7.9 Layoff Procedure

(See CAM 79-2 & MOU 1-1-79)

7.9.1 Purpose: To provide a means by which employees are to be demoted or laid off when a reduction in force occurs.

7.9.2 Employee Evaluations: Where employee evaluation forms are used, the last regular annual evaluation form shall be used. Employees with a rating of "Unsatisfactory" shall be demoted or laid off first; those with a rating of "Below Average" second; those with a rating of "Satisfactory" third; those with a rating of "Above Average" fourth; and those in the "Outstanding" category last. If more than one employee is in a category, the one with the least seniority shall go first.

7.9.3 Reduction in Force – Demotion: Except as otherwise provided, whenever there is a reduction in work force, the appointing authority shall first demote to a vacancy, if any, in a lower class for which the employee is qualified, the employee with less than five years continuous service in that classification and with the lowest performance rating. For those employees with more than five years of service in the affected classification, the employee with the least continuous City service in that classification shall be demoted first. All persons so demoted shall have their names placed on the classification reinstatement eligibility list.

7.9.4 Reduction in Force – Layoff: Except as otherwise provided, whenever there is a reduction in work force, the appointing authority shall secondly lay off employees by class, by the affected department. Those employees with the lowest performance rating and less than five years continuous service in that classification shall be laid off first. For those employees with more than five years of service in the affected classification and department, the employee with the least continuous city service in the affected classification shall be laid off first.

7.9.4.1 Whenever two or more employees with less than five years continuous service in the affected classification have the same performance category ratings, the first to be laid off will be the one with the least seniority. Whenever two or more employees with more than five years continuous service in the affected classification have the same seniority status, the employee with the lowest category performance rating shall be laid off first.

7.9.4.2 Any employee so laid off will be given ten working days notice in writing by the appointing authority. All probationary and permanent persons so laid off shall have their names placed on the City re-employment eligibility list.

7.9.4.2.1 NOTICE: The appointing authority shall send written notice to the last known address of each employee affected by a layoff at least ten working days prior to the effective date of the action. The notice shall include the: (a) reason for the layoff; (b) classes to which the employee may demote within the department, if any; (c) effective date of the action; (d) appeal rights of the employee; and (e) conditions governing retention on and reinstatement from re-employment lists.

7.9.5 Determining Length of Seniority: In determining continuous City service seniority, all uninterrupted employment including periods of authorized leaves of absence, periods of employment prior to a previous layoff, in a full time position as listed in Schedule II of the Schematic List of Classes and approved in the adopted fiscal budget, shall be counted as continuous City service seniority. Time served as a part-time employee or employment under a federal program, shall not be credited toward seniority for this purpose. In determining classification seniority, all time that an employee has been employed in a particular classification and not within a classification series (e.g. Account Clerk II, Steno Clerk, Maintenance Worker III, etc.) shall be counted as classification seniority.

7.9.5.1 Computing Length of Service: Only continuous time spent in a permanent full time position shall be computed for seniority rating.

7.9.6 Order of Reduction in Force: In a reduction in force situation, the following layoff shall be followed:

7.9.6.1 Probationary employees in reverse order of their classification job performance in the affected classification.

7.9.6.2 Should there be need for further reduction, regular employees in the affected classifications shall be involuntarily demoted: those with less than five years of service based upon their job performance; those with five years of permanent service demoted in reverse order of their classification seniority.

7.9.7 Determining Order of Layoff and Demotion for Employees with Identical Seniority and/or Job Performance: Should two or more employees have identical classification seniority and/or job performance, the order of layoff and demotion shall be determined by random selection.

7.9.7.1 If the seniority of two or more employees in the affected classification is equal, departmental seniority shall be determined.

7.9.7.1.1 Exceptions: Notwithstanding the foregoing, if the appointing authority determines that the public interest will not be served by application of the above criteria, the appointing authority may depart therefrom on the basis of a clearly demonstrable superiority in performance and/or qualifications.

7.9.7.1.2 Bumping: An employee designated to be laid off may bump into the next lower classification within the same department, if the employee has previously held permanent status in such classification with the City. An employee who is bumped shall be laid off in the same manner as an employee whose position is abolished.

7.9.7.1.2.1 Employees who have not actually held status in a lower classification shall be allowed to demote to a vacant position or to a position held by a City probationary employee in such lower class, but may not bump permanent City employees already in the lower classification.

7.9.7.1.3 Transfer: All efforts will be made by the City to transfer any employee who is to be affected by a reduction in force to another vacant position for which such employee may qualify.

7.9.8 Reinstatement of Employee Demoted as a Result of a Reduction in Force: Employees who are demoted as a result of a reduction in force shall have their names placed on a classification reinstatement list, in the order of their classification seniority (for those with five or more years in the classification). For those with less than five years of service, their reinstatement will be based upon the performance evaluations. Vacant positions within a classification shall first be offered to employees on this list.

7.9.9 Re employment of Employees Laid Off as a Result of a Reduction in Force: Employees who are laid off and who held probationary or permanent City status at the time of layoff shall have their names placed on a re-employment list for classifications in which they previously held status and for classifications at the same or lower salary range for which they qualify in the order of their classification seniority (for those with five or more years in the classification). For those with less than five years of service, their reinstatement will be based upon the performance evaluations. Vacant positions in such classifications will be offered to eligibles on the re-employment list who qualify for such vacancy prior to an open or promotional recruitment.

7.9.9.1 Once a person on a re-employment list is reinstated to a regular position as a result of his/her re-employment rights, his/her name shall be removed from the re-employment list for the classification to which he/she was reinstated and from all re-employment lists for classifications at the same or lower salary range of the classification in which he/she was reinstated.

(MOU 1-17-95)

7.9.10 Duration of Reinstatement and Re-employment Lists: The eligibility of individuals on the reinstatement and re-employment lists shall extend for a period of one year from the date of demotion or layoff. Eligibles not responding to written notification of an opening within ten working days from the date the notice is mailed to them shall have their names removed from either the re-employment or reinstatement lists.

7.9.10.1 An employee's name may be removed from the reinstatement/re-employment list if any of the following occur:

7.9.10.1.1 The individual indicates that he/she will be unable to return to employment with the City during the life of the list; or

7.9.10.1.2 The individual cannot be reached after reasonable efforts have been made to do so. The City shall utilize certified mail or personal delivery when contacting individuals.

7.9.11.1 Prior sick leave accruals.

7.9.11.2 Seniority at time of layoff for purposes of determining merit increases, vacation accruals and future reduction in force.

7.9.11.3 The salary step paid to an employee who is re-employed shall be equivalent to that which the employee was receiving immediately prior to layoff. If the employee chooses to be re-employed in a classification which has a salary range lower than the classification from which he was laid off, then salary placement will be made at a point either equivalent to his salary immediately prior to layoff, or, if the maximum of the salary range of the position to which the employee is to be re-employed is less than the employee's salary immediately prior to layoff, then the employee will receive the maximum of the salary range.

7.9.12 Obligation to Serve Probationary Period: A person appointed from a re-employment list or classification reinstatement list must serve a new probationary period in order to attain permanent status if they are appointed to a different classification or are placed in another department.

7.9.12.1 If a person is appointed to a position from a re-employment list which he/she has not previously held, the appointment shall be subject to a probationary period. The person would be eligible for a merit increase after satisfactory completion of six months of employment in the position, subject to the limitations of the salary range.

7.9.12.2 If the employee should fail to pass probation, his/her name shall be placed back on any re-employment list(s) which the employee had initially been on, prior to his/her appointment into the position.

(MOU 1-17-95)

7.9.13 Payoff of Accruals upon Layoff: Laid off employees are to be paid for all accrued holidays, vacation and overtime when separated as a result of layoff.

7.9.14 Non-Discrimination in Reduction in Force: Layoffs and demotions which result from a reduction in force shall be made without regard to an employee's race, color, national origin, religion, sex, age, citizenship, or physical handicaps.
