vacation time. Employees are strongly encouraged to use such alternate means to obtain time off whenever possible and before requesting ETO.

6. Following the end of the payroll year in which the ETO is accrued, any unused ETO will be converted to Sick Leave and added to the Employee's sick leave bank.

7. This agreement will expire on the last day of the 2009 payroll year, but shall automatically renew for successive terms of one year each unless either party notifies the other in writing of the intention to terminate the agreement not less than sixty (60) days prior to the end of the payroll year.

8. The CBA and Rule 15 of the Civil Service Rules remain in full force and effect, except as expressly modified herein.

WHEREAS, the City of Minneapolis (hereinafter "Employer") and the Minneapolis Association of Fire Chiefs, Fire Chiefs Unit, (hereinafter "Union") are parties to a Collective Bargaining Agreement that is currently in force; and

WHEREAS, the Parties desire to provide quality health care at an affordable cost for the protection of employees, which requires a modification to the current Collective Bargaining Agreement as it relates to the funding of Health Care beginning in 2007; and

NOW, THEREFORE BE IT RESOLVED, that the parties agree as follows for the period January 1, 2007 through December 31, 2009:

1. The City will offer four (4) medical plans (two managed care models and two open access models) through Medica Insurance Company ("Medica") during the term of this agreement unless the parties mutually agree to the contrary.
2. For the period January 1, 2007 through December 31, 2007, the City will pay \$281.04 per month toward the premium cost of single coverage and \$979.55 per month toward the premium cost of family coverage for Plans 1, 2 and 3. The employee will pay the additional monthly premium costs associated with the selected plan through pre-tax payroll deductions.
3. For the period January 1, 2007 through December 31, 2007, the City will pay \$261.04 per month toward the premium cost of single coverage and \$899.55 per month toward the premium cost of family coverage for Plan 4 – Medica Choice. The employee will pay the additional monthly premium cost through pre-tax payroll deductions.
4. The City will continue the Health Reimbursement Arrangement ("the Plan"), which was established January 1, 2004 to provide reimbursement of eligible health expenses for participating employees, their spouse and other eligible dependents; and the Voluntary Employees' Beneficiary Association Trust (the "Trust") through which the Plan is funded.
5. The Plan shall be administered by the City or, at the City's discretion, a third party administrator.
6. The City shall designate a Trustee for the Trust. Such Trustee shall be authorized to hold and invest assets of the Trust and to make payments on instructions from the City or, at the City's discretion, from a third party administrator in accordance with the conditions contained in the Plan. Representatives of the City and up to three representatives selected by the Minneapolis Board of Business Agents shall constitute

the VEBA Investment Committee which shall meet not less than quarterly to review the assets and investment options for the Trust.

7. The City shall pay administration fees and other expenses pursuant to the terms of the Plan and Trust.
8. The City shall make a contribution to the Plan in the annual amount designated below for each participant who has elected to be enrolled in the respective plan. Such City contribution shall be made in monthly installments equal to one-twelfth of the designated amount and shall be considered to be contract value in the designated amount.

Plan Name	Single	Family
Plan 1 – Medica Elect/Essential	\$500.00	\$750.00
Plan 2 – Medica Elect/Essential	\$600.00	\$900.00
Plan 3 – Medica Choice	\$000.00	\$000.00
Plan 4 – Medica Choice	\$840.00	\$1,860.00

In the event of a forfeiture required pursuant to Section 5.5(b) of the Plan, following the death of a member who has no surviving spouse or qualified dependents, the amount forfeited will be divided evenly among the Plan accounts of members of the bargaining unit to which the deceased member last belonged. The amount to be forfeited will be calculated as of the date claims for reimbursement by the member or his/her estate are no longer timely pursuant to terms of the Plan. For purposes of eligibility to receive such forfeited amount, bargaining unit membership will be determined on the date such forfeiture is distributed.

9. Future employee contributions for medical plan coverage and/or Plan contribution amounts for 2008 and beyond shall be determined by the Benefits Sub-committee of the Citywide Labor Management Committee; however, the City shall bear 82.5% of any generalized medical premium rate increase and the employees shall bear 17.5% of any generalized medical premium rate increase, as determined by the medical plan carrier.
10. The Parties agree that, except for the City contributions to the Plan or other negotiated payments to a tax-qualified health savings account, incentives, discounts or special payments provided to medical plan members that are not made to reimburse the member or his/her health care provider for health care services covered under the medical plan (e.g. incentives to use health club memberships or take health risk assessments) are not benefits for the purposes of calculating aggregate value of benefits pursuant to Minn. Stat. § 471.6161, Subd. 5.
11. The unions shall continue to be involved with the selection of and negotiations with the medical plan carrier.
12. This agreement does not provide the unions with veto power over the City's decisions.
13. This agreement does not negate the City's obligation to negotiate with the unions as described by Minn. Stat. § 471.6161, Subd. 5.
14. The terms of this agreement shall be incorporated into the Collective Bargaining Agreement as appropriate without additional negotiations.

THE PARTIES have caused this Letter of Agreement to be executed by their duly authorized representative whose signature appears below.
