ARTICLE 1 - ADMINISTRATION

SECTION 1: RECITALS

This Memorandum of Understanding, (hereinafter referred to as "Understanding") is entered into pursuant to the Meyers-Milias-Brown Act (Government Code, sections 3500 - 3511), as amended, and has been jointly prepared by the parties.

The City Manager is the representative of the City of Berkeley in employer-employee relations as provided in Resolution No. 43,397-N.S., adopted by the City Council on October 14, 1969.

The Berkeley Police Association (hereinafter referred to as "the Association") is the recognized employee organization for Representation Unit E (sworn, managerial employees in the Police Department) and Representation Unit F (sworn, non-managerial employees in the Police Department), which organization has been certified as such pursuant to said Resolution No. 43,397-N.S. The employee positions in such Representation Units are hereinafter set forth in Exhibit A, and the Association is recognized as the sole representative of employees assigned to such positions.

The parties have met and conferred in good faith regarding wages, hours, and other terms and conditions of employment of the employees in said Representation Units E and F, have freely exchanged information, opinions, and proposals, and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

This Understanding shall be presented to the City Council as the joint recommendation of the undersigned.

SECTION 2: RECOGNIZED EMPLOYEE ORGANIZATION

- 2.1. The Association is the majority representative of all employees within Representation Units E and F and shall continue to be recognized as such unless, in accordance with the provisions of Resolution No. 43,397-N.S. or as said Resolution may be amended, the Association is no longer certified as the recognized employee organization for employees in Representation Units E and F.
- 2.2. Responsibility for management of the City and direction of its work force is vested in City officials and the City Manager whose powers and duties are specified by law. In order to fulfill this responsibility, it is the exclusive right of City management to

determine the mission of its constituent departments, set standards of service to be offered to the public and exercise control and discretion over the City's organization and operations. It is also the exclusive right of the City Manager to take disciplinary action for just cause, to implement a layoff pursuant to Section 58 of this Understanding, determine the methods, means and personnel by which the City's operations are to be conducted and to take all necessary actions to maintain uninterrupted service to the community and carry out the City's mission in emergencies; provided, however, the Association shall be notified of any proposed changes affecting wages, hours and other terms and conditions of employment of employees represented by the Association, and the City Manager shall, upon request, meet and confer with representatives of the Association and endeavor to reach agreement on the practical consequences of any such changes in wages, hours and other terms and conditions of employees represented by the Association except as otherwise provided in this Understanding.

SECTION 3: NO DISCRIMINATION

- 3.1. The Association certifies that it has no restriction on membership based on race, color, creed, sex, sexual orientation, national origin, political affiliation, handicap, or age, that it has a positive program for making members of minority groups and women aware of employment opportunities within its jurisdiction, and that it will work with the City Manager to increase recruitment of such minorities and women in the City service. The Association recognizes the City's commitment to the principles of affirmative action and agrees to cooperate with the City to further the ends of affirmative action.
- 3.2. Neither the City nor the Association shall discriminate against any employee covered by this Understanding in a manner which would violate any applicable laws because of race, creed, color, religion, political affiliation, sexual orientation, sex, national origin, disability, or age (including AIDS.) The City and the Association agree that no employee shall be discriminated against on the basis of membership or non-membership in the Association or any lawful activity on behalf of the Association.

SECTION 4: ASSOCIATION SECURITY

- 4.1. All employees who are, or hereafter voluntarily choose to become, members of the Association shall maintain such membership in good standing as a condition of continued employment for the duration of this Understanding; provided, however, that withdrawal from membership shall be allowed during the month which precedes the month in which this Understanding expires. Employees may withdraw by sending written notice of withdrawal to the Association (with a copy to

the Director of Human Resources of the City) during the withdrawal period.

- 4.2. The Association shall indemnify and save the City harmless from any and all claims, demands, suits, or any other action arising from Section 4 or from complying with any request for termination of employment under Section 4. The Association will not undertake to compensate the City for any time which may be spent by the City Attorney or anyone on the staff of the City Attorney in preparing for or defending any legal action which may be filed. The Association will, however, pay directly any fine or reimburse the City for the payment of any fine which may be assessed against the City by virtue of its agreement to Sections 4.1 and 4.2, and the Association will pay any judgment or award, including the payment of any wages lost by an employee whose services are temporarily or permanently terminated because of his or her failure to comply with the provision of Section 4.
- 4.3. It is understood and agreed that the City Council retains the right, in its sole discretion, to determine that the Association is not discriminating against any employee or class of employees. It is further understood and agreed that the City Council retains the right to withdraw the Association security privilege if at any time it determines that the Association is discriminating against any individual or classifications prohibited by Section 3 of this Understanding.
- 4.4. The City shall furnish the Association, on a monthly basis, the name, date of hire, salary, classification, and work location of all newly hired employees subject to the Understanding. The City shall furnish newly hired employees with information concerning the Association as supplied by the Association.

SECTION 5: DEDUCTION OF ASSOCIATION DUES

- 5.1. The City shall deduct, once monthly, the amount of the Association's regular and periodic dues, service fees, or insurance premiums as may be specified by the Association under the authority of an authorization card furnished by the Association and signed by the employee. Such deductions, together with a written statement of the names and amounts deducted, shall be forwarded promptly to the Association office.
- 5.2. Upon receipt of a notice from the Association of an increase in the amount of regular and periodic dues, service fees, or insurance premiums, an employee may, within thirty (30) days, revoke the deduction authorization by furnishing written notice of such revocation to the Department of Human Resources. An employee may also revoke the deduction authorization by furnishing written notice of such revocation during the thirty (30) day period immediately preceding the expiration of this Understanding.

SECTION 6: ASSOCIATION REPRESENTATIVES

- 6.1. The City shall allow representatives of the Association, subject to the conditions set forth in Sections 6.2 and 6.3, reasonable time off from work without loss of compensation or other benefits to represent its members in disputes which involve the interpretation or application of those rules, regulations, and resolutions which have been or may hereafter be adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations, and resolutions as may be adopted by the City Council to effect Memoranda of Understanding which may result from the meeting and conferring process, and to represent its members in meeting and conferring in good faith for amendments to this Understanding in the future.
- 6.2. **Representatives:** With respect to the meet-and-confer process, four (4) Association representatives shall be the maximum number who will be allowed concurrent time off. In all other cases, such as disputes defined in Section 6.1, the maximum number allowed concurrent time off shall be two (2).
- 6.3. **Notice Requirements:** Association representatives seeking time off to carry out functions described in Section 6.1 shall advise their supervisors at the earliest possible time and, except in emergency cases, no later than 24 hours in advance before leaving their work assignments. The Department will not unreasonably deny release time to the Association President (or Acting President) so that he or she may schedule the duties specified in Section 6.1; there may be times, however, when the City will, on short notice, need to modify or adjust such release time because of unpredictable service needs.
- 6.3.1. In emergency situations which require the immediate attention of said employee, the employee shall notify a supervisor upon his or her return to work. It is understood that employees will not leave their work assignments without the approval of the supervisor and that such approval shall not be unreasonably denied.
- 6.3.2. To the extent possible, the Association will attempt to schedule all release time to avoid impacting service levels. If necessary, however, Association representatives' workloads will be adjusted on the basis of approved release time. Employees shall record release time for activities described in Section 6.1 with the appropriate code on their time sheets and cards.
- 6.4. **Meetings:** Reasonable release time will be available so that members can attend periodic meetings of the Association which occur during their shift.

- 6.5. **Bulletin Boards:** The City shall provide bulletin board space for Association use at each of its work centers where covered employees are regularly employed.
- 6.6. **Board of Review:** All time spent in attendance at Board of Review meetings by off-duty officers elected by the Association to serve as members of such boards shall be considered time worked, and shall be compensated in accordance with Section 19 of this Understanding.
- 6.7. Up to three (3) officers designated by the Board of Directors of the Association may meet with the City Manager and Chief of Police every second month to foster communication. These meetings will be scheduled so that Association representatives can attend during regular work hours. Association representatives will record time spent in such meetings as work (rather than release) time.

SECTION 7: ASSOCIATION RELEASE TIME

The Association will be entitled to up to six hundred (600) hours of paid leave of absence each calendar year to be granted collectively to employees who are designated representatives of the Association to attend seminars, conferences, or conventions away from the job site, where employees are not available to respond to emergencies. The Chief may, in his or her discretion, approve additional Association requests. The Chief or the Chief's designee may not deny such requests solely on the need to post overtime. Time spent on such Association business will be recorded with the appropriate code on time sheets.

SECTION 8: SEPARABILITY OF PROVISIONS

In the event that any provision of this Understanding is declared by a court of competent jurisdiction to be illegal or un-enforceable, that provision of this Understanding shall be null and void, but such nullification shall not affect any other provisions of this Understanding, all of which other provisions shall remain in full force and effect.

SECTION 9: FINALITY OF RECOMMENDATIONS

- 9.1. This Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any and all prior and existing Understanding, understandings, or agreements, whether formal or informal, are hereby superseded and terminated in their entirety. This Understanding cannot be modified except in writing upon the mutual consent of the parties and ratification by the City Council.

- 9.4. It is the intent of the parties that ordinances, resolutions, rules and regulations enacted pursuant to this Understanding shall be administered and observed in good faith.
- 9.5. Although nothing in this Understanding shall preclude the parties from mutually agreeing to meet-and-confer on any subject within the scope of representation during the term of this Understanding, it is understood and agreed that neither party may require the other to meet-and-confer on any subject matter covered herein or with respect to any presentation during the term of this Understanding.
- 9.6. Amendments to this Understanding shall be effective only when adopted by the City Council and ratified by the Association.

SECTION 10: DURATION

ARTICLE 2 - SALARIES, HOURS OF WORK AND COMPENSATION ISSUES

SECTION 11: SALARIES

- 11.1. Salaries for the period of April 3, 2011 through July 5, 2014, shall be set according to the classifications and salary ranges assigned to those classifications listed in Exhibit "A" and attached hereto and made part hereof as provided below.

2011 – 2014 Memorandum of Understanding

City of Berkeley

Berkeley Police Association

Effective July 12, 1998, the salary ranges for the classifications of Police Captain and Police Lieutenant shall be adjusted in recognition for performance of the duties of the Duty Command Officer. This section is not intended to prohibit a Police Lieutenant from receiving overtime compensation or any other special compensation earned while serving as a Duty Command Officer.

- 11.1.1. The salary ranges for those classifications covered by this Understanding which went into effect on April 3, 2011, shall remain in effect through July 5, 2014 and are listed in Exhibit "A".
- 11.2. Employees occupying a position in the competitive service shall be paid a salary or wage within the range established for that position's class as set forth in Exhibit "A". The minimum rate for the class shall apply to employees upon original appointment to the position except in cases of lateral entry. Lateral entry shall be provided for Police Officer only, and the Chief of Police, with the approval of the Director of Human Resources and City Manager, may pay to lateral entrants a salary above the first step. Employees reinstated or reemployed after layoff shall receive a rate within the range established for the class. Transfers shall not affect an employee's salary rate. Employees appointed to any of the positions set forth in Exhibit "A" and employed or working on a part-time basis shall be paid in proportion to the time worked and described in their appointment.
- 11.3. No salary advancement shall be made so as to exceed the maximum rate established for the class to which the advanced employee's position is allocated. Advancement shall be in accordance with the compensation plan of the City and shall depend upon increased service value of an employee to the City as exemplified by recommendations of the department head, performance record, special training, length of service, and other pertinent evidence.
 - 11.3.1. An employee's pay increase shall not be affected by any leave of absence without pay if the employee is off the payroll for less than one hundred sixty (160) consecutive hours. If the employee is off the payroll for one hundred sixty (160) consecutive hours or more, the total amount of time off shall be made up before the employee shall be entitled to such pay increase.
- 11.4. Salary reductions may be made as a result of an employee's diminished service value or as part of a general plan to reduce salaries and wages as an economy measure or as part of a general curtailment program. No reduction shall be made below the minimum rate established for the class to which the reduced employee's position is allocated. Notice of the reduction shall be given to the employee not later than two (2) weeks prior to the effective date of the reduction. Any employee whose salary has been reduced shall be entitled to receive a written statement of

the reasons for such action.

11.4.1. Salary reductions which are part of a general plan to reduce salaries and wages as an economy measure or as part of a general curtailment program shall not be subject to the provisions of Sections 11.4, 11.5 or 56.

11.5. **Y Rate:** Any employee occupying a position which is reallocated to a class, the maximum salary for which is less than the incumbent's present salary, or occupying a position in a class, the salary rate or range for which is reduced, shall continue to receive his or her present salary. Such salary shall be designated as a "Y" rate. When an employee on a "Y" rate vacates his or her position, subsequent appointments to that position shall be made in accordance with Section 11.2.

11.6. **Pay Periods:** Payment of salaries herein established shall be bi-weekly. Each pay period shall begin at 12:01 a.m. Sunday up to and including 12:00 midnight Saturday two weeks following. Each payment shall be made not later than the Friday following the ending of each payroll period and shall include payment for all earnings during the previous payroll period.

As is the case with any lunch period, the needs of the City and department take precedence.

SECTION 19: OVERTIME/SHIFT EXTENSION

- 19.1. Employees of the rank of Lieutenant or below shall be entitled to receive overtime pay. No employee may work overtime or extend his or her shift without express prior approval of his or her supervisor. Time spent in a paid status but not actually worked (i.e., sick leave, vacation leave, workers' compensation, holiday time when receiving pay, when being represented, or other approved leaves with pay) shall be considered "time worked" for the purposes of this section. Unless specifically requested by a commanding officer, employees shall not work overtime on their regularly scheduled shift on days they would normally work. On days when they have taken paid time off for any reason other than workers' compensation, they are not automatically restricted from working overtime during those same days on shifts other than their own.

19.3.2. An employee who is placed on emergency on-call status on his or her regularly scheduled day off shall be paid for a minimum of two hours and at a one-quarter time rate (i.e., 0.25 multiplied by the hourly rate and multiplied by the number of hours placed on emergency on-call status).

19.4. **Compensatory Time Off:** Compensatory time off may be earned in lieu of overtime pay at the rate of one and one-half (1½) hours for each overtime hour worked up to a maximum, effective July 1, 1984, of one hundred twenty (120) hours in such compensatory time. Consistent with FLSA regulations, upon termination of employment, employees will be paid for the full amount of compensation for accumulated but unused compensatory time. Utilization of compensatory time shall be determined by the department head with due regard for the wishes of the employee and particular regard for the needs of service, consistent with FLSA regulations.

19.5. **Administrative Leave for Captains**

19.5.1. Effective January 1 of each year, Captains shall be credited with forty (40) hours of Administrative Leave. Such leave shall be in lieu of overtime

earned by individuals in the ranks of Lieutenant and below. Administrative Leave which is not utilized during any calendar year will be credited to the individual's vacation balance at the end of the calendar year. All rules governing vacation balances and when vacation can be scheduled in Section 22 shall apply to Administrative Leave.

19.5.2. Persons appointed to the rank of Captain during the calendar year shall receive Administrative Leave prorated based on the number of pay periods remaining in the calendar year.

19.6. Any hours worked on overtime are excluded from CalPERS reported "compensation earnable" in California Government Code Section 20635.

20.1.3. A sworn employee who makes an off-duty court appearance shall receive a minimum of four (4) hours overtime unless his or her scheduled duty reporting time, regular shift or overtime shift is less than four hours after the scheduled court appearance in which case the employee will receive overtime in the lesser amount.

20.1.4. Overtime spent conferring with the prosecuting attorney will be considered as court overtime and part of the court session only if the employee's presence is required in court after the conference.

20.1.5. For off-duty, out-of-town court appearances, travel constitutes court overtime and is determined by the round trip time from the Hall of Justice.

20.1.6. To receive court overtime credit, an employee shall submit an Extraordinary Duty Report.

20.1.6.1. Subpoena should be attached and case number indicated if either or both are available.

21.1. Recovery Time Transfer is that system whereby an employee grants time from earned compensatory time off, vacation leave or sick leave to another employee. Such transfer of time shall be limited to situations where the recipient of the transfer is, by reason of illness or injury, threatened with the loss of earnings due

to his/her exhaustion of employment benefits. Such time transfer request must be in writing, and subject to the approval of the City Manager or designee. Such approval shall not be unreasonably denied. Such transfer shall be credited to the recipient at the donor's rate of pay. Recovery Transfer Time will not be used for industrial injuries or illnesses. The use or receipt of Recovery Transfer Time shall not preclude possible medical separation of the recipient employee. The City reserves the right to require medical verification by a qualified medical practitioner of the recipient employee's medical condition.

- 21.2. An employee may donate compensatory time off or vacation leave.
- 21.3. An employee may donate accrued but unused sick leave as Recovery Transfer Time subject to the following conditions:
 - 21.3.1. An employee may donate one hour of sick leave for each hour of compensatory time off and/or vacation leave time donated for Recovery Time Transfer. 24.7 New Sick Leave Program

Effective December 23, 2012, Section 24.6 in its entirety shall be abolished and the following New Sick Leave Program shall go into effect.

24.7.1. Initial Implementation with Existing Sick Leave Balances

If a sworn member of the Berkeley Police Department (“Employee”) has an accrued sick leave balance on December 23, 2012 that exceeds 200 hours, one half of all those hours in excess of 200 shall be maintained in a separate account. The financial value of those hours shall be converted and deposited into the employee’s retiree Peace Officers Research Association of California (PORAC) medical trust account over five successive years in equal installments commencing on January 1, 2013. The conversion shall be at the Employee’s rate of pay on December 23, 2012. The City may accelerate the payment of hours to be converted.

The remaining fifty percent of the sick leave balance in excess of 200 hours shall be credited into the employee’s separate “catastrophic/service time” bank no later than February 1, 2013 up to a maximum of 500 hours.

24.7.2. After Initial Implementation and Going Forward

Beginning January 1, 2013, at the end of each calendar year, if an employee has an accrued sick leave balance of 200 hours or more of sick leave, fifty percent (50%) of all hours accrued in excess of 200 hours shall be converted to a cash equivalent at the end of each calendar year. The annual cash conversion shall be calculated at the employee’s hourly rate including additional pay such as POST Pay, Bilingual Pay and Longevity Pay then in effect at the end of the calendar year. The annual cash conversion shall be limited to 50% of the hours an employee has accrued in excess of 200 hours as of December 31st of each year. The City shall pay the annual cash equivalent into an employee’s retiree PORAC medical trust account on behalf of the employee member. Upon retirement, any sick leave hours that have not been converted onto an employee’s PORAC medical trust account, used for the purpose of additional retirement service credit as provided in PERL Section 20965, or “catastrophic/service time” bank shall be forfeited.

The remaining fifty percent (50%) of accrued hours in excess of 200 hours, up to a maximum of 500 hours, shall be maintained in the employee’s separate “catastrophic/service time” bank. These hours are available for the employee’s use in the event that the employee has a catastrophic illness or injury and has

exhausted all accrued sick leave hours and compensatory time off hours. At the time of the employee's retirement or termination, any sick leave balance in the catastrophic/service time bank may only be used for additional retirement service credit as provided in PERL Section 20965 and the employee cannot cash it out at retirement or separation.

24.7.3. **Catastrophic/Service Time Bank of Hours**

The catastrophic/service time bank of hours is available for use subject to the following conditions.

- 24.7.3.1. Employee or employee's dependent family member must be suffering from a catastrophic illness or injury. Catastrophic illness or injury means an unanticipated life threatening illness or injury, either for a permanent or temporary period anticipated to exceed thirty (30) working days, that results in the incapacity of an employee or the employee's dependent family member and by virtue of the illness or injury to the employee or the employee's dependent family member, the employee's ability to perform the essential functions of his or her usual and customary occupation is limited.
 - 24.7.3.2. The "service time" leave component may be used for the birth or adoption of a child.
 - 24.7.3.3. Employee shall provide the City proof of catastrophic injury or illness from an authorized health care provider on a form to be provided by the City

- 24.7.4.1. Employee is prohibited from using the catastrophic/service time bank for any industrial injuries or illnesses that are covered by the California workers' compensation laws and regulations.

- 24.8. **Family Sick Leave:** Sick leave shall not be considered a privilege which an employee may use at the employee's discretion but shall be allowed only in case of sickness or disability or in the case of serious illness of the employee or within the immediate family of the employee. Not more than ten (10) working days in any calendar year may be taken as sick leave because of illness of a member of the employee's immediate family. This additional leave accrual is prorated for part-time employees. Not more than sixteen (16) additional hours per year may be achieved; this paid leave may be used for any leave purpose covered by this Understanding.
- 24.10. **Affect of Extended Unpaid Absence:** An employee who is granted a leave of absence without pay and who is off the payroll for less than one hundred sixty (160) consecutive hours. shall receive earned sick leave credit. 24.12. **Absenteeism Control System:** The City may implement an absenteeism control system, which will include the detailed and ongoing recording of absences and counseling of employees regarding abuse, with management and supervisory personnel having the discretion to require medical verification in instances where abuse appears evident and to take disciplinary action as appropriate to correct patterns of abuse.

SECTION 25: WORKERS' COMPENSATION

- 25.1. All employees shall be entitled to such compensation as may be allowed pursuant to the applicable provisions of the Workers' Compensation Insurance and Safety Act of the State of California (specifically Labor Code Sections 4850 et seq.).
- 25.2. No sick leave shall be allowed for time off for an injury incurred while working for another employer, provided that such injury is covered by the Workers' Compensation laws of the State of California or other provision for payment for time off because of such injury is made by such other employer. In the event such injury is not covered by the Workers' Compensation laws of the State of California and no other provision for payment for time off because of such injury is made by such other employer, sick leave in accordance with the provisions of Section 24 shall be allowed only if such outside employment has been approved by the City.
- 25.3. Workers' Compensation salary in lieu of temporary disability payments as provided in California Labor Code Section 4850 are reportable to CalPERS as compensation earnable for a period not to exceed one year. In the case of death within the immediate family of an employee such employee shall be entitled to remain absent from duty with pay in order to attend the funeral or memorial service for a period not exceeding three (3) working days, or, in the case of a funeral or memorial service conducted out of the State of California, for a period not exceeding five (5) working days. - 26.2. Leave of absence with pay because of death in an employee's immediate family is allowed solely for the purpose of attending funeral and memorial services, and such leave shall not be charged against vacation or sick leave which an employee may be entitled to but shall be in addition thereto.

SECTION 27: MILITARY AND MARITIME LEAVE

Military and Maritime Leave shall be governed by the provisions of the Federal Uniformed Services Employment and Reemployment Rights Act (USERRA) and any regulations promulgated to implement the Act, and the California Military and Veteran's Code. Employees will be granted a leave of absence without pay with appropriate seniority, pay, status and vacation as required by law for the purpose of fulfilling any required military obligation. If allowed by the USERRA and/or the State of California Military and Veteran's Code, where the employee is entitled to receive his/her regular pay during the period of the military leave, military pay is to be deducted from the employee's regular pay from the inception of the military leave.

The Association will be notified of any revisions to Administrative Regulation 2.4.

SECTION 29: LEAVE OF ABSENCE WITHOUT PAY

- 29.1. Upon request of the employee, the Chief of Police may grant a leave of absence to an employee within his or her department without pay not to exceed fifteen (15) working days. No leave without pay shall be granted for more than fifteen (15) working days, except upon the written request of an employee and approval of the City Manager. Failure on the part of an employee on leave to report

promptly at its expiration shall be cause for discharge.

- 29.2. An employee must use all available compensatory and vacation leave, including banked vacation, in order to become eligible for an approved leave of absence without pay. In the event of illness, an employee must also exhaust sick leave prior to receiving authorization for leave without pay. However, in the event of an illness or injury requiring the use of sick leave, an employee has an option to notify the City in writing that he/she wishes to freeze the use of sick leave after thirty (30) calendar days prior to receiving authorization for leave without pay in order to take advantage of an Association sponsored Long Term Disability benefit.
- 29.3. In the event of a request for leave of absence for personal reasons (not related to sickness), an employee must exhaust all compensatory and vacation time available prior to receiving authorization for leave without pay.

SECTION 30: JURY DUTY LEAVE

An employee who is called or required to serve as a trial juror shall be entitled to be absent from duties or service with the City with pay during the period of such service, as defined in the glossary (Exhibit B) or while being present in court as a result of such call. - 31.1. **Medical Coverage:** Effective January 1, 1991, the City will pay 100% of the premium for the applicable (single, couple, family) Kaiser rate. Plans that are less expensive than or equal to the Kaiser plan shall be fully paid by the City. For coverage under more expensive plans the employee shall pay the difference through payroll deduction. If an employee chooses to complete and submit to the an Affidavit of Domestic Partnership and sign up for medical benefits for his or her domestic partner, the employee shall be subject to federal and state income tax withholding.

The Understanding can be reopened on health plan topics by mutual consent.

- 31.2. **Dental Coverage:** The City shall provide a dental care program for employees. Dental benefits will remain at 90% coverage of the Bay Area Usual, Customary and Reasonable charges for the life of this Understanding. Effective January 1, 2002, the maximum annual coverage will increase to \$3,000 per calendar year and the lifetime limit on orthodontia will be increased to \$3,000. If an employee chooses to complete and submit to the an Affidavit of Domestic Partnership and sign up for dental benefits for his or her domestic partner, the employee shall be subject to federal and state income tax withholding.
- 31.3. Should the City deem it feasible to provide the same level of benefits through another provider or to provide such benefits on a non-insured basis, it will notify the Association and, upon written request, will meet and confer on the matter.
- 31.4 **Life Insurance:** The City shall provide term life insurance of \$50,000 for each employee that shall include a standard accidental death and dismemberment provision of a like amount. Effective with the execution of the 2011 through 2014 Memorandum of Understanding, the City shall increase the term life insurance to \$100,000 for each employee that shall include the standard accidental death and dismemberment provision of a like amount. In addition, employees may purchase additional life insurance in increments of \$10,000 up to a maximum of \$300,000 at a rate offered by the City's insurance carrier and subject to any medical exam as required by the insurance carrier.
- 31.5. **Pro-Ration for Less Than Full-Time Employees:** All career and grant-funded provisional employees working less than a full forty (40) hour week shall receive prorated rather than full fringe benefits and shall pay, by payroll deduction, the remainder of the health and dental insurance premiums.
- 31.6. **Cash In-Lieu:** For those employees who show proof of alternate medical coverage, the City will compensate the employee \$529.52 per month. Cash in lieu payments shall increase thirty (30) days prior to the expiration of the MOU to the then single party Kaiser rate for active employees.

SECTION 32: RETIREE MEDICAL COVERAGE

- 32.1. **Sick Leave Trust Fund:** A retiring employee may elect to use his or her sick leave payout to pay for health insurance coverage. The duration of coverage will be computed as follows: the payout amount (as determined by provisions of Section 24.6.4) shall be divided by the monthly cost in effect on the date of retirement (including both the cost to the City and the cost to the employee) of

the medical plan in which the employee is enrolled on the date of retirement. That computation will produce the number of months for which the City will pay, and the payout of any residual amount. A trust fund account will be established by the City in its accounting records for each retiree who elects this option. The retiree's individual account will be reserved and available for premium payments until exhausted. A retiree may change level of coverage (family coverage, to two party or one party) but the number of months coverage will be re-computed by dividing the monthly cost (both to the City and to employees) that is in effect at the time the change is requested by the balance in the retiree's account.

To the extent permitted by the health plan provider, and with written notice to the City by November 1, a retiree may change health care providers and such change in coverage shall be effective January 1 of the next year. The City will re-compute the number of months of coverage by dividing the monthly cost (both to the City and to employees) that is in effect at the time the change is requested by the balance in the retiree's account.

The foregoing two paragraphs of Section 32.1 shall be abolished on the date the 2011-2014 Memorandum of Understanding is executed.

A retiree, with a sixty (60) day notice, may at any time request a lump sum payment of the balance in his or her health care trust account. Upon the death of the retiree, any money in the account will be disbursed to the employee's estate.

32.2. Retiree Health Coverage: The City will establish an Internal Revenue Code Section 401(a) plan for the purpose of paying the benefit provided in this Section.

The City shall pay to the retiree or his or her surviving spouse an amount equivalent to the two party active Kaiser monthly medical insurance premium until the death of both. (See Exhibit Letter from Kaiser dated September 14, 2001 attached to this Memorandum of Understanding for illustrative and convenience purposes.) The maximum amount the City shall pay to the retiree or his or her surviving spouse is based on the following schedule:

Years of Service	Percentage to be Paid by the City
10 years of Service	City to pay an amount equal to 25% of the 2-party Kaiser plan rate
15 years of Service	City to pay an amount equal to 50% of the 2-party Kaiser plan rate

Years of Service	Percentage to be Paid by the City
20 years of Service	City to pay an amount equal to 75% of the 2-party Kaiser plan rate
25 years of Service	City to pay an amount equal to 100% of the 2-party Kaiser plan rate

- 32.2.1. **Payment:** If payment is made under the Code section 401(a) plan, the payment to be made on a monthly basis shall be made directly to the retiree, or if the retiree is deceased, to the surviving spouse. If payment is made under the retiree health premium assistance plan per Section 32.3, the payment to be made on a monthly basis shall be made directly to the provider who is providing retiree health coverage to the retiree or his or her surviving spouse (if spouse is eligible, per Section 32.5.2). The retiree or surviving spouse assumes full responsibility for the tax consequences for this benefit.
- 32.2.2. **Notification of Death:** The retiree or surviving spouse is exclusively responsible for notifying the City of a death of his or her spouse. Such notification must be reported in writing to the City by U.S. Postal Service addressed to: Director of Finance, City of Berkeley Finance Department, 2180 Milvia Street, Berkeley, CA. When both the retiree and surviving spouse die all payments under this Section shall cease.
- 32.2.3. **Notification of Change of Address:** The retiree or surviving spouse is exclusively responsible for notification to the City of his or her current mailing address. A change in mailing address must be reported in writing to the City by U.S. Postal Service addressed to: Director of Finance, City of Berkeley Finance Department, 2180 Milvia Street, Berkeley, CA. If the U.S. Postal Service returns payment checks for two consecutive months, the City will cease making payments under this Section. However, if the retiree and/or surviving spouse re-establishes contact with the City and notifies the City in writing of a new mailing address, the City shall resume making payments including arrears payments for the period when payment checks were undeliverable.
- 32.2.4. **Payments Commence 10 Years After Retirement Plan:** For employees retiring on or after January 1, 1989 through July 5, 1997, the City shall begin making payments to the retiree or his or

her surviving spouse ten (10) years after the employee retirees. No payments will be made under this Section until January 1, 1999. For the purposes of this Section, a “retiree” is anyone who separated from the City on or after January 1, 1989, is vested in CalPERS, has ten years of service as a sworn officer with the Berkeley Police Department and has reached the age of 50. However, a “retiree” is also anyone, regardless of age, who receives a disability or industrial disability retirement benefit from CalPERS and has at least ten (10) years of sworn service with the Berkeley Police Department.

32.2.5. Payments Commence 5 Years After Retirement Plan: For employees retiring on or after July 6, 1997, the City shall begin making payment to the retiree or his or her surviving spouse, or to the provider of retiree health care coverage through a newly established retiree health premium assistance plan, as applicable, five (5) years after the employee retirees. No payments will be made under this Section until July 6, 2002. For the purposes of this Section, a “retiree” is anyone who separated from the City on or after July 7, 1997, is vested in CalPERS, has ten years of service as a sworn officer with the Berkeley Police Department and has reached the age of 50. However, a “retiree” is also anyone, regardless of age, who receives a disability or industrial disability retirement benefit from CalPERS and has at least ten (10) years of sworn service with the Berkeley Police Department.

32.2.6. Payments Commence 2 Years After Retirement Plan: Effective July 1, 2008 for employees retiring after July 1, 2007, the City shall begin making payments to or on behalf of the retiree or his or her surviving spouse two (2) years after the employee retirees. The maximum amount the City shall pay to or on behalf of the retiree is based on the following schedule:

Years of Service	Percentage to be Paid by the City
10 years of Service	City to pay an amount equal to 25% of the 2-party Kaiser plan rate
15 years of Service	City to pay an amount equal to 50% of the 2-party Kaiser plan rate
20 years of Service	City to pay an amount equal to 100% of the 2-party Kaiser plan rate

For the purposes of this Section, a “retiree” is anyone who separated from the City on or after July 1, 2007, is vested in CalPERS, has ten years of service as a sworn officer with the Berkeley Police Department and has reached the age of 50.

However, a “retiree” is also anyone, regardless of age, who receives a disability or industrial disability retirement benefit from CalPERS and has at least ten (10) years of sworn service with the Berkeley Police Department.

32.2.7. **Overpayments:** In the event of an overpayment, the procedures set forth in Section 42 (Payroll Errors) of the Understanding shall apply to the recovery of overpayments under this Section, with adjustments as appropriate to reflect that retirees are no longer on the active payroll, so offsets or reductions must be made to future payments that would become due under the applicable plan providing benefits to the retiree or his or her surviving spouse.

32.3. **Retiree Health Premium Assistance Coverage:** Effective September 19, 2012, the City will cease making contributions to an Internal Revenue Code Section 401(a) plan for the purpose of paying the retiree health care benefit provided under this Section for any employees hired on or after that date who would otherwise have qualified for benefits under the terms described in this Section 32. Any employees hired on or after September 19, 2012, as well as any current employees who retire on or after such date, shall receive the benefits described in this Section 32.3 as a benefit provided by the City under a newly established retiree health premium assistance plan and related trust agreement. Any benefits payable to employees who have retired prior to such date or to their surviving spouses may continue to be made under the Internal Revenue Code Section 401(a) plan that was established for such purpose to the extent benefits are not provided for such retirees under the new retiree health premium assistance plan. Under the newly established retiree health premium assistance plan, benefits will be the same as previously provided under the 401(a) plan, except for different eligibility criteria and that payment under the 401(a) plan was made directly to the retiree or his or her surviving spouse, and under the new plan the City will pay the retiree health premium assistance amount to the provider who is providing retiree health coverage to the retiree or his or her surviving spouse (if spouse is eligible per Section 32.5.2. Upon the death of the retiree, the amount provided to an eligible surviving spouse will be an amount equivalent to the appropriate percentage of the single party active Kaiser monthly medical insurance premium amount, which will continue until the death of the eligible surviving spouse. The maximum amount the City shall pay towards coverage for the retiree or his or her surviving spouse, either directly or to a health care provider on his or her behalf, is based on the following schedule set forth in Section 32.5 et seq.

- 32.4. **Amendment or Termination of 401(a) Plan** - As provided under Section 32.2, the City established an Internal Revenue Code Section 401(a) plan for the purpose of paying the benefits for retirees and their surviving spouses provided under this Section 32. Section 12 of that plan, which is named the Berkeley Police Supplemental Retirement Plan, provides that such plan may be amended or terminated in accordance with a Memorandum of Understanding between the City and the Association. The City and the Association have determined that it is desirable, to the extent legally permissible and administratively practicable, to provide benefits previously provided under that Berkeley Police Supplemental Retirement Plan through a retiree health premium assistance plan and related trust under section 115 of the Internal Revenue Code and have agreed that the City may take reasonable steps to amend or terminate the Berkeley Police Supplemental Retirement Plan, or spin-off assets and liabilities under such Plan for certain covered participants into a new section 401(a) plan that also may be amended or terminated, to the extent to the extent such actions are necessary or desirable to accomplish providing future retiree medical premium assistance benefits as described in this Section 32 for some or all of the covered retirees and their surviving spouses through a newly established retiree health premium assistance plan and related trust.
- 32.5 **Retiree Medical Coverage:** For those employees who retire on or after September 19, 2012 and effective immediately upon the date of retirement, the City will assist in the payment of medical insurance premium payments for the retiree and/or surviving spouse/domestic partner by making payments directly to the medical insurance provider. Retirees shall be permitted at their discretion to enroll in non-City sponsored health plans. In that event, the City shall make medical insurance premium payments directly to the health insurance provider equal in value to the City sponsored health plan. The City shall not be responsible for any excess cost differentials associated with the direct payment of premiums to non-City sponsored plans. The City will only make payments through its third party administrator to provide medical insurance premium payments for an individual plan and will not make payments for a group plan. The retiree and/or surviving spouse or domestic partner will pay the administrative set up fee and the monthly administrative fee established by the third party administrator. No cash payments will be paid directly to the retiree and/or the retiree's spouse/domestic partner.

There shall be no cash in lieu payments made under this benefit.

- 32.5.1. For employees that retire on or after September 19, 2012 the City will discontinue the current practice of paying directly to the retiree the cash equivalent of the active two-party Kaiser rate. However, for those employees who retired before September 19, 2012, the City shall continue to make cash payments to these retirees under the MOU provisions in effect at the time of their retirement. The City may make payments through the new program rather than direct cash payments to those employees who retired on or after January 1, 1989 but on or before September 19, 2012 to the extent those retirees are no longer entitled to receive post employment cash payments as provided under the prior MOU through a process that is intended to allow the new payments to be made on a non-taxable basis. Any such change in the method of providing benefits shall occur only for a period of six months beginning September 19, 2012.
- 32.5.2. Qualifying Spouse or Domestic Partner. A retiree will receive the appropriate percentage of two-party coverage for a spouse or domestic partner that meets any of the following criteria ("Qualifying Spouse"): (1) the spouse or domestic partner of the retiree at the time of retirement; (2) for a retiree that did not have a spouse or domestic partner at the time of retirement, the initial spouse or domestic partner a retiree adds to his or her health plan after retirement; or, (3) for any retiree, a subsequent spouse or domestic partner if the previous spouse or domestic partner died. For all times that a retiree does not have a Qualifying Spouse, the City will only pay the appropriate percentage of single party premium for that retiree. If a retiree predeceases a Qualifying Spouse, the City will continue to pay the appropriate percentage of single party premium for that individual.
- 32.5.3. In the event that an employee retires and initially elects not to utilize the Berkeley retiree medical plan as described above, the employee may opt back into the Berkeley retiree medical plan during any open enrollment period with either single only coverage or two-party coverage, if applicable.
- 32.5.4. The City will comply with any lawfully executed Qualified Domestic Relations Order (QDRO) but under no circumstances will it provide retiree medical benefits to more than two persons.

City of Berkeley

Berkeley Police Association

32.5.5. In order to be eligible for the Retiree Health Premium Assistance Coverage a "Retiree" must meet all of the following criteria (note, this is different criteria than used for previous plans):

32.5.5.3. Has retired from the City at age 50 or thereafter, and

32.5.5.4. Has applied for and is receiving a pension from CalPERS at the time of retirement.

However, a "retiree" is also anyone, regardless of age, who receives a disability retirement benefit, either industrial disability or non-industrial disability, from CalPERS.

32.5.6. The maximum amount the City will contribute toward the payment of medical insurance premiums is based on the employee's years of service as a sworn member of the Berkeley Police Department at time of retirement. The retiree must have at least 10 years of service as a sworn member of the Berkeley Police Department to qualify for this benefit.

32.5.7. The maximum amount the City will contribute toward payment of the medical premium is based on the following schedule:

Years of Service	Percentage to be Paid by the City
10 Years of Service	City to provide medical premium assistance equal to 25% of either the single party or two party amount as determined below

32.5.8. The City will assist the retiree and/or surviving spouse/domestic partner in the payment of the medical insurance premium as

follows:

32.5.9. Early Retirees who are not Medicare Eligible:

Beginning September 19, 2012, each month after the employee retires, the City will pay the health care service provider an appropriate percentage based on the chart in Section 32.5.7 of an amount equal to \$1,200.00 per month for two party coverage for the retiree and a qualifying spouse/domestic partner or \$600.00 per month for single party coverage. Upon the death of either the retiree or the retiree's spouse, the City will only pay the appropriate percentage based on the chart in Section 32.5.7 of the single party rate to the provider on behalf of the surviving retiree or spouse/domestic partner. If there is no spouse/domestic partner at the time of retirement, the City shall only pay the single party rate. The retiree and/or surviving spouse/domestic partner will be responsible for payment of the difference between the amount the City contributes toward payment of the premium and the actual premium cost. ARTICLE 6 - GRIEVANCE AND APPEAL PROCEDURE

SECTION 41: GRIEVANCE & DISCIPLINARY APPEAL PROCEDURE

- 41.1. A grievance is any dispute which involves the interpretation, application, claimed violation, or claimed noncompliance with the provisions of the Understanding between the City and the Association or with any City ordinance, rule, or regulation which may have been or may hereafter be adopted by the City to govern personnel practices or working conditions of City employees covered by the Understanding, including any rule, regulation, or resolution which may be adopted by the City Council which results from the meet-and-confer process. The grievance procedure discussed below shall be the dispute resolution mechanism applicable to employees covered by this Understanding.
- 41.2. A disciplinary appeal is the procedure established hereunder to afford an employee his or her due process rights. An employee may appeal the recommendation or imposition of discipline for demotion, pay reduction, suspension or discharge other than probationary discharge.
- 41.3. **Grievance Procedure**

Grievances shall be processed in the following manner:

- 41.3.1. **Step 1:** Any employee who believes he or she has a grievance (and/or the employee's Association representative) may discuss the employee's complaint with the Chief of Police or with such subordinate management official as the Chief of Police may designate. Nothing in this Section precludes an employee from utilizing the chain of command to solve grievances and/or complaints. If the issue is not resolved within five (5) days, the employee (and/or the employee's Association representative) may elect to invoke the procedure hereinafter specified.
- 41.3.2. **Step 2:** Any grievance which has not been resolved by the procedures hereinabove set forth may be referred to the City Manager by the affected employee or by the Association. Any such referral shall be in writing, and the specific issues involved shall be detailed in such referral, together with a statement of the resolution which is desired. The City Manager shall designate a representative to investigate the merits of the complaint and to meet with the complaining employee (and/or the employee's Association representative).
- 41.3.3. **Step 3:** If the Association is not satisfied with the City Manager's decision at Step 2 of the Grievance Procedure, the Association may require that the grievance be referred to an impartial arbitrator by notifying the City Manager within ten (10) days of the conclusion of Step 2. Either the Association or the City may require that the grievance be referred to an impartial arbitrator if for any reason forty-five (45) days have elapsed from the date upon which the grievance was received by the City Manager. The impartial arbitrator shall be designated by mutual agreement between the Association and the City Manager. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Association and the City. Each party, however, shall bear the cost of its own presentation, including preparation and post-hearing briefs, if any.
- 41.4. **Arbitrator Decisions:** Arbitrator decisions on matters properly before them which pertain to grievances as defined in Section 41.1 of this Understanding shall be in the forms of recommendations to the City Manager, who may, within five (5) days of receipt of said decision, reject said decision. In the event of said rejection, then, as to that particular grievance, the fees and expenses of the arbitrator and the court reporter shall not be shared by the Association, and full payment thereof shall be the sole responsibility of the City.

- 41.5. **Grievance of Affirmative Action Program:** Any grievance which in any way affects the implementation of the City's affirmative action program shall not be subject to arbitration. The decision as to whether or not implementation of the affirmative action program is in any way involved shall be made at the sole discretion of the City Manager. If, in the City Manager's judgment, any grievance involves the affirmative action program, the Equal Employment Opportunity and Diversity Officer shall notify the Association to that effect in writing within seven (7) days of the date upon which the grievance is received in the Human Resources Department and in such notification refer to that section of the affirmative action program which is involved; provided, however, that such notice may come at any time prior to arbitration if additional factors come to the attention of the Equal Employment Opportunity and Diversity Officer on the basis of which he or she considers it appropriate to change his or her original determination.
- 41.6. No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless the Association seeks a determination or if the dispute involves 1) the issue of unit determination; 2) a question of representation; 3) an aggrieved employee not in a classification of the units represented by the Association; or 4) non-punitive transfers, promotional decisions, and probationary employee terminations except as provided in Sections 34.5 and 41.8 5 et seq. of this Understanding.
- 41.7. **Compensation Grievances:** All complaints involving or concerning the payment of compensation shall be initially filed in writing with the Chief of Police. In such cases no adjustment shall be retroactive for more than thirty (30) days from the date upon which the complaint was filed or thirty (30) days from the date when an employee may reasonably be expected to have learned of said claimed violation. Only complaints which allege that employees are not being compensated in accordance with the rules, regulations, and resolutions of the City Council or in accordance with the understandings contained in any memorandum agreement which has resulted from the meet-and-confer process shall be considered as grievances. Any other matters of compensation are to be resolved in the meet-and-confer process and, if not detailed in the Memorandum of Understanding which results from such meet-and-confer process, shall be deemed withdrawn until the meet-and-confer process is next opened for such discussion.
- 41.8. **Disciplinary Appeals**

Disciplinary Appeals shall be processed in the following manner:

- 41.8.1. **Step 1:** Except as provided for suspensions of not more than three (3) days as provided in Section 38.2, the imposition of a disciplinary demotion, pay reduction, suspension or discharge of an employee will be in the form of a written recommendation from the Chief of Police to the City Manager. For suspensions of not more than three (3) days, the Chief of Police may impose such discipline subject to the appeal procedures set forth hereunder. No disciplinary appeal involving the disciplinary demotion, pay reduction, suspension or discharge of an employee will be entertained unless it is filed in writing with the Chief of Police within five (5) days of the time at which the affected employee was notified of such action in writing.
- 41.8.2. **Step 2:** The affected employee may appeal the recommendation to impose discipline, or the imposition of discipline for suspensions of not more than three (3) days, to the Chief of Police or his or her designee. The affected employee shall be entitled to a personal conference with the Chief of Police or his or her designee or the affected employee may choose to make an appeal in written form. The Chief of Police or his or her designee shall communicate a decision in writing within ten (10) days after the completion of the personal conference with the affected employee or receipt of the written appeal. This shall conclude Step 2 of the Disciplinary Appeal Procedure.
- 41.8.3. **Step 3:** Any disciplinary appeal which has not been resolved by the procedures hereinabove set forth may be referred to the City Manager within five (5) days after conclusion of Step 2 by the affected employee or the Association. The City Manager shall designate a personal representative to meet with the affected employee and/or the employee's Association representative and hear the disciplinary appeal or the affected employee may choose to make an appeal in written form.. The City Manager's designee shall communicate a decision within twenty (20) days after the completion of the personal conference with the affected employee or, if the employee chooses to make an appeal in written form, receipt of the written appeal. If the City Manager's designee, in pursuance of the procedures outlined above resolves a disciplinary appeal as defined in Section 41.2 above, the City Manager's designee may order payment for lost time or wages or reinstatement with or without payment for lost time. This shall conclude Step 3 of the Disciplinary Appeal Procedure.

- 41.8.4. **Step 4:** If the Association is not satisfied with the City Manager's designee's decision at Step 3 of the disciplinary appeal procedure, the Association may require that the disciplinary appeal be referred to an impartial arbitrator by notifying the City Manager within ten (10) days of the conclusion of Step 3. The impartial arbitrator shall be designated by mutual agreement between the Association and the City Manager. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Association and the City. Each party, however, shall bear the cost of its own presentation, including preparation and post-hearing briefs, if any. Arbitrator decisions on matters properly before them which pertain to the disciplinary actions involving the suspension, demotion, pay reduction or discharge of an employee shall be final and binding on both parties.
- 41.8.5. Notwithstanding their probationary status, probationary employees may use the grievance process for disciplinary actions other than termination.
- 41.8.5.1. **Probationary Employees' Appeal of Discipline:** Notwithstanding his or her probationary status, a probationary employee has appeal rights for disciplinary action where the employee alleges that the City's action was for an illegal or discriminatory reason, such as the exercise of Association membership, political affiliation, or other constitutionally protected activities; provided, however, that any appeal by a probationary employee of rejection from probation alleging a violation of his or her rights under Title VII (42 U.S.C. Section 2000e, et. seq.) or the California Fair Employment and Housing Act (California Labor Code Section 12900 et. seq.) may be pursued as provided in the City's Affirmative Action program, which shall be specifically amended to allow probationary employees a right of appeal under that program. Nothing in this Section 41.8.5.1 is intended to preclude a probationary employee from seeking enforcement of rights through state and/or federal regulatory agencies or in courts of competent jurisdiction.
- 41.5.2. **"Lubey" Hearing:** A probationary employee who is terminated on grounds of misconduct may establish a formal record of the circumstances surrounding his or her termination, but is not entitled

to a determination that his or her dismissal was for "just cause." Such a grievance shall terminate upon the conclusion of Section 41.8.3. The City Manager's decision at Section 41.8.3 is final and is not subject to further review.

41.9. **Days Defined:** All references in this Section 41 to "days" shall mean calendar days unless otherwise provided.

41.10. **Waiver of Time Lines:** The time lines contained in this Grievance and Disciplinary Appeal Procedure may be waived for a specific time period at any step in the Procedure with the mutual agreement of the parties.

To be eligible for such a modified assignment, the employee must initially, and subsequently at the request of the City, provide the Human Resources Department with a medical statement from his or her attending physician that clearly states the medical limitations and abilities of the employee and estimates when the employee will be able to return to a regular assignment. 51.1. Reserve officers shall not be regularly assigned to perform, police functions normally performed by a sworn officer working in a pay status (i.e., normal beat patrol, walking beats, normal detective functions, etc.). Reserve officers may be used by the Department to supplement police services, such as for additional staffing for special projects, in emergencies, for traffic or crowd control, in positions where they have been utilized previously, or in other short-term circumstances.

Reserves can only be used for such events when the overtime, after being offered to regulars, does not sell within 48 hours of the event. SECTION 53: WEIGHT ROOM

The Association will enter into a lease with the City which provides for the Association to lease exercise equipment to the City for use by Police Department employees for the nominal charge of \$1 per year. The City may require employees to submit to physical or psychiatric examinations by a City appointed physician where reasonable cause exists to believe that the employee is suffering from a physical or psychiatric condition which adversely impacts the employee's ability to perform his or her duties.
- 54.2. Whenever possible, an employee shall be advised in writing of the basis for the existence of "reasonable cause" and the grounds thereof before being directed to report to any such examination. In any case, such written notice is to be provided within 48 hours of such an examination.
- 54.3. Any psychiatric report to the City shall consist of the psychiatrist's ultimate conclusion as to the employee's fitness to serve and return to work date, if any. If the psychiatrist believes that the employee is not fit for duty he or she may also supply a brief non-intrusive analysis as it relates to the employee's ability to perform his or her duties. The psychiatrist shall respect the physician-patient privilege in all other regards and shall not, without the employee's written permission, release any other information, documents, reports or conclusions to the City.
- 54.4. Failure to report for a medical or psychiatric examination under this section may constitute grounds for discipline under Section 41.

SECTION 55: YMCA MEMBERSHIP

The City shall offer employees a low cost group membership in the Berkeley YMCA. The amount the City contributes toward the employee's monthly membership fee is subject to federal and state income tax withholding. The City of Berkeley or its Claims Administrator may not be liable for any injury which arises out of a City of Berkeley employee's participation in and use of a YMCA membership.

SECTION 56: PARKING

The City agrees to continue to provide 33 parking spaces for sworn employees. The parties recognize that construction in the downtown area will result in the relocation of the spaces from time to time. If relocation becomes necessary, the City agrees that all 33 spaces will remain within their current proximity. The parties recognize their mutual obligation to meet and confer and reach an agreement which meet the interests of each party.

The employees' payment of the employer's contribution shall sunset as of June 30, 2014.

ARTICLE 9 - LAYOFF PROCEDURE**SECTION 58: LAYOFF POLICY**

This layoff policy for the City of Berkeley is intended to provide the maximum employment protection to the City staff should a layoff become necessary. The policy also aims to minimize the impact such a layoff might have on the City's affirmative action accomplishments.

58.1. Announcement of Layoff

58.1.1 The City Council, City Manager, and the Chief of Police shall make every reasonable effort to manage and budget the City's resources effectively and to plan for the delivery of City services in a manner which will avoid the necessity to layoff career City employees. If a reduction in the work force for more than thirty (30) calendar days is necessitated by, but not limited to, a material change in duties and organization, adverse working conditions, return of employees from leaves of absence, or shortage of work or funds, the City Manager shall notify the Director of Human Resources of the intended action and the reason for the layoff.

58.1.2. Immediately following a decision which may involve the potential layoff of career employees, the City Manager shall freeze all current vacancies in the Police Department service in similar and related classifications to those likely to be targeted for layoff, as well as all related full-time, benefited, or temporary (see glossary) positions which are expected to last six (6) months or more, and notify the department head that such current and anticipated vacancies will be frozen until further notice in order to implement the provisions of Section 58.6.

58.2. Seniority Service Date

58.2.1. All service of persons in the employ of the City shall be counted toward the establishment of an employee's City seniority service date, including, for example, permanent, probationary, provisional, temporary (full-time and intermittent), seasonal, and exempt employment, as well as leaves of absence for obligatory military service while an employee with the City. Less than full-time service will be consolidated in equivalences of full-time service for the

purpose of establishing the City seniority service date. Time off, or vacation or compensatory time forfeited in lieu of time off, as a result of formal disciplinary action will be subtracted from the rank seniority service date, however, such date(s) shall not affect any employee's date(s) relative to bidding for shifts or vacation.

- 58.2.2. All service of persons in the employ of the City in a promotional rank above the entry-level rank shall be counted toward the establishment of an employee's rank seniority service date including only probationary and permanent service as well as leaves of absence for obligatory military service while an employee of the City. Less than full-time service will be consolidated in equivalences of full-time service for the purpose of establishing the rank seniority service date. Time off as a result of disciplinary action will be subtracted from the rank seniority service date.
- 58.2.3. All time spent in an appointed rank shall be credited to the employee's service in the employee's permanent rank. In computing both City and rank seniority, all time spent on paid leaves of absences shall be included, and all time spent on unpaid leaves of absence in excess of two consecutive payroll periods shall be excluded.
- 58.2.4. The Human Resources Department will maintain up-to-date and current City and rank seniority service dates for all City employees holding probationary and permanent appointments.

58.3. Establishment of Seniority Lists

- 58.3.1. Whenever a layoff of one or more career employees becomes necessary, as defined above, such layoffs shall be made according to City-wide classification seniority lists. Upon receiving notification that the City Manager must proceed with a possible reduction in the work force and following receipt of information concerning the specific positions, programs, and departments involved, the Human Resources Department will immediately establish separate probationary and permanent seniority lists for each classification targeted for layoff.
- 58.3.2. The names of all City employees holding permanent and probationary appointments in a given classification will be listed on the appropriate list in descending order by City seniority service

date in the entry-level position and by rank seniority service date in promotional positions. Except as provided in Section 58.4 below, employees on all lists shall be laid off on the basis of their seniority service dates (i.e., employees with the least amount of total service shall be laid off first). All emergency, temporary, and provisional employees working in classifications similar to those identified for layoff must be terminated prior to the layoff of probationary or permanent employees. Employees on the probationary seniority list for a specific classification will be laid off prior to employees on the permanent seniority list for that class.

58.3.3. Probationary or permanent employees temporarily acting out of classification and holding a provisional appointment in another classification will only be listed on a seniority list of the class in which they hold permanent or probationary status targeted for layoff.

58.3.4. If two (2) or more employees on a seniority list have identical seniority service dates, the tie shall be broken based on established departmental procedures for awarding commission numbers in such instances.

58.4 Employee Retreat Rights

58.4.1. Before an employee with permanent or probationary status may be released from employment with the City of Berkeley, the Human Resources Department must consider the employee's right to retreat to lower-level classifications through which he or she was originally promoted or any subsequently created intermediate-level career classification series. Retreat rights shall also extend to employees who have not previously been promoted through a classification but for whom the classification is a natural progression or beginning in the classification series.

58.4.2. In the process of retreating, the rank seniority date list shall be utilized. Employees with the least amount of rank seniority shall retreat first; provided, however, that a retreat from any rank below the employee's current rank shall be based on a rank seniority date which is derived from a combination of all credited service in the rank to which the employee has retreated and all credited service in higher ranks held on a probationary or permanent Identification Expert will be available only to employees who have previously

held such ranks on a permanent or probationary basis. There shall be no retreat rights to appointed ranks or positions.

- 58.4.3. If an employee is qualified for retreat into more than one classification with comparable salary ranges or if a vacancy exists in a classification to which an employee is entitled to retreat, the options shall be discussed with the employee, and due consideration shall be given to the employee's preferences. However, it is the prerogative of the City Manager to determine the final placement offer to the employee.
- 58.4.4. The retreating employee has a right to be retained in the highest salary range possible which is equal to or less than his or her present salary range. An employee involved in layoff does not have a right of mandatory placement to positions with a higher salary range, i.e., promotion.

58.5. Employee Notification

- 58.5.1. Emergency, temporary, intermittent, seasonal, etc., employees shall be notified individually, in writing, of pending layoff as soon as possible, but no definite time period is required. However, at least two (2) weeks notification is desirable, if possible.
- 58.5.2. Provisional employees shall be notified individually, in writing, of pending layoff as soon as possible, with no less than fifteen (15) calendar days notification if targeted for release or reassignment.
- 58.5.3. Permanent, probationary, and career-exempt employees should be notified individually, in writing, of pending layoffs as soon as possible, with no less than thirty (30) calendar days notification if targeted for release, reassignment, or retreat. Notice to an employee absent from work for any reason shall be sent by United States Mail, return receipt requested.

If an employee fails to accept a bona fide offer of reassignment or retreat in writing within five (5) calendar days after receipt of the offer, the employee forfeits further right to employment retention. Acceptance of a reassignment or retreat does not remove the right of appeal under Section 58.9.

58.6. Flexible Placement Program

- 58.6.1. In order to minimize the negative impact of a layoff, the City Manager will, as previously stated in Section 58.1, impose a city-wide freeze on all appropriate vacancies as soon as it has been determined that a layoff of career City employees may be necessary.
- 58.6.2. Following the release of all emergency, temporary, and provisional employees in classes similar to those targeted for layoff and as soon as employees targeted for layoff or retreat have been identified and the provisions under Section 58.3 and 58.4 have been carried out, the Human Resources Department will review and identify the frozen vacant classifications into which employees ultimately targeted for layoff may be placed on the basis of total experience and education. In making this decision, a waiver of minimum qualification standards and/or the substitution of related experience and education may be made with an understanding on the part of management and supervisory personnel that adequate on-the-job training, which can be completed within no more than six (6) months, will be provided to facilitate job adjustment and to compensate for the waiver of qualification standards, if that has occurred.
- 58.6.3. Assignments under the Flexible Placement Program shall be limited to positions in the same or lesser salary range as the classification from which the employee is to be laid off.
- 58.6.4. Offers to positions under the Flexible Placement Program shall be made according to City seniority service date and in accordance with the probationary and permanent seniority list certification process outlined in Section 58.3. All offers and placements made under this provision of the layoff policy shall be documented in detail, with records available for audit and review at all times.
- 58.6.5. If an employee fails to accept a bona fide written offer of an alternative job within five (5) calendar days after receipt of the offer, he or she forfeits further rights to employment retention. Acceptance of an alternative job under the Flexible Placement Program in no way jeopardizes an employee's standing on the reemployment priority lists on which his or her name has been placed in accordance with Section 58.7.

58.7. Reemployment Lists

- 58.7.1. The names of all probationary and permanent employees released or retreated from positions in the competitive service as a result of layoff or retreat must be placed on reemployment priority lists for those classifications from which the employee was removed, as well as all other classifications to which they have retreat rights in accordance with Section 58.4.
- 58.7.2. The reemployment priority list for employees who were laid off shall remain in effect for three (3) years. Said list shall remain in effect indefinitely for employees who were retreated.
- 58.7.3. Departments with vacancies in any classification for which there is an active reemployment priority list must use the reemployment priority list to fill their positions and may not use any other recruitment or appointment method to fill a vacancy until appropriate reemployment lists have been exhausted.
- 58.7.4. When a vacancy occurs in a class for which there is a reemployment priority list, the name of the employee on the appropriate reemployment priority list with the highest seniority date shall be certified to the selecting official. Employees so certified from the reemployment priority list must be appointed to the existing vacancy.
- 58.7.5. If a former employee fails to accept a bona fide written offer of reemployment within five (5) calendar days, his or her name will be removed permanently from the reemployment priority list from which the offer was made. Failure to accept an offer to reemployment to the class with the highest salary range for which the employee is eligible for reemployment will result in automatic removal from all reemployment priority lists. However, the employee may decline (or accept) reemployment to lower salary range classifications without jeopardizing his or her standing on the reemployment priority list for the classification from which he or she was original terminated.
- 58.7.6. Upon reappointment to the classification from which the employee was originally separated or demoted, the employee has the right to be placed at the step of the salary range which the employee held

at the time of layoff or demotion.

58.8. Career-Exempt Employees

Only those employees holding full-time, benefited, exempt positions who, in the past, have achieved permanent status and have been continuously employed without a break in service between their career and exempt appointment, have the right to retreat to previously held career classifications, placement on the reemployment priority lists, and all other provisions governing layoff procedures. For the purpose of layoff, such employees shall be referred to as "career-exempt."

58.9. Appeal Procedures

Any permanent, probationary, or career-exempt employee who is laid off, demoted, or reassigned as a result of layoff and who believes that the layoff procedure has been administered in violation of the terms of this agreement as it pertains to the employee's case may appeal the action under the grievance procedure, including that provision relating to non-disciplinary arbitration. In addition, employees may at all times before, during, and subsequent to layoff review all records, including seniority lists, reemployment priority lists, documentation pertaining to appointments under the Flexible Placement Program, etc., which pertain to their classification and their rights under the provisions of the layoff policy.

58.10. Audit

58.10.1. On an annual basis, the City Manager's Office shall order an audit by an outside auditor of all vacant positions filled in each department and authorized positions which have not been filled to determine whether the vacancies occurred in classifications for which reemployment priority lists were in existence and, if so, whether the appointments made by the selecting official were in accordance with the procedures outlined in Section 58.7. In the event vacancies for which reemployment priority lists are in existence remain unfilled, the auditor shall offer an opinion as to whether or not the reasons for leaving the positions vacant appear to be legitimate. A report of the audit must be transmitted to the City Manager and the City Council.

58.10.2. If it is determined that a vacancy has been filled by a non-reemployment priority list eligible in a classification for which a

reemployment priority list existed which included available applicants at the time, the former employee with reemployment rights shall be hired and given retroactive pay from the date that the vacancy occurred. The employee who was originally to fill the vacancy shall continue to be retained in City employment.
