ARTICLE 1

PREAMBLE

This Agreement is entered into by and between the **Village of Schaumburg, Illinois, an Illinois municipal corporation** (hereinafter referred to as "Village"), and the **Schaumburg Fire Command Officers Association** (hereinafter referred to as "Command Association").

It is the intent and purpose of this Agreement to establish the rates of pay, hours of employment, and other conditions of employment of the employees covered by this Agreement; to prevent interruptions of work and interference with the operations of the Village, to encourage and improve efficiency and productivity; to provide, as set forth herein, for the health and safety of employees; and to provide the procedures for the prompt and peaceful adjustment of grievances as provided herein.

NOW, THEREFORE, the parties agree as follows:

ARTICLE 2

RECOGNITION

The Village recognizes the Command Association as the sole and exclusive bargaining representative for all sworn full-time fire officers in the rank of Captain, but excluding all firefighters above and below the rank of Captain, any employees excluded from the definition of firefighter, as set forth in Section 1603 (g-1) of the Illinois Public Labor Relations Act, and all other employees of the Village.

ARTICLE 3

NON-DISCRIMINATION

The Village of Schaumburg and the Schaumburg Fire Command Officers Association will continue to provide and promote equal employment opportunity for all command officers, and develop and apply equal employment practices.

Section 3.1 -Non-Discrimination

In accordance with applicable law, neither the Village nor the Association shall discriminate against Command Officers because of race, color, sex, age, religion, national origin or because of membership in the Command Association.

Section 3.2 -Use of Masculine Pronoun

The use of the masculine pronoun in this or any other document is understood to be for clerical convenience only, and it shall be construed to include both females and males equally.

Section 3.3 -Americans With Disabilities Act

It is agreed that the Village has the right to take any action necessary to be in compliance with the requirements of the Americans with Disabilities Act. Nothing herein is intended to preclude the Union from grieving or arbitrating any Village action, which, in its view, violates the Agreement and is unnecessary in order to comply with such Act.

ARTICLE 4

NO STRIKE/NO LOCKOUT

Section 4.1 -No Strike Commitment

Neither the Command Association nor any of its officers, agents, or any employee will call, institute, authorize, participate in, sanction, encourage, or ratify any strike, sympathy strike, work stoppage, or concerted slowdown, mass illness, sit-down or other concerted stoppage of work, or any unauthorized speed up or work to the rule situation or any other concerted refusal to perform proper duties or the concerted interference with, in whole or in part, the full, faithful and proper performance of the duties of employment with the Village, regardless of the reason for doing so, No employee covered by this Agreement shall refuse to cross any picket line, by whomever established, during their work time or in the performance of fire-related duties.

Section 4.2 -Discipline of Strikers

Any officer who violates the provisions of this Article may be subject to discipline, Any action taken by the Employer against any officer who participates in an action prohibited by Section 4,1 shall not be considered a violation of this Agreement and shall not be subject to the provisions of the grievance procedure, The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent.

Section 4.3 -Command Association Official Responsibility

Each employee who holds the position of officer or representative of the Command Association occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. In the event of a violation of Section 4: 1 of this Article, the Command

Association agrees to inform its members of their obligations under this Agreement and use its best efforts to achieve a prompt resumption of normal operations,

Section 4.4- No Lockout

The Village will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Command Association.

ARTICLE 5

GRIEVANCE PROCEDURE

Section 5.1 -Definition

A grievance is defined as a dispute or difference of opinion raised by an employee claiming that an express written provision of this Agreement has been violated, except that any dispute or difference of opinion concerning any matter or issue subject to the jurisdiction of the Schaumburg Fire and Police Commission shall not be considered a grievance under this Agreement.

Section 5.2 -Procedure

It is to the benefit of both the Schaumburg Fire Command Officers Association and the Village of Schaumburg that issues falling under the jurisdiction of this Article be raised and settled in a prompt and timely fashion. Consequently, the following steps and time limitations shall be strictly followed:

Step 1: An employee who is a member of the Fire Command Officers Association, who has cause to believe that the Village has violated a specific provision of this Agreement, shall submit a written memorandum detailing the grievance to the Chief of the Department. The written memorandum shall contain the following information:

- A. Date submitted in writing,
- B. Date of alleged violation,
- C. Specific contractual provision(s) alleged to have been violated
- D. Statement of facts giving rise to the dispute,
- E. Signature of the aggrieved party(s).

The written form shall be dated upon receipt by the Chief of Department. The Chief of Department shall meet with the employee(s) at a mutually satisfactory time within

ten (10) business days of the receipt of the written grievance. Following discussion of all facts and any investigation pertaining to the alleged violation, the Chief of Department shall respond in writing to the employee(s). The written response will be made no later than ten (10) business days following the date of the discussion.

Step 2: If the employee is not satisfied with the answer from the Chief of Department in Step 1, he shall be entitled to advance the issue to the next step of the grievance procedure within three (3) business days from the date of receipt of the Chief of Department's written response. The issue at the second step shall be submitted in written form to the Village Manager or his designee in the same manner as set forth in Step 1, including also the response from the Chief of Department and the employee's points of disagreement with said response. Within ten (10) business days, or a mutually agreed upon date, following receipt of the written form, the Village Manager, or his designee, may schedule a meeting with the grievant, a Fire Command representative and such other persons as the Village Manager shall determine appropriate to discuss the issue(s). Following discussion of the issue(s) in this meeting, the Village Manager or his designee shall direct a written response to the grievant. This shall occur no later than ten (10) business days following the date the issue was discussed in the meeting described above.

Section 5.3 -Arbitration

If the grievance is not settled at Step 2, the Fire Officers Command Association may refer the grievance to arbitration by giving written notice to the Village Manager within twenty-one (21) calendar days after receipt of the Village's answer at Step 2. The parties shall attempt to agree upon an arbitrator. In

the event the parties are unable to agree upon an arbitrator; they shall jointly request the Federal Mediation & Conciliation Service to submit a panel of five (5) arbitrators who are members of the National Academy of Arbitrators. If the parties cannot agree on the selection of an arbitrator, each party will alternatively strike a name from the list until only one name remains, provided that either party, before striking any names, shall have the right to reject one panel in its entirety. The party requesting arbitration shall strike the first name. The arbitrator shall be notified of his/her selection by the parties and requested to set a time and place for the hearing, subject to the availability of the Village and Command representatives. More than one grievance may be submitted to the arbitrator where both parties mutually agree in writing.

Section 5.4 -Limitations on Authority of Arbitration

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the express provisions of this Agreement. The authority of the arbitrator shall be strictly limited to determining whether or not there has been a violation, misinterpretation or misapplication of the express provisions of this Agreement. The arbitrator shall be without power or authority to make recommendations contrary to or inconsistent with any applicable laws or rules and regulations that have the force and effect of law. Any decision rendered in accordance with the provisions of this Section shall be final and binding upon the Village, the Command Association and the employees covered by this Agreement.

Section 5.5 -Expenses of Arbitration

The fees and expenses of the arbitrator and the cost of a written transcript shall be shared equally by the Village and the Command; provided, however, that each party shall be responsible for compensating its own representatives and/or witnesses.

Section 5.6- Time Limits

No grievance shall be entertained or processed unless it is submitted within fifteen (15) calendar days of the first event giving rise to the grievance, or within fifteen (15) calendar days of when the employee, through the use of reasonable diligence, should have obtained knowledge of the first event giving rise to the grievance. Failure at any step of this procedure to appeal the grievance to the next step within the specified time limits shall be considered acceptance of the decision rendered at the preceding step. Failure at any step of this procedure by the Village's representative to communicate a decision on a grievance within the specified time limits shall permit the grievant to treat the grievance as denied and to appeal the grievance to the next step within the prescribed time limits. The parties may by mutual agreement in writing extend any of the time limits set forth in this Article.

Section 5.7 -Miscellaneous

(a) No member of the bargaining unit who is serving in acting capacity as a Fire Chief shall have any authority to respond to a grievance being processed in accordance with the grievance procedure set forth in this Article. Moreover, no action, statement, agreement, settlement, or representation made by any member of the bargaining unit shall impose any obligation or duty or be considered to be authorized by or binding upon the Village unless and until the Village has agreed thereto in writing.

(b) It is acknowledged that the Command Association has the right to exercise its discretion to refuse to process and/or appeal unmeritorious grievances and that only the Association may refer a grievance to arbitration.

Section 5.8 -Exclusion of Matters Subject to Board of Fire and Police Commissioners

It is expressly understood that matters subject to the Board of Fire and Police Commissioners or matters which may be appealed to the Board of Fire and Police Commissioners are not subject to this

grievance procedure and that the sole recourse for such matters is with the Board of Fire and Police Commissioners.

Section 5.9 -Oral or Written Reprimands

An employee may file a grievance in accordance with the provisions of this Article with respect to an oral or written reprimand and said grievance may be processed up to and including Step 2, but any such grievance shall not be arbitrable.

ARTICLE 6

LABOR-MANAGEMENT COMMITTEE

All such meetings shall be scheduled by mutual agreement. The President of the Association may invite other Association bargaining unit members (not to exceed three) to attend such meetings. The Fire Chief may invite other Village representatives (not to exceed three) to attend such meetings. The party requesting the meeting shall submit a written agenda of the items it wishes to discuss at least three days prior to the date of the meeting. Only those items on the written agenda shall be discussed, unless both parties mutually agree to discuss non-agenda items. This section shall not be applicable to any matter that is being processed pursuant to the grievance procedure set forth in this Agreement. If an employee's attendance at a Labor Management Committee meeting occurs during an employee's regularly scheduled hours of work and the employee would have otherwise been scheduled to work, the employee shall be permitted to attend without loss of pay.

ARTICLE 7

SENIORITY

As used herein, the term "seniority" shall refer to and be defined as continuous length of service.

Section 7.2 -Termination of Seniority

- (a) quits; or
- (b) is terminated; or

Such rights include, but are not limited to, the following:

- A. ARTICLE 9

FIRE AND POLICE COMMISSION

The parties recognize that the Fire and Police Commission of the Village of Schaumburg has certain statutory authority over employees covered by this Agreement, including, but not limited to, the right to make, alter, and enforce various rules and regulations. Nothing in this Agreement is intended in any way to replace or diminish the statutory authority of the Fire and Police Commission.

ARTICLE 10

TUITION REIMBURSEMENT

Employees covered by this Agreement will be eligible to participate in the Village's tuition reimbursement program in accordance with the rules and regulations governing such program that may be in effect from time to time, with the understanding that if approved courses are taken at a private college or university, the maximum amount of the tuition reimbursement shall be established by Village policy.

ARTICLE 11

LEAVES OF ABSENCE

Section 11.1 -Jury Duty

Any employee who is subpoenaed or otherwise required to serve on a Jury shall be excused from work without loss of regular straight-time pay for the days or portions thereof on which the employee must be present -for such service and on which the employee would have otherwise been scheduled to work. The employee shall submit a certificate showing evidence that he/she appeared and served as a juror in order to receive pay for the same. Any monies paid by the court to the employee for jury service may be retained by the employee for the purpose of reimbursing the employee for his/her expenses in connection with serving as a juror.

Section 11.2 -Sick Leave

Employees assigned to 24-hour shifts shall accrue ten (10) hours of sick leave for each month that they are on the active payroll and such sick leave shall accumulate up to a maximum of 2,440 hours. Since the Village's payroll is based on an equalized pay system of 2,600 hours per year, this results in employees assigned to 24-hour shifts receiving six (6) shifts of sick leave in a one year period. As a result, an employee assigned to 24-hour shifts is charged; sick leave at the rate of 20 hours for each full shift of sick leave taken rather than 24 hours.

Employees assigned to 40-hour work weeks shall earn 8 hours of sick leave for each month they are on the active payroll and such sick leave shall accumulate up to a maximum of 1,920 hours. Sick leave may only be used in cases when employees are actually sick or ill. On an experimental basis, the Village agrees that for at least a one-year period commencing August 1, 1986, and from year to year thereafter as long as the Village does not believe there is abuse, it will not require any employee, absent cause in a specific

situation, to submit a doctor's statement following one day's absence due to sickness or illness. If the Village, prior to the end of the first year or prior to the end of any year thereafter believes that there is abuse, it will present the matter at a Labor-Management Committee meeting for discussion before reinstating at the start of a new year any requirement that all employees submit a doctor's statement after one day's absence due to sickness or illness.

Section 11.3 -Special Leaves Without Pay

An employee may, upon written request to the Chief, be granted at the Village's discretion a special leave of absence without pay under such reasonable terms and conditions as the Village may establish for any of the following reasons:

- (a) to enable an employee to engage in a course of study that will increase his usefulness to the Village service;
- (b) to enable an employee who is physically or mentally incapacitated to recover his health;
- (c) to enable female employees to attend to maternity needs as directed in writing by their physicians. Maternity will be treated in the same manner as any other temporary disability in accordance with applicable Federal and State laws;
- (d) other equally good reasons considered valid by the Chief and approved by the Village Manager.

Normally, no special leave of absence without pay shall exceed one year in duration.

Section 11.4 -Bereavement/Family Illness Leave

The employer agrees to provide to employees covered by this contract leave without loss of pay as a result of death in the family, not to exceed two (2) days for 24 hour personnel or five (5) days for 8 hour

personnel. This may be extended to three (3) paid days of absence for 24 hour personnel or seven (7) days for 8 hour personnel with the approval of the Village Manager. In case of illness in the immediate family, one (1) day of absence for 24 hour personnel or three (3) days for eight hour personnel may be approved by the Fire Chief. Immediate family shall be construed to be any employee's mother, father, step-mother, step-father, wife, husband, daughter, son, step-daughter, step-son, sister, brother, step brother, step-sister, father-in-law, mother-in-law, daughter-in-law, ,son-in-law, sister-in-law, brother-in-law, grandparent, grandchild, grandparent-in-law or any relative of the employee's spouse listed in the above relationships.

Section 11.5 -Family and Medical Leave Act of 1993

The parties agree that the Village may take whatever reasonable steps are deemed to be needed to comply with the Family Medical Leave Act of 1993.

ARTICLE 12

HOURS OF WORK AND OVERTIME

Section 12.1 -Purpose

This Article is intended to define the normal hours of work and to provide the basis for the calculation and payment of overtime. It shall not be construed as a guarantee of hours of work per day or per week, or of days of work per week or per month.

Section 12.2 -Normal Work Cycle

The normal work cycle for employees assigned to twenty-four (24) hour shifts shall be twenty-four (24) hours of work (one shift) followed by forty-eight (48) hours off (two shifts). The normal work cycle for 24-hour shift personnel shall be 27 days. One "A" day shall be scheduled off every ninth work day with pay. Employees assigned to 24-hour shifts shall receive a minimum of 13 "A" days for each full year of employment (a minimum of one "A" day (one 24-hour shift) scheduled off each 27-day work cycle).

The normal work cycle for employees assigned to 8-hour shifts shall be forty (40) hours based on five 8-hour shifts, Monday through Friday.

In the event the Fire Chief desires to change the normal work week and the FLSA work cycle to a 10/14 schedule, he shall notify the Fire Command Association. Upon the Fire Command Association's written request, the Village shall negotiate with the Fire Command Association for a period of up to 60 days or longer if a longer period is mutually agreed to by the Fire Command Association and the Village. If no agreement is reached within 60 days (or a longer period of time if mutually agreed to), either party may invoke interest arbitration in accordance with Section 14 of the IPLRA and the provisions of Appendix A.

Section 12.3 -Overtime

Captains assigned to 24-hour shifts will be paid one and one-half times their regular straight-time hourly rate for all hours worked in excess of their regularly scheduled hours of work.

Captains assigned to eight-hour shifts will be paid time and one-half their regular straight-time hourly rate of pay for all regularly scheduled hours worked in excess of their regularly scheduled hours of work.

For the purposes of this Agreement, in computing overtime and premium pay, a computation of an employee's regular straight-time hourly rate of pay shall include longevity pay and paramedic pay if the employee is entitled to receive longevity pay and/or paramedic pay.

Section 12.4 -Call Back Pay

Captains who are called back to work outside their normal hours of work (i.e., hours not contiguous to their normal shift or on a day not regularly scheduled) shall be paid at one and one half their straight time rate of pay for all hours worked outside their normal shift, with a guarantee of two (2) hours pay at time and one-half.

Section 12.5 -Hourly Rate of Pay

For the purpose of this Agreement, the hourly rate of pay shall be determined by dividing the total of the employee's annual salary for the employee's regularly assigned hours of work. The annual hours for 24-hour shift employees are 2600 hours (an average work week of fifty (50) hours); and the annual hours for 8-hour shift employees are 2080 hours (an average work week of forty (40) hours).

Section 12.6 -Hire Back Procedure

If the Village determines it is necessary to hire back Captains, all available Captains will be asked prior to asking the next rank (Lieutenants) to hire back. The order of the hire back requests will be determined by and mutual agreement of the Chief and the Command Association.

Section 12.7 -Pay for Hire Backs on Holidays

When Captains assigned to 24-hour shifts who otherwise would not have been scheduled to work on a shift are hired back to work on a shift on one of the holidays observed by the Village, (as opposed to the day observed by the Village as the holiday), the employees shall be paid two times their regular straight-time hourly rate of pay for all hours worked on said holiday. A full holiday for the purposes of this Section shall be the 24-hour period commencing at 8:00 a.m. on the holiday. A half-holiday (i.e., Christmas Eve and New Year's Eve) for the purposes of this Section shall be the 12-hour period commencing at 8:00 a.m. on the holiday.

Vacations may be selected throughout the entire year. It is expressly understood, however, that the final right to designate the maximum number of employees who may be on vacation at any one time is exclusively reserved by the Fire Chief in order to ensure the orderly performance of the services provided by the Village.

Section 13.3 -Limitation on Accumulation of Vacation

Earned vacations may not accumulate beyond three years. Unused vacation days beyond three years shall not create any obligation on the part of the Village.

ARTICLE 14

The Village shall remit such deductions monthly to the Schaumburg Fire Command Association at the address designated by the Association.

The actual dues amount deducted, as determined by the Association, shall be uniform for each employee in order to ease the Village's burden in administering this provision. The Association may change the fixed uniform dollar amount once each year during the life of this Agreement by giving the Village at least thirty (30) days' notice of any change in the amount of the uniform dues to be deducted.

If any employee has no earnings or insufficient earnings to cover the amount of the dues deduction, the Association shall be responsible for collection of dues. - At 35 years

Based on the findings and recommendation of the Village physician the firefighter will be provided direction for medical follow-up with his physician or specialist. The firefighter will be given first priority for light duty assignment. If firefighter refuses light duty assignment, he or she will be required to use applicable accrued benefit leave for absence. A firefighter’s return to full duty will be based on the individual’s personal physician’s recommendation and in consultation with the Village physician, as requested by the Village.

The Village may require an employee to submit to urine and/or blood tests if the Village determines there is reasonable suspicion for such testing, and provides the employee with the basis for such suspicion in writing at or about the time the test is administered. If the written basis is not provided prior to the actual test, a verbal statement of the basis will be provided prior to administering the test. In addition, the Village may conduct random drug and alcohol testing up to four times per calendar year. The total number of such random tests shall not exceed 25% of the total number of sworn employees in the rank of Fire Captain. If the first test results in a positive finding, a confirmatory test (GC/MS or a scientifically accurate equivalent) shall be conducted. An initial positive test result shall not be submitted to the Village unless a confirmatory test result is also positive as to the same sample. Upon request, the Village shall provide an employee with a copy of any test results which the Village receives with respect to such employee.

Once the portion of the tested

sample leaves the clinical laboratory selected by the Village, the employee shall be responsible for maintaining the proper chain of custody for said portion of the tested sample.

The results of any positive tests shall be made available to the Village. The first time an employee tests positive for substance abuse involving something other than a proscribed drug, the employee shall be required to enter and successfully complete the Village's Employee Assistance Program ("EAP") during which time the employee may be required to submit to random testing with the understanding that if the employee again tests positive, the Village can take such action as the Village in its discretion deems appropriate. Notwithstanding the foregoing, the Village retains the right to take such action as the Village in its discretion deems appropriate if an employee consumes alcohol while on duty.

The illegal use, sale or possession of proscribed drugs at any time while employed by the Village, abuse of proscribed drugs, as well as being under the influence of alcohol or the consumption of alcohol while on duty, shall be cause for discipline including termination, subject to confirmation by the Board of Fire and Police Commissioners. While such disciplinary issues shall be subject to the exclusive jurisdiction of the Board of Fire and Police Commissioners, all other issues relating to the testing process (e.g., whether there is reasonable suspicion for ordering an employee to submit to a test, whether a proper chain of custody has been maintained, etc.) may be grieved in accordance with the grievance and arbitration procedure set forth in this Agreement.

Except where there is imminent danger to the life of an employee or others, the administrator of the Village's EAP shall maintain in strict confidentiality the fact that an employee has voluntarily sought

assistance from the Village's EAP. Seeking confidential assistance from the Village's EAP shall not be grounds for disciplinary action.

The parties agree to work jointly to formulate a program that consists of essential job function testing that determines an employee's ability to perform the functions of the job for which he/she is assigned. If agreement cannot be reached on the program, the Village shall have the right to implement the program of its choice.

ENTIRE AGREEMENT

This Agreement, upon ratification, supersedes all prior practices and agreements, whether written or oral, unless expressly stated to the contrary herein, and constitutes the complete and entire agreement between the parties, and concludes collective bargaining for its term, provided that nothing herein shall be interpreted to prevent the parties from mutually agreeing in writing to a modification or change in the provisions of this Agreement.

The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Village and the Association, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, including the impact of the Village's exercise of its rights as set forth herein on wages, hours or terms and conditions of employment. Nothing herein shall waive whatever legal right the Association may have to negotiate over any proposed change, or its impact on, the wages, hours and terms and conditions of employment which directly affects employees covered by this Agreement and which is not referred to or covered by this Agreement.

ARTICLE 22

MAINTENANCE OF STANDARDS

Unless otherwise provided elsewhere in this Agreement, all economic benefits which are not set forth in this Agreement and which are currently in effect as of May 1, 1995, shall remain in effect until such time as the Village shall notify the Association of its intention to change them and the parties have had an opportunity, if requested, to negotiate in good faith over the matter(s). If negotiations are requested and the parties are unable to reach agreement and are at impasse on the proposed change(s), then the dispute shall be subject to the Alternative Impasse Resolution Procedure set forth in Appendix A if either party so requests in writing within seven (7) days of the date on which either party declares in writing the existence of an impasse in the negotiations over the proposed change(s). If a timely request is submitted, the provision for mediation in Section 2(b) of the Alternative Impasse Resolution Procedure shall not be applicable. The provisions of this paragraph shall not be applicable to any new economic benefit that the Village may extend to bargaining unit employees after May 1, 1995, unless such benefits are negotiated into a subsequent Agreement.

The parties intend the provisions of this Agreement to represent and constitute an agreement to submit to an alternative form of impasse resolution any unresolved disputes concerning the wages, hours, terms and conditions of employment of the employees represented by the Schaumburg Fire Command Association that are subject to the negotiations for a successor Agreement.

Section 2. Selection of Arbitrator and Naming of Panel. The parties agree that should it become necessary to submit their unresolved disputes in negotiations to arbitration pursuant to § 1614, they will engage in the arbitration of impasses procedure described in the Act and the Rules and Regulations of the Illinois State Labor Relations Board (“Board”), subject to the following:

- (a) Service of Demand for Mediation: The parties agree that a Demand for Compulsory Interest Arbitration filed by either party upon the other prior to May 1, 2018 (or prior to May 1 in any subsequent year if the Agreement is automatically renewed) with respect to the negotiations for a successor Agreement shall be deemed to be a proper and timely demand as provided in the Act and the Rules and Regulations of the Board; further, that arbitration proceedings under the Act and those Rules and Regulations shall be deemed to have been initiated and commenced on the date of service and filing of the Demand for Compulsory Interest Arbitration;
- (b) Arbitrator Selection Process. The parties agree that notwithstanding the filing and service of any Demand for Compulsory Interest Arbitration by the Schaumburg Fire Command Association, the selection of an arbitrator will be delayed until such time as either party serves upon the representative of the other, in writing by certified mail, a demand that the arbitrator selection process be commenced, provided that at least one month of mediation has occurred. It is further agreed that:

- i. During this period of delay, the parties agree to continue good faith collective bargaining with the advice and assistance of the Mediator from FMCS if requested by either party;
- ii. Within seven (7) days of the receipt by the other party of the written demand that selection of an arbitrator begin, the representatives of the parties shall meet and attempt to mutually agree upon an arbitrator. The parties agree that the arbitration proceedings shall be heard by a single, neutral arbitrator. Each party waives the right to a three member panel of arbitrators as provided in the Act;
- iii. In the absence of agreement on a neutral arbitrator, the parties shall file a joint request with the American Arbitration Association (“AAA”) for a panel of seven (7) arbitrators from which the parties shall select a neutral arbitrator. The parties agree to request the AAA to limit the panel to members of the National Academy of Arbitrators. Both the Village and the Schaumburg Fire Command Association shall each have the right to reject one panel in its entirety within seven (7) calendar days of its receipt and request that a new panel be submitted. The parties agree to engage in the AAA’s ranking process for purposes of determining which of the seven (7) arbitrators on the panel shall serve as the neutral arbitrator, provided that each party may strike or cross out not more than two (2) of the arbitrators on the panel before ranking the remaining arbitrators on the panel. Each party shall have fourteen (14) calendar days from the date the panel list is received from the AAA to number the names on the panel list in order of preference and return the list to the AAA. In accordance with the designated order of mutual preference, the AAA shall invite the acceptance of the arbitrator to serve. In the event that the arbitrator declines or is unable to serve, the AAA shall invite the next arbitrator in designated order of mutual preference to so serve. In the event that he declines or is unable to serve, the parties agree to jointly request a new panel of seven (7) arbitrators from the AAA and commence the selection process anew. It is further agreed that the AAA’s role and participation in the arbitration process shall be strictly limited to providing the panel(s) and administering the selection process. Once an arbitrator has been selected by means of the parties’ ranking of the members of the panel, the AAA’s participation in the arbitration proceedings shall be terminated. The parties shall divide equally any costs associated with the AAA administering the selection process. The parties shall inform the AAA of this limited role by joint letter at the time the first panel is requested;
- iv. The parties shall jointly communicate and coordinate all remaining aspects of the arbitration (including but not limited to scheduling of hearings, requests for issuance of subpoenas and the submission of post-hearing briefs) directly with the neutral arbitrator in the manner prescribed in the Act and the Rules and Regulations of the Board.

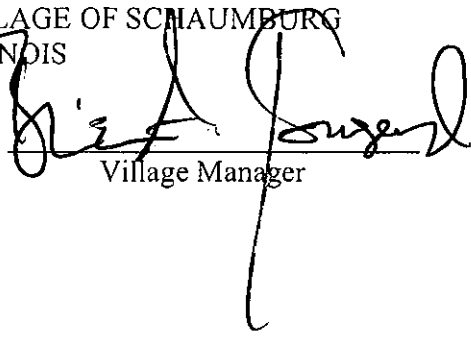

- (c) Issues in Dispute and Final Offers. Within seven (7) calendar days of the service of a demand that the arbitrator selection process commence, the representatives of the parties shall meet and develop a written list of those issues that remain in dispute. The representatives shall prepare a Stipulation of Issues in Dispute for each party to then execute and for submission at the beginning of the arbitration hearing. The parties agree that only those issues listed in the Stipulation shall be submitted to the arbitrator for decision and award. It is further agreed that:
- i. Each party retains the right to object to any issue on the grounds that the same constitutes a non-mandatory subject of bargaining; provided, however, that each party agrees that it will notify the other of any issue that it regards as a non-mandatory subject of bargaining not later than the first negotiation meeting where the issue is substantively discussed. Should any disputes arise as to whether a subject is a mandatory subject of bargaining, the parties agree to cooperate in obtaining a prompt resolution of the dispute by the Board pursuant to the Act and the Rules and Regulations of the Board [Section 1200.140(b)]: Either party may file a petition with the Board's General Counsel for a declaratory ruling after receiving such notice from either party that it regards a particular issue a non-mandatory subject of bargaining.
 - ii. Not less than seven (7) calendar days prior to the date when the first day the arbitration hearings are scheduled to commence, the representatives of the parties shall simultaneously exchange in person their respective written final offers as to each issue in dispute as shown on the Stipulation of Issues in Dispute. The foregoing shall not preclude the parties from mutually agreeing to resolve any or all the issues identified as being in dispute through further collective bargaining.
- (d) Authority and Jurisdiction of Arbitrator. The parties agree that the neutral arbitrator shall not function as a mediator unless mutually agreed by the Village and the Schaumburg Fire Command Association. The arbitrator selected and appointed to resolve any disputes that may exist in these negotiations shall have the express authority and jurisdiction to award increases or decreases in wages and all other forms of compensation retroactive to May 1, 2018 (or to May 1 in any subsequent year if the Agreement is automatically renewed) for the negotiations for a successor Agreement, provided in either instance a party has served upon the other party a timely Demand for Compulsory Interest Arbitration in accordance with the provisions of Section 2(a) above, notwithstanding any delay in the arbitrator selection process that may have occurred or any other modification of the impasse procedure described in the Act and the Rules and Regulations of the Board as a result of this Agreement. Provided one party has served on the other party a timely Demand for Compulsory Interest Arbitration in accordance with the provisions of Section 2(a) above, each party expressly waives and agrees not to assert any defense, right or claim that the arbitrator lacks the jurisdiction and authority to make such a retroactive award of increased or decreased wages and other forms of compensation for the 2018-19 fiscal year or of increased or decreased wages or other forms of compensation for any fiscal year beyond the 2018-19 fiscal year.

- (e) Discretion and Judgment of Arbitrator. The parties do not intend by this Agreement to predetermine or stipulate whether any award of increased or decreased wages or other forms of compensation should in fact be retroactive, but rather intend to insure that the arbitrator has the jurisdiction and authority to so award retroactive increases or decreases, provided a timely Demand for Compulsory Interest Arbitration has been submitted by one party, should he in his discretion and judgment believe such an award is appropriate.
- (f) Conduct of Hearings. The parties agree that all arbitration hearings shall be conducted as follows:
 - i. Hearings shall be held in the Village of Schaumburg, Illinois, at a mutually agreed location. Hearings may be conducted outside the Village of Schaumburg only by written mutual agreement;
 - ii. The hearings shall begin within thirty (30) days of the notification from the AAA that the arbitrator selected has accepted the appointment to serve as the neutral arbitrator. The parties by mutual written agreement may agree to delay the date of the first hearing for a period up to ninety (90) days. The hearings shall be scheduled on mutually agreed dates, subject to the reasonable availability of the arbitrator and the representatives of the parties and shall be concluded within thirty (30) days of the date of the first hearing;
 - iii. The party requesting arbitration shall proceed with the presentation of its case first, followed by the non-requesting party. Each party shall have the right to submit rebuttal evidence and testimony, as well as to submit a post-hearing brief. Post-hearing briefs shall be simultaneously submitted directly to the arbitrator, with a copy sent to the opposing party's representative, within twenty-one (21) calendar days of the conclusion of the hearings;
 - iv. The arbitrator's decision and award shall be issued in writing directly to each party's representative within thirty (30) days of the close of hearings or the submission of post-hearing briefs, whichever is later;
 - v. A mutually agreed court reporting service shall record and transcribe the hearings. The costs of the neutral arbitrator, as well as the costs of the court reporting service and a copy of the transcript for the arbitrator shall be divided equally. Each party shall be responsible for purchasing its own copy of the transcript and for compensating its witnesses and representatives.

Section 3. Remaining Provisions of § 1614. Except as expressly provided in this Agreement, the parties agree that the provisions of § 1614 of the Act and the Rules and Regulations of the Board shall govern the resolution of any bargaining impasses and any arbitration proceedings that may occur over the terms subject to the negotiations for a successor Agreement.
