Any negotiations entered into with persons other than those defined herein, regardless of their position or association with the City, shall be deemed unauthorized and shall have no standing or weight of authority in committing or in any way obligating the City. It shall be the obligation of the City Manager or his designated representative to notify the employee organization in writing of any change in designation of the City's Representative for the purpose of negotiations.

The City agrees that during the term of this Agreement, it will deal only with the authorized representatives of the Bargaining Agent in a matter requiring mutual consent or other official action called for by this Agreement. - 6.3: Upon request to the Chief or his designee, a PBA City Employee Representative will not be unreasonably denied the opportunity to investigate and process grievances during working hours.

ARTICLE 7

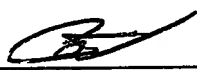

ACCOMMODATING INDIVIDUALS WITH DISABILITIES

7.1: The PBA understands that the City must comply with laws protecting individuals with disabilities, and to a certain extent the union may also be compelled to assist the City with certain issues that may arise when complying with obligations arising under these laws. It is a City managerial right to determine if accommodation is warranted, and if warranted, the manner by which to accommodate a qualified applicant or bargaining unit employee with a disability.

Whenever a bargaining unit member advises the City or the PBA that actions need to be taken by either party to comply with obligations arising under laws protecting individuals with disabilities, the party so informed will if and to the extent permitted by law have the affected employee make the necessary disclosures to the other party. However, the parties recognize that the bargaining unit member is not required or obligated to make such disclosure. If appropriate, the City, the PBA and the affected employee will meet in order to attempt to resolve the employee's claims.

The Equal Employment Opportunity Commission (EEOC) is currently reviewing the scope of an employer's obligations to make reasonable accommodation in the case where doing so may cause the employer to take action(s) arguably inconsistent with the provisions of a collective bargaining agreement. Should the EEOC's final determination regarding this issue impact the Collective Bargaining Agreement between the parties; the City or the PBA may reopen this Article for further negotiations.

ARTICLE 8

NO STRIKE PROVISION

- 8.1: No employee or employee organization may participate in a strike against the City of Pembroke Pines by instigating or supporting, in any manner, a strike. Strike means the concerted absence from one's position, the concerted stoppage of work, the concerted submission of resignation, the concerted use of sick leave or disruptively demonstrating by an employee or employee group, or in the concerted abstinence in whole or part from the full, faithful and proper performance of the duties of employment with the City for the purpose of inducing, influencing, condoning, or coercing a change in the terms and conditions of employment or the rights, privilege, or obligations of public employment, or participating in any manner in any course of conduct which adversely affects the services of the City.
- 8.2: The City agrees not to engage in any lock-out during the term of this agreement, or to subcontract bargaining unit work if the motive for the subcontracting is to coerce or intimidate the bargaining unit.

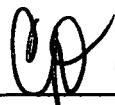

ARTICLE 9

TERM OF AGREEMENT

- 9.1: This Agreement shall be effective October 1, 2009 subject to ratification by the bargaining unit members and adoption by the City Commission of Pembroke Pines, FL., and shall continue until September 30, 2012.
- 9.2: It is understood and agreed that this Agreement constitutes the total agreement between the parties. No term of this Agreement shall be amended, except by the mutual written consent of the parties as they may from time to time agree.
- 9.3: Any Federal, State, or Local Legislation which has an impact upon this Agreement shall be reviewed by both parties with advice of legal counsel so as to properly adjust this Agreement to comply with the law when appropriate.
- 9.4: It is agreed that this Agreement shall terminate on September 30, 2012 thereafter all terms and conditions set forth in this Agreement shall be subject to renegotiations.
- 9.5: The City and the Broward County PBA agree to reopen negotiations regarding longevity pay, assignment pay and education reimbursement in April 2011 and 2012.

The City agrees to provide bargaining unit members with a copy of amendments and changes via email (the PBA will notify the City Clerk the name and email address of whom should receive such emails).

ARTICLE 12

HOURS OF WORK AND OVERTIME

- 12.1: The purpose of this Article is to define hours of work but nothing in this Agreement shall be construed as a guarantee or limitation of the number of hours to be worked, days per week, or for any other period of time, except as may be specifically provided herein.
- 12.2: Unless changed by the City pursuant to Section VII, the basic work period for bargaining unit employees will consist of a seven (7) day work period (cycle). Hours worked in an amount less than or equal to forty three (43) in a seven (7) day work period which are assigned by the City shall be compensated at the regular hourly rate of pay. Hours worked in excess of forty three (43) in a seven (7) day work period which are assigned by the City shall be compensated for in cash (or in time off, upon mutual agreement of the employee and the City). In either case, such overtime shall be compensated at time and one half (1 1/2) the employee's rate of pay, or time off at the rate of one and one-half (1 1/2) hour for each hour worked in excess of forty three (43) hours at the overtime rate. No compensatory time in lieu of overtime shall be accrued during the term of this Agreement; overtime will be paid as earned. The "7(k)" exemption from the overtime provision of the Fair Labor Standards Act apply to the employees covered by this agreement.
- 12.3: Employees who have earned compensatory time must use the time off during the fiscal year in which it is earned, provided that a maximum of forty (40) hours of compensatory time may be carried forward from one fiscal year to the next fiscal year. However, employees whose compensatory time accumulated exceeds the forty(40) hours on April 30, 1995 will be grandfathered at such accumulation and, therefore, will use their compensatory time accrual on April 30, 1995 as their maximum accrual. However, should such grandfathered employees reduce the amount of accrued time below that which existed on April 30, 1995, and do so before additional hours are earned, then the maximum allowable accrual shall be the amount to which it is reduced. Additional compensatory time earned in a subsequent fiscal year must be used during the fiscal year in which it is earned.

As of April 30, 2010, any compensatory time hours accumulated as of April 30, 2010 (up to the accrual max "grandfathered" as stated above) can remain in what shall be referenced as the "first comp time bank". No additional accruals will be allowed to the first comp time bank. As of May 1, 2010, employees who earn compensatory time must use the time off during the fiscal year in which it is earned, provided that a maximum of forty (40) hours of compensatory time may be carried forward from one fiscal year to the next fiscal year (non-cumulative), as stated above, in what shall be referenced as the "second comp time bank." Any time earned in excess of the forty (40) hour cap will be paid out at the employee's current rate of pay at the end of each fiscal year. An employee will be paid for any time in excess of their "grandfathered cap" hours of accrued comp time accrued in the first bank at the end of fiscal year 2010.

Employees will be permitted to use the time off within a reasonable period after making the request if it does not unduly disrupt the operations of the Police Department. However, nothing in this Agreement shall prohibit the City from substituting cash, in whole or in part, for compensatory time, at any time. Such a substitution will not affect subsequent granting of compensatory time off in future work weeks or work periods.

Except as specified above, employees shall be paid cash for any compensatory time not utilized prior to the end of the fiscal year it is earned or in the event the employee leaves the employ of the City with compensatory time on the books. Pay in lieu of time off will be made at the regular rate earned by the employee at the time the employee receives payment.

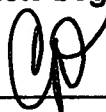

12.4: Nothing in this Article shall require payment for overtime hours not worked. In calculating the amount of overtime compensation due an employee only the hours actually worked shall be counted. Paid sick time shall not be included as hours worked for the purpose of overtime payment. Such extra compensation shall be credited toward overtime payable. Premium payments shall not be duplicated for the same hours worked under any of the terms of this Agreement. Other provisions of this Agreement notwithstanding, at no time will the City be required to pay time and one-half the employee's regular rate of pay unless the employee works over forty-three (43) hours in a seven (7) day work period.

12.5: No employee shall authorize overtime for himself, but shall be entitled to overtime work as assigned or authorized by the Police Chief, or his designee. It is understood that the City has the right to schedule overtime work as needed, and in a manner most advantageous to the City. Whenever practical an overtime roster system will be used when assigning overtime work. The system will provide a fair opportunity for each bargaining unit member who participates on a call basis for overtime by seniority, as described below. An employee called for overtime who is not available, for whatever reason, shall be charged as outlined in the current overtime bank policy. The overtime call-out policy shall be as follows:

When overtime is needed officers who are working the prior shift, in order of seniority, will receive first priority for overtime. Should no on-duty officer volunteer for the overtime, the call-out overtime list will be utilized. The call-out list will rotate just as the detail call-out list rotates. However, officers may not work more than two (2) double shifts in a row.

Furthermore, so that consistency is maintained this procedure must also be followed when there is advanced notice that overtime is needed. If there are no volunteers, the rotating call-out list will be utilized.

Officers will initially be placed on the call-out list in order of seniority within the applicable division and then by seniority for all other divisions. However, once the call-out lists begin they will perpetually rotate.

In an effort to reduce the amount of overtime needed for Alpha shift coverage, the listed procedure for filling Alpha shift overtime will be modified. To that end, a separate overtime call-out list consisting of Bravo shift members will be established. When overtime is needed for a portion of the Alpha shift (less than six hours), to maintain minimum staffing levels, officers on the Bravo shift overtime call-out list will receive first priority for the overtime. Should no one volunteer from the Bravo shift overtime call-out list, officers who are working the prior shift, in order of seniority, will receive first priority for the overtime from the end of their shift to meet the staffing needs. Should no on-duty officer volunteer for the overtime, the general overtime call-out list will be utilized. Should no one volunteer from the general overtime call-out list, the most junior officer on the prior shift shall work the overtime from the end of their shift to meet the staffing needs. However, officers may not be forced to work overtime more than two (2) days in a row.

For the purposes of section 12.5, specialized units shall not be considered a prior shift. However, specialized units may be utilized to fill overtime whenever the overtime roster system is not practical. For example, should Alpha shift unexpectedly fall below minimum staffing levels in the middle of the shift it would not be practical to utilize the overtime call-out list at 3 o'clock in the morning. However, nothing in this section shall prevent a member of a specialized unit, who is on-duty, from volunteering to work the needed overtime.

- 12.6: All employees shall be required to report to work on time, shall not leave the job early, and shall be prompt in reporting to their assigned duties.
- 12.7: Employees covered by this Agreement shall be given ten (10) calendar days notice of any change in their regular hours of work, work week, work period, work schedule, tour of duty, or work shift, unless an emergency necessitates a quicker change. However, members of specialized units who receive assignment pay, shall be given five (5) calendar days notice of any aforementioned change.
- 12.8: If an employee is called and required to return to his duties after having been off duty for over one (1) hour he will be paid a minimum of 3 hours at the time and one half rate unless the hours worked as a result of the call back extend into the start of the employee's scheduled work period, in which case the employee will be paid for the actual hours worked. If an employee is called in to duty more than two (2) hours prior to the start of the employee's scheduled work period, the employee will be paid a minimum of three (3) hours at the overtime rate for the period of time prior to the scheduled work period. Thereafter, the employee will be paid for the actual hours worked. Payment will be made in the form of compensatory time or wages upon mutual consent of the employee and City.
- 12.9: Subject to the conditions of this Article, management will prepare work schedules in periods of six (6) month blocks. Thirty (30) days prior to the block taking effect, officers will be permitted to bid for the six (6) month block by classification seniority to request a particular shift assignment. On transfer occurring between

a six (6) month scheduling block, assignment shall be at the discretion of the Chief of Police. The Chief of Police or his designee will award the shift block by classification seniority. Provided that the Chief of Police shall have the right to select/assign shift assignments to insure that up to 25% of each shift is composed of employees with a minimum of four (4) years of Department Seniority with the City, and that the Chief may change any assignment consistent with the provisions of this Article. In order to insure the four (4) year minimum seniority the Chief shall move progressively through the seniority list, starting with employees with four (4) years of Department Seniority.

12.10: SHIFT BIDS

- A. Sworn personnel assigned to the Patrol Division will pick their shifts by seniority twice each year. Both picks will be for a six-month period. The first shift bid period will begin on or about April 1st, and the second will begin on or about October 1st. The exact dates may vary, due to payroll purposes, but should be no more than 2 weeks before or after the aforementioned dates.**
- B. All shift bid picks will begin by mid January and mid July every year, as not to interfere with off-duty detail picks. This allows officers to know their permanent schedules for the upcoming 6 month period, 1 month prior to the new period beginning (March 1st, and September 1st).**
- C. For the shift bid period beginning April 1st, all sworn Road Patrol personnel will pick their shift, team, and zone/area assignments by seniority as "open picks." The first round of picks will be made by the sergeants, followed by officers. There will be 4 rounds of picks for officers, which will be scheduled by seniority. Although zones/areas are assigned by seniority, the Chief of Police or his designee may change a zone assignment for reasonable cause. Nothing in this section shall be construed to eliminate management's rights contained in Article 4.**
- D. For the shift bid period beginning October 1st, all sworn Road Patrol personnel will pick their shift and zone/area assignments by seniority, however, not their team assignment. It will not be "open picks". If an Officer chooses to change shifts for this shift bid period, if available, they will remain on the same rotation that they currently are on in order not to circumvent the rotation process. If an opening on their same rotation is not available, they will be placed wherever an opening exists on that shift. During this bid period, officers may only be "bumped" off of their shift - not off of their Team. The only way in which an officer may be placed on the opposite rotation (team) when changing shifts during this period is if the most junior officer being "bumped" off of the entire shift happens to be on the opposite rotation as that officer.**
- E. All probationary officers will be placed on the schedule by management.**
- F. All new shift bid schedules, will be posted 1 month prior to the beginning of the upcoming 6-month period.**

G. In an effort to improve the scheduling process, and upon mutual agreement between the Chief of Police and a representative of the PBA, modifications of the aforementioned procedures may be made.

H. At the Chief's discretion, the team bid process may be modified.

GRIEVANCE AND ARBITRATION PROCEDURES

In a mutual effort to provide harmonious working relations between the parties to this Agreement, it is agreed to and understood by both parties that there shall be a procedure in this Agreement for the resolution of grievances concerning the application or interpretation of the Agreement.

21.1: DEFINITION OF GRIEVANCE

A grievance is defined as a claim or a complaint by an employee or group of employees that the City has violated a provision of this Agreement subject to this procedure during the Agreement's term. Only full-time, non-new hire probationary employees are eligible to file grievances under this procedure.

21.2: GRIEVANCE STEPS

Grievances shall be presented in the following manner:

Step 1

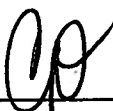

The aggrieved employee shall, within seven (7) days of the occurrence of the events which gave rise to the grievance, or within seven (7) days of the time the employee should have known of the occurrence of the events which gave rise to the grievance, explain or discuss the grievance orally with his or her immediate supervisor. They may call higher-level supervision into the discussion in an effort to achieve a prompt, satisfactory resolution.

The supervisor (if not a Major) may contact the Major for advice and counseling. An answer shall be given to the employee within seven (7) days of the informal discussion.

Step 2

If the aggrieved employee feels that the matter has not been settled or adjusted to his/her satisfaction by the immediate supervisor, he/she shall present the grievance in written form to the Major with a copy to the City's Human Resource/Risk Management Department Head. Such written grievance should contain as much of the following information as is reasonably known or available to the aggrieved employee(s) so as to facilitate a resolution of the claim:

- 1) The Article and Section of the Agreement alleged to have been violated by, the City;
- 2) A description of the facts, including such matters as dates and times involved in the alleged violations;

3) The remedy sought.

The written grievance must be signed by the aggrieved employee. In the case of a grievance filed on behalf of a group of employees the signature of all aggrieved employees shall not be required. At least one or more of the group shall be responsible for signing the grievance and a description of the group shall be given on the written grievance.

The written grievance must be presented within seven (7) days from receipt of the answer in Step 1.

The Major will schedule a meeting with the employee within seven (7) days after receipt of the grievance. If the matter is not resolved at this meeting, the Major shall give a written answer within seven (7) days after the scheduled meeting.

STEP 3:

If the matter is not resolved by the decision of the Major, the employee shall present the written grievance to the Police Chief or his designee, within (7) days from receipt of the answer in Step 2.

The Police Chief or his designee will review the written grievance and may schedule a meeting with the employee within seven (7) days after receipt of the grievance. The Police Chief or his designee shall give a written answer within seven (7) days either from receipt of the grievance or from the date of the meeting (if a meeting is held).

STEP 4:

If the grievance is not resolved at the fourth step, the grievant shall within seven (7) days of receipt of the Police Chief's decision present the written grievance to the City Manager. At this step the aggrieved employee(s) or his representative must present to the City Manger in writing the following information: (1) the specific Article and Section of the Agreement alleged to have been violated by the City; (2) a full statement of the grievance, describing the facts, dates and times of the events involved in the alleged violation; and (3) the specific remedy desired by the grievant. The scope of the City's responsibility with respect to the grievance shall be limited to the information given. Before the City Manager makes his decision, the grievance will be discussed with the President of the Bargaining Agent or his designee. The City Manager shall have ten (10) calendar days from receipt of the written grievance to render a decision.

The decision of the City Manager shall be final and the employee shall have no further right of administrative appeal.

STEP 5:

ARBITRATION

The Union can advance, on behalf of its Union members, a grievance if the decision of the City Manger has not satisfactorily resolved the grievance. The Union must request arbitration in writing to the office of the Human Resource/Risk Management Department Head, no later than fourteen calendar (14) days after the written response is received in Step 4.

When the Union handles a grievance for any bargaining unit member, but declines to process a grievance because it believes the grievance is without merit, the City is not obligated to arbitrate the dispute if the individual grievant submits it to arbitration.

The Union and the City shall share the cost of arbitration, except the Union shall not be responsible for the cost of arbitration if the arbitration was brought by a non-member.

A non-member may advance a dispute to arbitration pursuant to §447.301, by following the arbitration procedures set forth in this agreement.

21.3: SELECTION OF ARBITRATOR

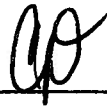

Whenever the Union requests arbitration in accordance with the provisions of Step 5, the City shall retain the services of Broward County Court Certified Mediation Service for the appointment of an appeals referee to serve as the arbitrator over the employee's appeal. To insure the neutrality of the arbitrator the Mediation Service shall designate one of its members to serve as the arbitrator without input or consultation with the City, employee, or the employee's Union. A hearing shall be scheduled within sixty (60) days of the date of appointment of the arbitrator. Continuances shall be granted for good cause.

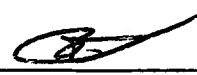

The City and the PBA shall agree on a pool of arbitrator's from which the Mediation Service shall utilize to appoint the arbitrator. The pool may be amended every two (2) years, or as needed.

21.4: LIMITS ON ARBITRATOR'S AUTHORITY

The limitations on the powers of the Arbitrator are as follows:

21.5: APPEAL FROM ARBITRATOR'S DECISION

There shall be no appeal from the Arbitrator's decision; it shall be final and binding on the Union and on all bargaining unit employees and on the City, provided the Arbitrator's decision is subject to vacation under Chapter 682, Florida Statutes. The authority and responsibility of the City, as provided by Florida law or the Charter of the City shall not be usurped in any manner.

21.6: COSTS OF ARBITRATION

The Arbitrator will divide the cost of his services between the parties. Each side will pay its own representative and witnesses. Either side desiring a transcript will pay for it.

21.7: TIME LIMITS IN GRIEVANCE/ARBITRATION PROCEDURE

It is the mutual desire of the City and the Union that grievances shall be adjusted as quickly as possible and to that end the time limits set forth in this Article are to be strictly enforced. The time limits may only be extended by mutual written agreement. The use of word "day" in this Article shall refer to calendar day. For the purpose of calculating time limits, the day on which a grievance, or a reply by management to a grievance, is received shall not be counted. Failure of management to observe the time limits for any step in this Grievance Procedure without a mutually agreed written extension of time shall entitle the grievant (or the Union in the case of Step 5) to advance the grievance to the next step. Failure of the grievant (or the Union in the case of Step 5) to observe the time limits for any steps in this Article without a mutually agreed written extension of time shall terminate the grievance. However, this would not prescribe the Union from filing a similar grievance should the issue arise again.

Where a grievance is general in nature, in that it applies to a number of members rather than a single member, or if the grievance is directly between the Employee Organization and the Department or the City, such grievance shall be presented in writing directly to the Chief of Police in Step 3, within the time limits provided for the submission of a grievance in Step 1. The grievance shall be signed by the aggrieved members or a representative of the Employee Organization. Thereafter, the grievance shall be processed in accordance with the procedures set forth in Steps 4 and 5. The arbitration procedures set forth in this article shall also apply.

Additionally, a grievance over discharge, suspension or demotion shall be filed directly with the Chief of Police at Step 3, within the time limits provided for the submission of a grievance in Step 1. Thereafter, the grievance shall be processed in accordance with the procedures set forth in Steps 4 and 5. The arbitration procedures set forth in this article shall also apply.

21.8: ELECTION OF REMEDIES

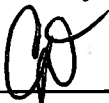

Except as provided in this Section bargaining unit employees shall have the option of utilizing the Discipline Review Panel or the arbitration procedure set forth in this Article, but such employee cannot use both procedures of this Article. Bargaining unit employees may use the Discipline Review Panel for grievances involving disciplinary action such as reprimands, written warnings, and suspensions of up to five (5) days. However, terminations, demotions, and suspensions of more than five (5) days are only grievable under this Article and not to the Discipline Review Panel.

21.9: Any discipline must be issued within fifteen (15) calendar days of either the:

- A. Date of the alleged offense or:**
- B. Of the date of supervisory knowledge of the alleged offense or**
- C. Of the date of completion of the supervisor's investigation where the matter is investigated by the supervisor or:**
- D. Of the date of completions of an internal investigation where the matter is referred for internal investigation**
- E. It is understood that an investigation is not complete until the disciplinary document has received a final review and approval from the applicable authority relative to the discipline.**
- F. Whenever an officer receives discipline the Police Department shall, at that time, give the employee a copy of the entire investigative file, which shall include, but not be limited to, any statements, memoranda, audio and/or video recordings and any other information obtained as a result of the investigation resulting in the discipline.**

21.10: DISCIPLINE REVIEW PANEL

- A. The Panel shall hear appeals in cases involving disciplinary actions, as noted in Section 21.8 above, of permanent employees who have satisfactorily completed their new-hire probationary period.**
- B. A written notification from the department head shall be submitted to a regular employee who has been disciplined notifying him/her of the rights to appeal to the Discipline Review Panel.**
- C. The appeal by the employee shall be made within ten (10) working days after delivery or mailing to him/her of the written notice, by filing a written**

request for a hearing to the Panel in the office of the City Manager.

- D. The Panel shall set a time and a place for a hearing to be held at the earliest practicable date within thirty (30) days after the receipt of the appeal. The Panel shall notify its members, the employee, the department head and the City Manager of the time and place scheduled for the hearing.
- E. The notification to the said parties must include the name of the employee filing the appeal and the names of the Panel Members.
- F. Upon being notified of the aforementioned information, the appealing employee and the Panel Members will have ten (10) calendar days to notify the City of any existing conflict that would prohibit a board member from hearing a case. The notice shall be submitted in writing denoting the conflict in detail.
- G. If a conflict should arise between an employee and a scheduled Panel Member after the ten (10) days have expired, the City shall be notified immediately and take measures to eliminate the conflict. However, nothing shall preclude a case from moving forward if either party fails to adhere to the time limits.
- H. If an Employee Panel Member (or alternate Panel member sitting in place of a regular Employee Panel Member) of the Disciplinary Review Panel determines that he or she has a conflict with an employee who is appealing disciplinary action, then that Employee Panel Member shall recuse him/herself from the case. In such a case, an alternate member will be assigned to hear the case.
- I. If the employee appealing disciplinary action determines that a conflict exists with a Panel Member (or alternate member sitting in place of a regular Panel Member) of the Discipline Review Panel, then that Panel Member shall recuse him/herself from the case. In such a case, an alternate member will be assigned to hear the case.
- J. The Panel shall have the final decision on any said conflict.
- K. The Discipline Review Panel shall not hear any case unless five members (two City members or alternates, two Employee members or alternates, and one neutral member or alternate) are in attendance.
- L. Hearings before the Panel shall be conducted informally in accordance with the procedures established by the board and shall not be bound by formal rules of evidence.
- M. The Panel shall have the power to administer oaths, call witnesses and may complete the production of books, records and papers pertinent to

any investigation or hearing authorized under these rules and regulations.

- N. All witnesses, except for the employee and the City's Representative, shall be precluded from the arbitration proceedings or Discipline Review Panel hearing, except during their testimony. In the event unforeseen rebuttal testimony becomes necessary from a witness who was not otherwise excluded under the provisions of this Section, the Discipline Review Panel or Arbitrator, whichever is applicable, may allow, in their discretion, the witness to testify if they are satisfied that such attendance was in good faith and the necessary testimony was unforeseen.
- O. The Panel will determine whether or not each of the alleged offense(s) has been proven. Any offense(s) which the Panel determines to have not been proven will be unfounded by the Panel. If all of the alleged offenses are unfounded by the Panel, the employee's appeal will be upheld in its entirety. However, if the Panel determines that the employee committed one or more of the offense(s) giving rise to the discipline, but finds that the amount or type of discipline was excessive, the Panel may, upon a three-fifths vote, reduce the discipline imposed.
- P. The Panel shall transmit its findings and decisions to the City Manager, the employee, City Commission and department head within three (3) working days after the completion of the hearing.
- Q. The Panel shall maintain a complete record of all matters submitted to the Panel for its consideration and all findings and decisions made by it. Such reports shall be made available to either party upon request.

33.1: For the purpose of this Agreement, employees shall have two (2) types of seniority: Classification Seniority and Department Seniority. Classification Seniority is defined as the length of continuous, uninterrupted service in a specific job classification in the Police Department. Department Seniority is defined as the length of continuous, uninterrupted service with the City's Police Department, measured from the employee's initial or adjusted date of employment as a sworn police officer.

If scheduled for lay-off, a bargaining unit employee shall have the right to bump to the next lower rank(s). Upon bumping to a lower rank, a bargaining unit employee's seniority shall revert to Department Seniority. All probationary employees shall be reduced before any non-probationary bargaining unit employee is laid off or reduced in classification. However, if lay off occurs, the bargaining unit employee shall have the right to revert to the next rank(s), Department Seniority permitting, without loss of Classification Seniority.

the date of an employee's lay-off. The City shall notify the employee of all job openings in the employee's former classification during the one (1) year period. Such notification will be mailed to the employee's last known address. The laid-off employee must accept the recall option within ten (10) calendar days of receipt, or the employee will be considered to have forfeited any recall right.

- 33.6: In the event that a member of the bargaining unit has been recalled pursuant to the terms of this Article, such employee shall be required to meet the physical and medical standards required of all new employees by the Department and to pass a drug test and background search. Failure to meet such standards will terminate such employee's rights to be recalled and to re-employment with the City.

Any payments for off duty detail work performed on behalf of a second party employer shall not be considered compensation for pension calculation purposes.
- 34.3: It is the understanding and agreement of the parties hereto that each officer working an off-duty detail is deemed to be an independent contractor and as such shall not be covered by the City for benefits afforded to on-duty police officers. However, police officers on off-duty details shall be permitted to utilize a Pembroke Pines police uniform, radio and vehicle. For such usage, the City shall receive three (\$3.00) dollars per hour for every detail worked.

It is the responsibility of the Detail Liaison Officer(s) of the PBA to report said violation(s) to police administration but does not prohibit the PBA from taking appropriate action.

34.11: Records of off-duty details will be provided to the City at their request.

34.12: The Police Chief may suspend an employee's right to work off-duty details as a component of disciplinary action as a result of a violation committed while on an off duty detail.

- 35.2: Should any Police Officer member of the City Pension Fund for Police Officers and Firefighters in the City of Pembroke Pines elect to retire and terminate employment before attainment of fifty (50) years of age, then it is understood that such members shall be responsible for payment of medical insurance premiums for themselves and their dependents until reaching their fiftieth (50th) birthday. Upon attainment of the fiftieth (50th) birthday, then such retirees shall become eligible for the Retiree Health Insurance Program as defined in City Ordinance number 990 as amended. This Health Insurance Benefit is available to members who have continuous membership in the City's Health Plan.
- 35.3: Upon entering the DROP plan a member will be required to provide to the City an irrevocable letter of resignation with a resignation date effective the last date of the member's eligibility in the DROP Plan. However, since the parties agree to extend the DROP plan term by three (3) years [from five (5) years to eight (8) years], those employees who, upon ratification of this Agreement, are actively participating in the DROP plan will be permitted to revise their previously submitted irrevocable letters of resignation to extend their five (5) years of DROP eligibility to eight (8) years of eligibility. Furthermore, both parties agree that the funds earned during the last three years of the DROP will be a minimum of 0% and a maximum of 8%. However, this agreement is contingent upon the outcome of an actuarial study.
- 35.4: The City agrees to amend the Pension and DROP option for all Police Officers of the current Pembroke Pines Pension Fund for Police Officers who have continuously contributed 10.4% employee contributions since the later of date of hire, 1991, and for all police officers newly hired in the future to provide the following:
- A. A Police Officer may purchase Credited Service for previous service as a certified police officer or a certified correctional officer within the United States, service in the Armed Forces of the United States or the United States Merchant Marines prior to employment by the City, by depositing into the pension fund the full actuarial costs of such Credited Service that would have occurred had the Police Officers been employed by the City for the period of Credited Service purchased. Such payment for said prior service may be made as a lump sum or in installments according to a schedule approved by the Board of Trustees. Installment payments shall require interest at the actuarial rate of return for the years purchased. Such purchase of Credited Service shall take effect upon vesting. The

maximum credit for service shall be four (4) years. If provided by law, such deposit may be by direct in-service transfer from a Police Officers' deferred compensation account (457 account) pursuant to Section 457 (e) (17) of the internal revenue Code.

Furthermore, Officers who have completed at least sixteen (16) years of service, and no more than 20 years of service, may purchase an increase in the benefit multiplier not to exceed 80%, by depositing the full actuarial costs of the benefit into the pension fund. Such payment for the increase may be made as a lump sum or in installments according to a schedule approved by the Board of Trustees. Installment payments shall require interest at the actuarial rate of return for the years purchased. Such purchase of an increase in the benefit multiplier shall take effect upon vesting.

- B. DROP participants shall, within 60 days after adoption of the amendatory ordinance or upon enrollment in the DROP for new DROP participants, and annually thereafter during the month of September, have the option to allocate or reallocate their future DROP contributions and/or their account balance or any portion thereof to a guaranteed fixed rate (eight percent (8%) fund or to continue having their DROP contributions and account balance or any portion thereof earn the same investment return (gain or loss) of the Plan.
- C. On entry into the DROP (or actual retirement) the payment for up to 1000 accrued unused leave hours shall be made, as directed by the participant, either in cash or by payment to the participant's 457 or other qualified plan(s), or a combination of both.
- D. Police Officer participants who elect to retire or enter the DROP upon but not after the earlier of, attaining twenty (20) years of service or age fifty (50) with ten (10) years of service shall be entitled to the following enhanced benefits:
 - 1. The benefit multiplier shall be increased from three percent (3%) to four percent (4%) for active and current DROP Police Officer participants (excluding current retirees). Current DROP participants shall have their original benefit rate recalculated from three percent (3%) to four percent (4%)
 - 2. Calculation of Final Average Compensation shall define earnings as total compensation (including up to and not to exceed one-thousand (1000) hours of payment for unused leave hours) shown on a police officer participant's W-2 form.

For the purposes of pension calculations, regular wages shall be defined as base pay, including all incentive pay, regular longevity pay, assignment pay, and any current or future additional

pensionable compensation, including up to no more than 300 hours of overtime per year and up to 1,000 hours of accrued unused leave.

However, employees whose overtime exceeds the 300 hour cap per year, as of October 1, 2006, will be grandfathered at such accumulated value. In doing so, members who have exceeded the 300 hour overtime cap shall have as their new cap the value of their current highest two years. However, should the value of a 300 hour cap become greater in value than the member's grandfathered cap, the member shall be able to revert to the 300 hour overtime cap. Furthermore, the monthly retirement benefit calculated shall not exceed ninety-eight (98%) of the average aforementioned regular wages for the same highest two years of continuous service.

3. Effective October 1, 2009 and October 1st of each year thereafter, members who retire or enter the DROP on or after October 1, 2006 will receive a three (3%) percent increase to their retirement benefit. This benefit shall be applied to all monthly benefit payments for all aforementioned retirees and beneficiaries.
4. Police Officer participants who, as of the adoption date of the amendatory ordinance, have already attained the normal retirement age of twenty (20) years of service or age fifty (50) with ten (10) years of service shall have thirty (30) days after adoption to irrevocably elect the enhanced benefits set forth in D. 1-3, above. Election of these enhanced benefits shall be irrevocable and require the participant, at his or her option, to participate in the DROP retroactively to normal retirement age or 5 years, whichever is less. This will result in the immediate retirement (termination of police department employment) of those participants who, upon adoption, have 25 or more years of service.

In the event a police officer participant who has already attained normal retirement age decides not to elect these enhanced benefits, then retirement benefits shall remain at existing levels. Current bargaining unit members who have not attained 20 years of service on the effective date of the amendatory ordinance shall be allowed to obtain 20 years of service prior to entering the drop.

5. Police Officer participants currently enrolled in the DROP shall have the option, within 30 days after adoption of the amendatory ordinance, to elect the enhanced benefits (excluding D2) retroactively to their attainment of normal retirement age or 5 years, whichever is less (including the period of DROP participation). In the event a current DROP participant decides not to elect these enhanced benefits, then retirement benefits and DROP terms shall remain at existing levels.

6. The City agrees not to rehire, retain, engage, employ or contract any police department employee who is or was a member of the police pension plan to perform any duties that were previously performed by the participant or by any other police officer participant, regardless of rank or position, while the participant was employed by the city (with the exception the City may rehire, retain, engage, employ or contract any former pension plan member in the position of Chief of Police). However, the City may rehire, retain, engage, employ or contract former members of bargaining unit to perform duties of a reserve police officer or to rehire, retain, engage, employ or contract former bargaining unit members to perform civilian duties which would not involve supervising sworn police officers.

E. Should a member elect the COLA in lieu of their 13th Check the COLA shall go into effect October 1, 2004.

Retirees who retired prior to October 1, 2006 and current DROP participants as of the date of ratification, who currently receive both the 13th Check and a 1.5% pension COLA shall have the option to irrevocably elect, within sixty (60) days, to receive either their current 13th Check and 1.5 % pension COLA or a 2.5% COLA in lieu of their 13th Check and 1.5% COLA.
