## **PREAMBLE**

**WHEREAS**, the Parties, through their designated representatives, met and conferred in good faith pursuant to Tempe City Code 2-400 Et Seq in order to reach agreement concerning wages, hours, and working conditions of employees comprising the Firefighter Unit, and,

**WHEREAS**, the Parties hereby acknowledge that the provisions of this Memorandum are not intended to abrogate the authority and responsibility of City government provided for under the statutes of the state of Arizona or the Charter or Ordinances of the City of Tempe except as expressly and lawfully limited herein,

**NOW, THEREFORE**, having reached this complete agreement concerning wages, hours and working conditions for the term specified, the Parties submit this Memorandum to the City Council of the City of Tempe with their joint recommendation that body resolve to adopt its terms and take such other action as may be necessary to implement its provisions.

## **PROVISO FOR EXISTING BENEFITS**

The Parties agree and Tempe City Code 2-400 Et Seq confirms that in the event of a conflict between the City of Tempe Personnel Rules and Regulations, attachments thereto, other Council approved programs, and this Memorandum of Understanding, the Memorandum of Understanding shall apply to the conflicting issue. If there is no conflict between the above referenced documents, the Parties are governed by the Personnel Rules and Regulations, attachments thereto and Council approved programs. In the event all such formerly referenced documents are silent on a particular issue, the City Manager and/or designee shall retain the right to exercise judgment on all such matters.

If, during the term of this Agreement, the City anticipates a substantive change in the benefits not included in this MOU, but provided to Unit Members through the City of Tempe Personnel Rules and Regulations and attachments thereto, and other Council approved programs, the City shall meet with the Union, explain the reasons for the change, and discuss the potential impact of such changes.

The purpose of the provisions of this Article is to continue to provide current financial benefit levels, as that terminology is customarily defined as part of the employees' overall compensation package, while simultaneously not restricting the authority of management in the administration and management of such benefits. As an example, firefighters on a 56-hour workweek will continue to be provided the benefit of vacation accrual as provided in the City Personnel Rules and Regulations; however, how approval is obtained to utilize such time shall remain the determination of the City. Similarly, these provisions do not guarantee a firefighter a particular work shift or work assignment; nor shall they guarantee a firefighter a right to overtime.

The referencing of the Personnel Rules and Regulations and other such policies and procedures herein does not make them an extension of this Memorandum of Understanding. Therefore, the process for an alleged breach of this MOU as contained in Tempe City Code 2-400 Et Seq or any procedure agreed upon by the Parties to resolve allegations of a breach of this MOU, shall not be applicable.

Any benefit provided by outside vendors (such as health insurance), and subject to cost increases outside the City's control, may cause a re-opening of this contract for purposes of the affected benefit only. This negotiation process will exclude fact-finding.

Restoration of Pay/Benefit Reductions:

- At the end of fiscal year 2010-11, when actual General Fund revenue information becomes available, actual General Fund Revenues will be compared to budgeted 2010-11 General Fund revenues (as presented in Schedule C of the City's Annual Budget).
- If the amounts of City Sales Tax and Total General Fund Revenues (excluding property taxes) reported and collected during the year exceed the amounts budgeted for fiscal year 2010-11 by at least 3%, but not more than 6%, then one-half of the value of benefits forfeited by the Union to reach their 5% pay/benefits reductions (one-half of approximately \$606,000) shall be restored to the Members, in a manner determined by the Union President. The benefit restoration will be effective for the first full pay period beginning in July 2011. In addition, if the 3% trigger is reached, Members will receive a bonus check equal to one-half of the "Pay Reduction" amounts deducted from their paychecks from January through June 2011, as described in Article 3, section 5 of this MOU.
- If the amounts of City Sales Tax and Total General Fund Revenues (excluding property taxes) reported and collected during the year exceed the amounts budgeted for fiscal year 2010-11 by at least 6%, then the entire value of benefits forfeited by the Union to reach their 5% pay/benefits reductions (approximately \$606,000) shall be restored to the Members, in a manner determined by the Union President.. The benefit restoration will be effective for the first full pay period beginning in July 2011. In addition, if the 6% trigger is reached, Members will receive a bonus check equal to all of the "Pay Reduction" amounts deducted from their paychecks from January through June 2011, as described in Article 3; section 5 of this MOU.
- Following is a list of the benefits forfeited by the Union to reach their 5% pay/benefit reductions.
  - Eliminate the City's \$50 per pay period contribution to deferred compensation \$182,000
  - Eliminate the City's \$25 per pay period contribution to the Fire Retiree Health Insurance Trust Fund \$91,000

- Reduce the annual Uniform Allowance from \$750 to \$150 and eliminate the supplemental payment \$105,000
  - Eliminate the 6-hour Special Holiday Leave \$38,000
  - Reduce each Member's pay by \$41.92 per pay period (savings equal to \$52.65 per pay period) \$190,000
- For purposes of comparing budgeted to actual revenues, one-time (non-recurring), unanticipated revenues exceeding \$350,000 that are received in fiscal year 2010-11 will not be counted as actual revenue, upon mutual agreement of the City Manager and Union President that the revenues do not represent recurring revenues.

**ARTICLE 9**  
**Written Reprimand Retention**

Records retention will be performed according to City policy.

**ARTICLE 10**  
**BIDDING ON VACANCIES**

1. The Parties acknowledge that the Fire Department has historically utilized a procedure whereby employees bid on work locations based upon the employee's length of service since date of hire as a firefighter with the City. Although this process oftentimes meets the needs of both the Department and the Employee, the Parties agree that this process in no way limits the authority of the Fire Chief, or his designee, to make assignments to meet the operational needs of the Department.

This process will also be used in the event of any layoffs within the Fire Department.

Note: A member is considered off probation one (1) year after graduation from the Phoenix Fire Academy or equivalent.

2. In the event that the Fire Chief exercises his prerogative to utilize a different method for allocating work assignments other than allowing employees to bid as acknowledged above in 1., the Union President has the right to make this issue an agenda item for discussion in the Labor/Management Committee, or the Employee may decide to appeal through the MOU Breach Procedure.
3. The Fire Chief shall make reasonable efforts to allocate work assignments and promotions expeditiously. The Fire Chief retains the right to make reassignments to meet the operational needs of the Department.

**ARTICLE 11**  
**CALL-BACK PAY**

Travel time will be included in the minimum two hours when member has worked less than two (2) hours.

**ARTICLE 12**  
**FORTY-HOUR (40) LEAVE ACCRUAL**

The Parties recognize that firefighters accrue vacation and medical leave at a higher rate than other City employees because of their fifty-six (56-hour) shift to which they are normally assigned. When the Fire Chief reassigns a firefighter, or a firefighter

is selected into a position with a forty- (40) hour work schedule, the firefighter will begin accruing vacation and medical leave at the same rate as other forty- (40) hour per week City employees. Furthermore, the firefighter's current accrual balances will be prorated as if it had been accrued based upon a forty- (40) hour workweek. This article excludes light duty assignments of less than ninety (90) calendar days.

When a firefighter on a forty- (40) hour workweek returns to the regular fifty-six (56-hour) workweek, vacation and medical leave will be in accordance with other fifty-six (56-hour) workweek employees, and the firefighter's leave balance will be prorated accordingly. This is not to be confused with article 14 "Light Duty".

1. The Employee moving into the Fire Department shall be paid a rate of pay as determined by the Fire Chief with the approval of the City Manager. Prior to the final determination by the Fire Chief, he shall review the intended rate of pay with the Association President.
2. The employee will receive leave accrual based upon continuous service with the City of Tempe. Said employee shall retain previously accrued unused leave balances.
3. For purposes of bidding on company-based assignments and/or available vacation slots, seniority will be based upon continuous service within the Fire Department.

### **ARTICLE 15 LIGHT-DUTY (TRANSITIONAL WORK)**

Any member assigned to light duty will be placed on a forty- (40) hour workweek schedule. All pay and leave accrual remains the same as if still on a 56 hour work week if the inability to perform regular duty is work related. If the inability to perform regular duty is not work related, all pay and leave accrual will remain the same for a period of ninety (90) days, after which the Member will stop receiving FLSA overtime premium

pay only.

## **ARTICLE 16 WORKING OUT OF CLASSIFICATION**
